Therefore, Resolved by the Gastonia Chapter of the United Daughters of the Confederacy, that when Mr. J. In 1861 he went out as a volunteer in the Catawba Light Infantry, Company H, 6th South Carolina Regiment commanded by the late Captain Robert H. Glenn, of York county, S. C., and afterward re-volunteered in Company H, 18th South Carolina Regiment under the same command until the close of the war.

Resolved, That we tender to the bereaved family our most sincere sympathy and commend them to Him who is a God of love and doeth all things well.
Resolved, That these resolutions be published by our county papers and that a copy of same be spread upon the records of the Memorial Committee of this Chapter.

CARD OF THANKS.

We, the family of Mr. Samuel Boyer, wish to thank those of our friends who so kindly aided us during the illness and death of our mother. For your labor of love may your reward be written in the Lamb's Book of Life; and it is our earnest prayer the Saviour may welcome you with His approval. "In that thou hast done it unto one of the least of these my brethren thou hast done it unto me, enter thou in to the joy of thy Lord."

CARD OF THANKS.

It is with profound gratitude that we, the bereaved family of Mrs. Samuel Lewis, tender our heartfelt thanks to those who so kindly aided and sympathized with us during our affliction. Feeling helpless to say or do that which would truly express our appreciation we turn in prayer to our God that He will do so and more unto you both in this life and the life which is to come.

OVER THE STATE

RECENT HAPPENINGS IN ALL SECTIONS OF THE STATE REWRITTEN AND CONDENSED FOR THE BENEFIT OF BUSY READERS—WHAT'S GOING ON IN THE OLD NORTH STATE FROM MANTEO TO MURPHY.

Greensboro Wins Pennant.

Nearly three thousand people were at Cone Park, Greensboro, Tuesday afternoon to see the double-header game between Greensboro and Greenville. The result, an even break, Greensboro taking the last and Greenville the first game, gives Greensboro the pennant of the Carolina League for this season.

Furniture Men Meet.

The annual session of the North Carolina Retail Furniture Dealers' Association met in Charlotte Tuesday and continued in session three days. The association was welcomed by Mayor T. S. Franklin, and the response to the address of welcome, was delivered by Mr. George C. Royal, of Goldsboro.

Farmers' Convention.

The sixth annual State farmers' convention will be held at the A. & M. College in Raleigh on August 25th and 26th and 27th. The meeting will be devoted to the study and discussion of all questions of direct and specific interest to farmers. A meeting of the stock breeders' and dairymen's association will be held on the following day, August 28th. Reduced rates will be granted by the railroads, lodging will be given free in the college buildings, and meals will be furnished at cost to all who attend.

Woman Fells Burglars.

A woman, armed with a revolver, prevented the burglary of the store of A. Hege, corner of Maple and Fifth streets, Salem Monday night. Mrs. Sallie George, who lives on Fifth street, near the store, was awakened, and, going to her window, saw the men working at the locks on the front door of the store. Seizing a revolver from a drawer, Mrs. George pointed it at the men and threatened to shoot. They speedily ran away. It was discovered that the men had removed one of the locks which held the store door fast.

Successful Cotton Picker.

The first successful cotton-picking machine has just been invented by John S. Thurman and is now on the market. The invention was not announced until a thorough try-out had demonstrated its perfection. Using this machine two men can gather 1,400 pounds of cotton in a day, working ten hours. This is no disorderly dream of an inventor's fancy but a practical machine, tried and tested, which will "deliver the goods." What this will mean to the farmer, hampered by incompetent negro labor, can hardly be estimated. It certainly means "good-bye, Mr. Nigger," and better days for the farm.

Lutheran Conference.

The North Carolina Conference of the Tennessee Lutheran Synod, which was in session at St. John's Lutheran church, Statesville, last week, finished its work Sunday evening and adjourned to meet at Mt. Olive church, Catawba county, in November, Saturday morning was spent in a business session and Saturday night Rev. R. L. Fritz, of LeNoir College, Hickory, delivered a strong and interesting address on "Christian Education." After an address to the Sunday school Sunday morning by Rev. J. F. Deal, of Stanley, the dedication of St. John's church took place. The consecration service was a very pretty feature of the Conference.

MR. JOHN H. DERR DEAD.

Highly-Esteemed Citizen of Stanley

Passes Away at Advanced Age—Was a Confederate Veteran—Othor Stanley News.

Correspondence of The Gazette.

STANLEY, Aug. 13.—Mr. John H. Derr, one of Stanley's oldest and most highly respected citizens, died at 9 o'clock this morning, aged 83 years. For the past three or four years he had been practically an invalid, having lost his sight completely several years ago. He had been critically ill for only a few days. His death was not unexpected as he had been declining rapidly of late from the diseases incident to extreme old age. The funeral will be held at the Methodist church, of which he was a member, to-morrow morning and the body will be laid to rest in the neighborhood graveyard at his old home about one and a half miles from town.

Mr. Derr was a native of Gaston county and was born near Stanley, having spent his entire life here with the exception of the four years of the war which time he spent in the Confederate army. Until incapacitated by old age he was an industrious and prosperous farmer and was liked and trusted by all who knew him. He is survived by a widow, who was Miss Violet Sifford, and nine children, viz: Conrad G., Daly, Henry, James Frank, Dory D., and Guy Derr and three daughters, Mrs. Sallie Finger, Mrs. Mamie Barkley and Miss Violet Derr. He was twice married, his first wife being a Miss Davenport. Mr. Derr served the county a number of years ago in the capacity of commissioner.

Sellers was taken before Magistrate Ben Kendrick at Cherryville and placed under bond to appear at the next term of court for trial. Another still was captured this week on Kings Mountain, the officers taking one white man and a negro besides getting the still and some whiskey.

Oxford Orphans Coming.

Dead at Eighty-Seven.

Mr. William McIntosh, one of the well-to-do and highly respected citizens of the Lucia neighborhood, died Tuesday night at the home of his grandson, Mr. Julius McIntosh, at Lucia, in his eighty-seventh year. He had been in declining health for some time and death was due to the infirmities incident to old age. He is survived by three sons, Mr. J. M. McIntosh and Mr. N. A. McIntosh, of Lucia, and Mr. J. C. McIntosh, of Denver, Lincoln county, and one daughter, Mrs. Julius Hager, of Lincoln county. He was buried at Hill's Chapel Wednesday afternoon, the funeral services being held at 3 o'clock.

Spinning Cotton Waste.

It is a fact that some of the coarse yarn mills have been so hard run that they have actually been spinning cotton waste. Of the big stock of dog tail cotton that has been accumulating in New York for years and used solely for the purpose of depressing the market all that was available has been spun, much of it having been shipped south for use in southern mills. There has never been a time since the close of the war when the mills were nearer out of cotton, and there has never been a time in the history of this country when they were more uneasy about a general advance.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.
All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pains in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

The Editor's Troubles.

In a newspaper office things will run along smoothly for months without a far or a break, and then some fine week everything goes dead wrong and the newspaper slaves are ready to quit their job and hunt nepenthe, whatever that is, supposed to be equivalent to "nevermore." Last week was such a week in this sweatshop. The devil and the Linotype man conspired together to have three several dates on the paper, to wit: July 29th, July 5th and August 5th. The paper had hardly got cold before some subscriber called us up and wanted to know what had got the matter with our calendar. Then here came a lot of people angry and embarrassed about a mixed up marriage announcement that the reporter wasn't to blame for, and that sawed on our nervous system. And there was some more, but we forgot it. O, it's glorious to work on a paper!

To Start Up Monday.

After being idle since July 3d the Mountain Island Mills will resume operations next Monday. During the time it has been shut down some improvements have been made. This is the oldest cotton mill in the county, having been built in 1848. It uses waste cotton and manufactures rope and kindred lines.

Family Reunion.

There will be a family reunion of the children, grandchildren and great-grandchildren of the late Jacob H. Rhyne on Saturday, August 22nd at the old home place, now owned by Mr. W. N. Bell. Mr. W. N. Bell and family cordially invite all friends and neighbors to come and bring well filled baskets and enjoy the pleasures of the day.
