—A report was current on the

### Telephone Improvements.

The Piedmont Telephone & Tele-

part of town were dismantled of open  
wires and cross arms. The con-  
struction gang will move to Lincolnton  
this week where two miles of cab-  
le will be installed. All the wires  
and poles around the court square

proving the appearance of the cen-

### Mr. Meacham Recovers Money.

Mr. E. L. Beatty was arrested Sat-  
urday morning on a warrant sworn  
out by Mr. D. W. Meacham, of Low-  
oil, charging Beatty with having in  
his possession money belonging to  
Meacham. It will be remembered  
by our readers that Mr. Meacham  
lost his pocketbook containing \$150  
some weeks ago. A few days later  
Mr. Beatty advertised that he had  
found some money, which would be  
returned to the owner on identifica-  
tion. When Mr. Meacham replied to  
that advertisement, Beatty claimed  
that the pocketbook he found did not  
fit the description of Mr. Meacham's  
and contained a smaller sum. When  
arrested and brought to the City  
Hall for trial, however, Beatty con-  
fessed that it was Mr. Meacham's  
pocketbook he had found, and that  
he had spent the money. Deputy  
Sheriff Ratchford accompanied Be-  
atty to his father's home and the loss  
was made good by young Beatty's  
father, the charges being withdrawn  
after the matter was settled.

for the two years I have been under  
their care, and I will do all I can to  
recommend it to my friends. You

you like, for Mi-o-na is better than
