There is more Catarrh in this section of the country than all other diseases put together, and until the last few years it was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore it requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Hon. John H. Small.

Raleigh Times.

Representative John H. Small is always "on the job." If the inland waterways project is not pushed through to a successful finish it will not be the fault of Mr. Small. He secured the appropriation for the work being done in North Carolina and is now going after an appropriation to complete this work. Congress appropriated \$550,000 for the Beaufort end of the waterway and the work on this is nearing completion. An appropriation of \$1,500,000 is needed to complete the work to Norfolk and Mr. Small is urging on the house committee on rivers and harbors that this appropriation be made at once so as not to delay the work. The section nearing completion will permit the entrance of vessels with a draft of ten feet from the ocean to the inland waters of the State. From Norfolk, however, the entrance to these waters is less than eight feet and the securing of a continuous ten-foot passage is an important matter. There are several objections in the way of an appropriation at this time, but Mr. Small is a resourceful man and he may be able to get the matter through.

Fine Horse Killed.

Mr. William Hendricks, who lives between Gastonia and Bessemer City, had the misfortune Saturday night to lose an excellent horse by accident. The animal was run over and instantly killed by northbound Southern passenger train No. 40 near the Arlington Mill. The buggy to which the horse was attached was completely demolished. Mr. Hendrick's son had driven from his home to the Arlington to visit and tied his horse to a tree. It either got loose or was turned loose and wandered to the railroad track where it met death. Mr. Hendricks had just a few days previous refused \$200 for the horse.

HOUSEHOLD WORRIES.

There is Not the Slightest Need for Some of Them Existing in Gastonia.

The average mother finds sufficient annoyance and worry performing the ordinary duties in the rearing of a family, but the cares and anxiety are doubled when there is added to ordinary conditions that of weakened kidneys in a juvenile member of the family. How to cure it should be of untold value to Gastonia mothers. Read this:

Mrs. Catherine Gardner, 32 Trenton Mill House, Gastonia, N. C., says: "My little daughter had kidney trouble from infancy and caused us a great deal of trouble by her inability to control the kidney secretions, especially at night. She also complained at times of pains in her back and was very weak and nervous. I consulted physicians and gave her numerous remedies, but she gradually grew worse. I finally learned of Doan's Kidney Pills and deciding to try them, I procured a supply. The contents of one box strengthened the child's kidneys, disposed of the pains in her back and removed the kidney difficulty. I cannot fully express my high opinion of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-McBurn Co., Buffalo, New York sole agents for the United States.
