A Traveling Salesman.

H. F. Beers, 617-7th Ave., Peoria, Ill., writes: "I have been troubled for some time with kidney trouble, so severely at times I could scarcely carry my grips. After using one bottle of Foley's Kidney Pills I have been entirely relieved, and cheerfully recommend them to all." Foley's Kidney Pills are healing and antiseptic and will restore health and strength. J. H. Kennedy & Co.

The January term of Anson Superior Court convened yesterday. There are 200 cases on the criminal docket, of which number three are murder cases.

Rev. I. W. Williams Testifies.

Rev. I. W. Williams, Huntington, W. Va., writes us as follows: "This is to certify that I used Foley's Kidney Remedy for nervous exhaustion and kidney trouble and am free to say the Foley's Kidney Remedy will do all that you claim for it." J. H. Kennedy & Co.

A large sanatorium is to be erected at once at Albemarle by the Albemarle Development Company. It is to cost \$50,000.

Foley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. It invigorates the entire system and strengthens the kidneys so they eliminate the impurities from the blood. Backache, rheumatism, kidney and bladder troubles are all cured by this great medicine. J. H. Kennedy & Co.

At Durham Friday Judge Adams, in Superior Court, ordered the case of the State against Solomon Shepard, colored, charged with the murder of Engineer Holt, transferred to Granville county for trial. After exhausting two venues of 350 men it was apparent that it would be impossible to secure a jury to try the man in Durham county.

Pneumonia Follows a Cold but never follows the use of Foley's Honey and Tar, which stops the cough, heals the lungs, and expels the cold from your system. J. H. Kennedy & Co.

Men "Higher Up" Indicted.

There were further developments in the investigation of the sugar frauds last Friday when Charles R. Heike, secretary of the American Sugar Refining Company, and Harry W. Walker, superintendent of the Williamsburg docks of this company, were indicted for conspiracy to defraud and for making false entries. Previous to this a number of employes of this big concern have been indicted on similar charges. From appearances it would seem that the government has been cheated out of large sums of money by the sugar trust.

It is a dangerous thing to take a cough medicine containing opiates that merely stifle your cough instead of curing it. Foley's Honey and Tar loosens and cures the cough and expels the poisonous germs, thus preventing pneumonia and consumption. Refuse substitutes and take only the genuine Foley's Honey and Tar in yellow packages. J. H. Kennedy & Co.

Solicitor L. D. Robinson of the eighth judicial district has resigned his position to become president of the Bank of Wadesboro.

HOW TO CURE RHEUMATISM.

The cause of Rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled. Rheumatism is an internal disease and requires an internal remedy. Rubbing with Oils and Liniments will not cure, and affords only temporary relief at best.

Science has at last discovered a perfect and complete cure, which is called "Rheumacide." Tested in hundreds of cases, it has effected the most marvelous cures; we believe it will cure you. Rheumacide gets at the joints from the inside, sweeps the poisons out of the system, regulates the liver and kidneys and makes you well all over. Rheumacide strikes the roots of the disease and removes its cause. This splendid remedy is sold by druggists and dealers generally at 50c and \$1 a bottle. In tablet form at 25c and 50c a package. Trial bottle of tablets by mail on receipt of price 25c. Booklet free. Write to Bobbitt Chemical Co., Baltimore, Md. For sale in Gastonia by Adams Drug Co.

Sold Cotton for 19 1/2 Cents.

Yorkville Enquirer, 14th. Mr. T. J. Nichols of Yorkville No. 6, sold three more bales of his long staple cotton a few days ago, this time at 19 1/2 cents a pound. Mr. Nichols says he had in 2 1-4 acres of this cotton and made two bales weighing 430 pounds each. A cropper who planted 12 acres, and who did not work it as well as he should have done, made five bales averaging about \$25 on his 12 acres, and it is the opinion of Mr. Nichols, that if he had planted the ordinary short staple cotton, he would have come out in debt.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years it was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore it requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
