#### Dr. Vines Coming.

Rev. W. H. Redfish, pastor of the First Baptist church, has secured the services of Rev. W. M. Vines, pastor of the First Baptist church of Asheville, to hold a series of meetings here beginning the first Sunday in April. Dr. Vines is widely known as a preacher of power and Gastonia has a right to share in his coming. He was, for a number of years pastor of the Asheville church, going from there to Norfolk, Va. From there he went to New York city as pastor of the Union Place Baptist church, one of the largest and wealthiest in the United States. He remained there two years and returned to his old pastorate at Asheville last fall.

#### Presbytery Meets.

A called meeting of the Kings Mountain Presbytery was held in the First Presbyterian church at 10 o'clock Wednesday morning for the purpose of discussing the pastoral relation of Rev. E. R. Cochran to the New Hope church. Rev. M. C. Cochran was granted a letter of dismission to the Concord Presbytery, where he goes to become pastor of the McKinnon and Baxter churches. Rev. James Thomas, of Shelby, was elected chairman of the Committee of Foreign Missions to take the place left vacant by Mr. Cochran's resignation. Those present from out of town were Rev. R. A. Miller, of Lowell; Rev. A. C. Brown, of Rutherfordton; Rev. S. S. Miller, of Kings Mountain; and Mr. J. F. Patterson, representative of the New Hope church.

#### Successful Meeting.

The Concord Union of Men by has the following to say of the series of meetings conducted there last week by Rev. R. C. Anderson, pastor of the First Presbyterian church of this city: "The series of services conducted at the First Presbyterian church last week by Rev. R. C. Anderson, of Gastonia, closed with the service Sunday night. Mr. Anderson preached twice each day for seven days, and those who heard him were fortunate. He is a preacher of the plain gospel and preaches it with simple but forceful directness. His thoughts go home, and his manner is an aid to his speech. He engages the attention of the hearers and holds it. The services generally were attended by good-sized congregations, and six new members were added to the church. These are the visible results, but all the good done

cannot be known until it is finally revealed. Mr. Anderson left this morning for his home."

#### IN MEMORIAM.

GEORGE BERTRAND DETTER.  
How often around the fireside,  
We've gathered our little band;  
So long by death unbroken---  
By death's cold, cruel hand,  
Four bright and happy children,  
The light and life of home;  
Not thinking that such a sorrow,  
To us, so soon, might come.

But alas! one chair is vacant,  
One voice we hear no more;  
A step upon the gravel walk,  
A gentle rap at the door,  
A tall and manly figure,  
With an honest, handsome face,  
A smile and friendly greeting,  
All leave an empty space.

Our darling son and brother,  
Much loved by all was he;  
Faithful in every duty,  
As one could hope to be,  
Even when danger faced him,  
At his post stood firm and fast,  
Hoping some aid to render,  
Till the trains together dashed.

May those with whom he labored,  
Like him, as the years go by,  
Know that life is more than living,  
And all of death is not to die,  
May they each day remember,  
God is present everywhere;  
When their trains are running  
Smoothly---  
If they're wrecked---He still is  
There.

But oh how sad the parting;  
All the days seem dark and drear;  
But we know God too, did love him,  
And no evil do we fear,  
But so long as life he gives us,  
In memory, thine image we'll keep;  
Fresh as the beautiful flowers,  
Which which thou wert laid to  
sleep.

Sleep on, our precious darling,  
Under the roses laid;  
For she whom thou dearly didst  
love,  
Hath gently laid thee there,  
She, the one of thy choice,  
Whose heart both sorely grieves,  
Hath laid to rest with thee,  
And hopes that could not live.

God comfort each heart in its sor-  
row,  
Lift the heads now bowed with grief,  
Cheer with thy precious promises;  
Naught else can give relief.  
May they now in their hearts be say-  
ing,  
As of old, one hath said the same---  
The Lord giveth, and He taketh  
away.

Blessed be His name.  
A. FRIEND,  
Dallas, N. C.

#### TO CURE TUBERCULOSIS.

State Sanatorium Has Been Opened at Montrose---Is Ideally Located and Has a Thousand Acres in Tract Set Aside for Use in Work of Reclamation to Health.  
This week there was opened at Montrose, in Cumberland county, the State Tuberculosis Sanatorium, an institution that has for its object the reclamation from disease of those who are afflicted with incipient tuberculosis. It is expected that this institution will prove a boon to sufferers from consumption and that with the treatment there will be restored to health many who might otherwise become victims of the dreaded "White Plague."

The institution is in charge of Dr. J. E. Brooks and its location at Montrose, in Cumberland county is regarded as an ideal one. It is situated on a high sand hill, in the midst of a wide sweep of territory abundant in pines, a section noted for its pure and bracing air. In the tract to be used there is over a thousand acres, and for the Sanatorium the Legislature at its last session set aside \$35,000, this enabling the institution to begin work in the best shape, with new buildings, electric lights, sewerage, water-

works and everything in such a shape as to promise the best results in restoring to health patients affected with consumption.

Incurables are not to be accepted, and great reliance is placed upon the treatment in the fresh, open air of those not in the last stages. There is a charge of \$1.00 a day or \$7.00 a week made each patient, this covering all expenses, medical attention, medicine, board and lodging, this small charge putting the aid offered in the reach of a large majority of people who are affected. The establishment of this institution is a great step forward for North Carolina, and it is believed that the treatment given at Montrose will result in great good, and that there will be great numbers saved who might otherwise pass to their graves, health, life and vigor to take the place of sickness and death from consumption.

#### A UNIQUE TOWN.

Fitzgerald, Ga., Founded by Veterans of the Confederate and Union Armies, Has Population of Ten Thousand.

Raleigh Cor. Asheville Gazette-News.

State Auditor Dixon, the president of the Blue and the Gray association, has returned from Fitzgerald, Ga., where he delivered the address before it, at the annual meeting. This town, founded and laid off by veterans of both armies, now has 10,000 population and is a model place. All the streets north of the city hall are named after northern generals and those south of it after southern generals; streets to the east after southern rivers and those to the west after northern rivers. Dr. Dixon says without exception the inmates of this colony favor a national home for ex-Confederates, to be located at some suitable point in the south, and not a few of them favor North Carolina, not only because this State furnished more troops than any others to the Confederate service, but also health conditions are so fine.

Wednesday was a big day for Robeson county. Ten thousand of the citizens of that county gathered at Lumberton where a great educational and agricultural rally was held. Superintendent of Education J. Y. Joyner was the principal speaker.

#### SOUR STOMACH.

Mi-o-na Puts the Stomach in Fine Shape in Five Minutes.

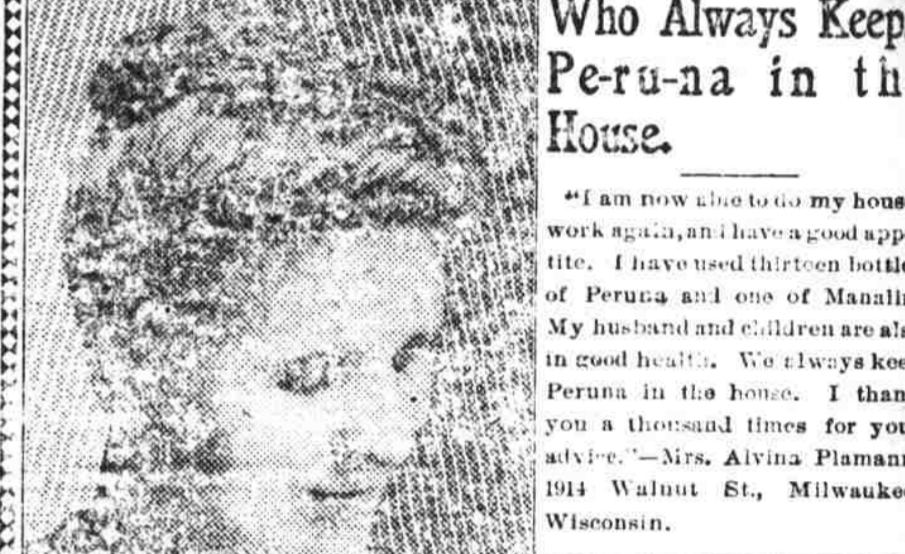

If your stomach is continually kicking up a disturbance; you feel bloated and distressed; if you belch gas and sour food into the mouth, then you need Mi-o-na Stomach Tablets.

Mi-o-na stomach tablets give instant relief, of course, but they do more; they drive out the poisonous gases that cause fermentation of food and thoroughly clean, renovate and strengthen the stomach so that it can readily digest food without artificial aid.

Mi-o-na stomach tablets are guaranteed to cure indigestion, acute or chronic, or money back. This means that nervousness, dizziness and biliousness will disappear. Druggists everywhere and J. H. Kennedy & Co. sell Mi-o-na for 50c.

"I was under the care of four different doctors during nine months and was cured of dyspepsia by Mi-o-na."---Mr. Joseph Grondine, 197 Fountain Street, Fall River, Mass.

### One of Wisconsin's Mothers

Who Always Keeps Peruna in the House.

"I am now able to do my house work again, and have a good appetite. I have used thirteen bottles of Peruna and one of Manalrin. My husband and children are also in good health. We always keep Peruna in the house. I thank you a thousand times for your advice."---Mrs. Alvina Plamann, 1914 Walnut St., Milwaukee, Wisconsin.

If any one really wanted to find out whether or not a medicine was good for the baby who would he naturally ask? Some one who never used Peruna? Some one who is prejudiced against Peruna? Some one actuated by selfish motives who is opposing Peruna for the sake of the notoriety? Would any sane person who really wanted to know about Peruna ask any of these people? Of course not. Who would they ask? They would ask mothers who have raised babies and used Peruna for their babies---times without number. They would ask the parents who love their families, and know more about Peruna than all the professional writers in the world. Above we give the portrait and testimonial of one of the mothers who has used Peruna, and who has raised healthy and happy babies. We have many more such mothers in every state in the Union. These mothers give their testimonials entirely unsolicited, without pay or expectation of pay. Their only desire is to point out to other mothers a useful and reliable family medicine.

#### Dynamite Wrecks Courthouse.

A dispatch from Asheville to this morning's Charlotte Observer says that the accidental explosion of a stick of dynamite in the court house at Bryson City, Swain county, last night, almost totally wrecked the building, instantly killed Omar Conley, young son of County Commissioner W. T. Conley, and perhaps fatally wounded Barrett Banks and Register of Deeds W. L. Francis. The men had laid a stick of dynamite on a steam radiator to thaw out preparatory to going fishing and in some way it was knocked off. The court house was completed a year or so ago at a cost of \$75,000. Many valuable records were lost.

#### One Colossal Fake Lost Out.

Monroe Enquirer. That colossal fake, the madstone, is losing out. Just an ordinary slate rock will do as much toward extracting the poison from a wound made by a rabid animal as will the thing they claim was taken from the stomach of a deer. There are hundreds of people bitten by animals supposed to be "mad" but are not, and the application of the madstone to a wound made by such an animal does just as much good as the most sane treatment would do, and a cross mark on the back with the left hind

foot of a graveyard rabbit would do just as much good as does the putting the little lump from the deer's stomach on the sore.

The Daughters of the Confederacy of Monroe have let the contract for the erection of a monument to the Confederate dead of Union county. The memorial will be placed in the public square at Monroe.

The star route mail carrier from Dolson to Mount Airy was held up Wednesday by three negroes and robbed of his watch and \$17 in money, all he had on his person. The mail pouch was not molested. The Postoffice Department was notified by wire of the robbery.

#### R. F. D. ENVELOPES.

People living on rural free delivery routes should use return envelopes; it is safer and insures return of your letters if addressees don't get them. We have them printed for every route in Gaston county; good quality of envelope, the kind you pay 10 cents per package of 25 for at the stores blank. Only 30 cents per 100. Mail orders receive prompt attention. Use them once, you'll keep it up. Gazette Publishing Company, No. 236 Main avenue, Gastonia, N. C.
