False Economy

ONE DAY SMITH SAW A PIN AND REMEMBERED THE OLD ADAGE, "SEE A PIN, PICK IT UP, AND ALL DAY LONG YOU WILL HAVE GOOD LUCK." HE STOOPED TO GET THE PIN HIS HAT TUMBLED OFF AND ROLLED INTO THE GUTTER; HIS EYEGLASSES FELL ON THE PAVEMENT AND BROKE; HIS SUSPENDERS GAVE WAY BEHIND, AND HE BURST THE BUTTONHOLE ON THE BACK OF HIS SHIRT. BUT HE GOT THE PIN.

Some people who take their watches and Jewelry to the cheapest place to have them repaired find it about as profitable as Smith's lucky (?) pin.

We keep the Quality of our Repair work to the standard which we have set in our Stock of Jewelry—not the cheapest but the best.

church next Sunday morning and evening.

—Prof. J. B. Warren, principal of the Central graded school, returned last week from Durham where he attended the sessions of the State Association of City School Superintendents.

—Mr. E. L. Williamson, who has been the guest for several days of his brother-in-law, Rev. R. C. Anderson, left yesterday morning for his home at Martinsville, Va. Mrs. Williamson will remain here for some days yet.

—Rev. Mr. Griffith, of Bessemer City, was to have preached at the A. R. P. church but was detained at his home by reason of illness. In his absence Rev. Dr. Galloway, the pastor, filled the pulpit Sunday morning, much to the delight of his congregation.

—Mr. Frank Jackson, secretary of the Montreat Association, is spending a few days here with his parents, Mr. and Mrs. J. Frank Jackson, and other relatives, having come over from Charlotte where he attended the meeting of the executive committee of the association of which he is a member. He expects to return to his home at Montreat this week.

—Mr. C. C. Cornwell, clerk of the court, asks The Gazette to state that he has two pension warrants, for \$26 each, for W. H. Putnam and A. J. Martin, Confederate veterans. He has mailed them to the former addresses of these men and they have been returned to him uncalled for. So far he has been unable to deliver them to the owners. He would be pleased to have information that would enable him to deliver these pension warrants. Unless Messrs. Putnam and Martin are located soon the checks will be returned to the State auditor.

—The Abernethy-Shields Drug Company began yesterday morning to move from the Ragan building to the new Realty building on West Main avenue where they have one of the handsomest store rooms in town. They are completing the job of moving today and by the end of the week their store will be in ship-shape. The store room they are vacating will be occupied by the Gastonia Furniture Company, which will thus

almost double its floor space. Two archways will be cut adjoining this room with the one they are now occupying and the interior will be repainted, refloored and otherwise renovated and remodeled.

—Rev. R. C. Anderson attended a meeting of the executive committee of the Montreat Association at the Selwyn hotel in Charlotte Friday night. At this meeting plans were discussed for the summer conference at Montreat for the coming season and committees appointed to perfect the arranging of programs. Reports showed that the prospects for the summer season of 1910 were most flattering. Other members of the committee present besides Mr. Anderson were Mr. C. E. Graham, of Greenville, S. C.; Judge J. D. Murphy, of Asheville; Mr. J. R. Young, of Raleigh; Dr. Archer and Mr. Frank Jackson, of Montreat; Mr. Henry Belk, of Charlotte; Dr. Hill, of the Eastern part of the State, and Mr. Roddey, of Rock Hill.
