The Newton Hosiery Mill at Newton, was closed Wednesday for an indefinite time by creditors. The corporation, it is stated, is financially embarassed and will probably be sold to satisfy claims against it. Last Sunday night Rev. William McDonald, colored, was shot while in his pulpit at Waxhaw, engaged in prayer. The shot was fired through the window and caused consternation in the congregation. Patrolman McKnight of Charlotte was sent to Waxhaw to work up the case and as a result of his investigations John Crawford, colored, was arrested and held for trial on the charge of doing the shooting. Crawford, it is said, had threatened McDonald on several occasions. He is a preacher himself and was anxious to obtain the pulpit of McDonald's church.

Hon. Thomas Settle, of Asheville, is being prominently mentioned as a probable successor to Wade S. Ellis of Ohio, who has recently resigned his position as assistant to the attorney-general of the United States. Mr. Settle's friends consider him an excellent man for the place and will try to secure him the appointment.

Chrysanthemums require a great deal of attention, and the woman who is not willing to devote much time to the work will do well to give her garden space to less exacting flowers. The insects must be constantly watched, for if left alone for any length of time they multiply amazingly and are destructive.

Flowers grown by the above rules have always captured the "blue ribbon" at fairs and flower shows,

It takes time to realize that the closer we get to some people the smaller they are.
