

Morris Brothers

While we are daily receiving new Spring Goods for every department we are not neglecting the matchless bargains we have and are still giving in Dress Goods, White Goods, Men's and Boys' Suits, Men's, Ladies', Misses' and Children's Shoes. Underwear for all ages and sexes. Fine Shirts with and without collars. Neckwear, Gloves, Handkerchiefs, Hosiery etc.

We want to say in addition to this: We have the very best and prettiest line of new Shirts that we have ever shown, and perhaps the most attractive ever shown in Gastonia. Ask to see our "Red Cross" Shirts.

Morris Brothers' Department Store

Healthy Kidneys Necessary

It does not matter much who made the first pills for the kidneys. It matters a great deal who makes the best ones.

Our belief is that Nyal's Kidney Pills are the best—benefit the largest number of cases. We sell all kinds and willingly supply you any kind you want, but as pharmacists our judgment favors Nyal's.

For young and old, male and female, Nyal's Kidney Pills are of the greatest value—exercising a prompt preventative as well as curative influence, and aiding greatly in maintaining the highest degree of bodily health. Price only 50c.

It will pay you to come to us every time you need anything in drugs, medicines or anything else comprised in our extensive line: our policy is to treat people right.

NYAL'S KIDNEY PILLS

ACTION THIS WEEK.

Clover Building and Loan Association Taking Shape—New School Building Being Discussed—Live News Notes.

Correspondence of The Gazette.

CLOVER, S. C., Feb. 24.—Owing to the fact that legal notice had to be given in one issue of the county paper before organization would be legal, the promoters of the building and loan association had to postpone the meeting for organization from Tuesday until Friday night of this week.

The question of a new school building for Clover is being discussed and ere long we hope to see some decided steps taken to that end. Our present building is not in keeping with our town and we feel sure that a good school building will be a drawing card for a number of new citizens for our town.

A letter from Dr. Pressly in Baltimore, Md., informs his friends here that the trouble from which his little daughter, Elsie, has suffered so long has been located and operated for. The operation was successful and little Elsie is doing nicely. This news was a great relief to the doctor's friends here.

Mr. T. M. Campbell has opened a grocery business in the store room recently vacated by Mr. W. B. Moore.

An unusual number of people are suffering from colds in this section.

Dr. M. B. Nell's baby has been very sick. It is thought to be better at this writing.—Mr. J. H. Jackson's little boy, Roy, has been right sick but we are glad to report it better.—Capt. W. T. Beanguard has a force of hands remodeling the residence of Superintendent Williams of the Clover Manufacturing Company. When these changes are completed it will add wonderfully to the convenience and appearance of this residence.

There has been a number of people visited our town recently with a view of locating here and by the time spring opens we hope to hear the never-ending sound of saw and hammer.—Mr. T. M. Campbell has given Capt. W. I. Brison a contract for a new business house to be located on a lot east of the depot.

MRS. J. H. ELMORE DEAD.

Sister of Miss Matilda Wright, Who Died Monday Night, Passed Away This Morning at New Hope.

At her home in the New Hope neighborhood Mrs. Sophia Elmore, wife of Mr. J. H. Elmore, died at 4 o'clock this morning after an illness of only one week with pneumonia. Mrs. Elmore was about forty-eight years of age and is survived by her husband and two daughters, Ethel and Shirley, aged about 11 and 9 years. She is also survived by one sister, Mrs. T. L. Allison, of the same neighborhood. Another sister, Miss Matilda Wright, died at Mrs. Elmore's home Monday night of this week from the same disease.

Mrs. Elmore was a daughter of the late James Wright and was a member of New Hope Presbyterian church. She was greatly beloved by a large circle of friends, to whom her untimely death is a great loss. The bereaved family has the sympathy of the entire community in their deep grief.

At the time of writing this no arrangements for the funeral have been announced, but it will probably be held at New Hope church tomorrow, Saturday, morning.

ELECTRIC RAILWAY LINE.

(Continued from page 1.)

ing capacity sufficient to cover fixed charges, operating and maintenance expenses for the present.

The grade for the electric line through this beautiful section of country, whose scenic grandeur is unsurpassed, will be comparatively easy, for the ascent of the mountain is gradual from bottom to top. It is needless for The Sun to say that this projection will be of untold benefit to Rutherford county, inasmuch as it will open up a section of country not yet in the process of development, make a ready market for the people, develop magnificent water powers and make Chimney Rock one of the most popular summer resorts in the State, resulting in the building of modern hotels that will be filled with tourists the seasons through. Some ten thousand people visit this popular resort now each season, but with the railway running through to Asheville the number would be increased to fifty or a hundred thousand. The increase in population, money circulation and new industries that would accrue from the road would be impossible to estimate.

The company is now engaged in securing sufficient funds to cover the expenses of a survey, procuring rights-of-way and franchises and the costs of preparing reports to be placed before the underwriters. The surveyors it is said will be placed in the field not later than March 10th.

This route has been under consideration for some time by a representative of a New York bonding company who has been quietly working over the line for the past two weeks. This gentleman informs The Sun man that it is the intention of the company to develop the power on Broad river for operating the road. Besides the contemplations in connection with the building of the lines mentioned above the charter is so drawn as to give the company right to build a line to Tryon in Polk county.

The officers of the company are: Mr. Kenneth S. Finch, of Charlotte, president; Mr. John C. Mills, vice-president; Mr. J. F. Flack, secretary and treasurer, and Mr. W. A. Harrill, one of the directors. The remaining members of the board of directors will be named by the other towns along the line.

Drs. Henry Norris and E. B. Harris and Messrs. C. F. Geer, O. T. Waldrop, M. O. Dickerson, R. B. Clark and other prominent citizens of the town, together with the officers, were instrumental in getting the headquarters of the company established here and have undertaken to finance the Rutherfordton share of the enterprise.

The original incorporators are: K. S. Finch of Charlotte, and Dr. E. B. Harris, J. F. Flack, W. A. Harrill and C. F. Geer of this town.

NOTICE.

The Woman's Foreign Missionary Society of Main Street Methodist church will meet in the ladies' parlor Monday afternoon, February 28, at 3 o'clock. All members are urgently requested to be present.

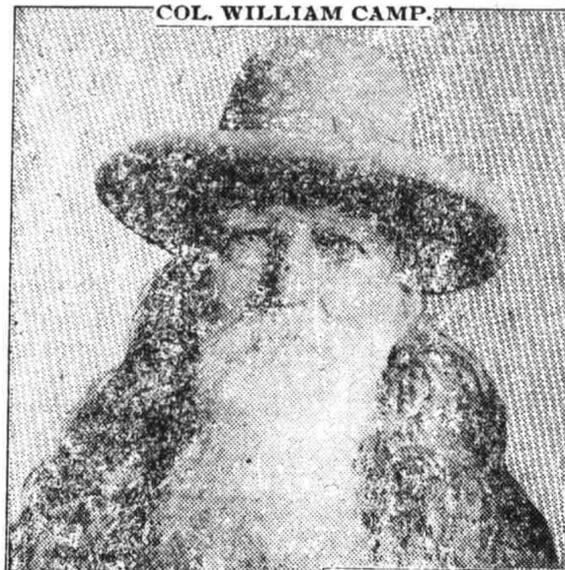

MRS. B. T. MORRIS, Pres.

NOTICE TO MASONS.

The members of Gastonia Lodge No. 369 A. F. and A. M. are requested to assemble in the Masonic hall at 12:30 o'clock tomorrow, Saturday, afternoon and go in a body to take part in the funeral of the late Mr. John H. Craig.

IN WASHINGTON, D. C., EVERYBODY KNOWS

COL. WILLIAM CAMP.

I find Pe-ru-na very valuable for rebuilding of a worn and tired system.

CHIVALROUS, high-minded, impulsive, generous, courteous, courageous, loyal, a believer in good fellowship, a lover of home, magnanimous to enemies, true to friends, is a reputation that any man may well envy.

No man better exemplifies this description than Col. William Camp, whose testimonial is given below. His unique figure and charming personality is well known in the streets of the capital city of the United States. His word is as good as his bond. His frankness and truthfulness no one has ever questioned that knew him.

Read what he says concerning Peruna.

"I write to say that I have used Peruna and find it a very valuable remedy for coughs or colds and rebuilding of a worn and tired system, dissipating and eradicating that old tired feeling."—Col. William Camp, 1740 L St., N. W., Washington, D. C.

MR. CHAS. BROWN, Rogersville, Tenn., writes: "I feel it my duty to write you a few words in praise of your Peruna. I have tried many different remedies, but have found that Peruna is the greatest tonic on earth, and a perfect system builder."

"A friend advised me to take Peruna for indigestion, and it cured me in a short time. I was very weak and ner-

vous, could sleep but little at night, but Peruna cured that tired, all-gone feeling, and made me feel like a new man, so I heartily recommend it to all who are weak and run down. It will give new life and energy."

"I cannot speak too highly of Peruna, and will not forget to recommend it." Peruna is manufactured by the Peruna Drug Mfg. Co., Columbus, Ohio.

BIG STRAWBERRY CROP.

An Increase Over Last Year's Crop Predicted.

Carolina Fruit and Truckers Journal Mr. J. A. Floyd, of the Fruit Growers' Express, predicts an increase in the yield of strawberries the coming season over last year of something like 25 to 50 per cent., which will give us about from 14 to 15 hundred carloads. The Journal is willing to go Mr. Floyd one better and predict a crop of sixteen hundred carloads, and this prediction is based upon the acreage which yielded about eighteen hundred carloads four years ago. That is to say, an equal amount of acreage with that under cultivation this year produced four years ago about 1,834 carloads. Certainly the conditions this year are as favorable as we have ever known them, and as many of the vines now under cultivation are in their second year, we feel rather safe in the prediction of fifteen to sixteen hundred carloads of strawberries or the coming crop. Mr. Floyd, however, is generally on the safe side and we feel no uneasiness whatever about his seeing the predictions he has made more than fulfilled.

DELICATE SCHOOL PROBLEM.

White Teachers in Scotland County Refuse to Receive Children Whose Blood is Questioned and an Interesting Situation is Brought About. Charlotte Observer.

Laurinburg, Feb. 22.—The school question in Scotland is getting critical. The latest development is the closing of the white schools rather than admit the people whose blood is questioned. This is not being done by the county board, but by the white teachers.

This morning in district No. 3 in Spring Hill township five children from two families whose blood is questioned were presented and asked to be admitted. The teacher having no legal right to deny them closed the school and notified the school committee. Having no teacher the school must remain closed for the present. It is reported that numbers of other teachers in the county will do the same if certain children are admitted to their school.

The Sessions case, the big case of interest, is set for trial in the superior court on the 14th of March. It is not believed that this case will relieve the situation regardless of the way it may go.

THE GASTONIA GAZETTE.

TUESDAY, FEBRUARY 25, 1910.

Locates in Hickory.

The following from this week's Hickory Times-Democrat will be read with interest by many Gaston county people: "Hickory deems herself fortunate indeed to add to her social life all at one time, as it were, the three families of Messrs. W. C. Thompson, O. K. McCartney and A. M. West who come here to launch the Thompson-McCartney-West Co., the new dry goods, notions, shoe and furnishing store already referred to by The Democrat in previous issues. To draw three representative North Carolina families all at one time is unusual good fortune. The families of Mr. West and Mr. Thompson have been here for some time. The McCartneys came in from Hendersonville last week and have taken the Martin residence. Mr. McCartney has had a large experience as a merchant in Beckley, W. Va. Mr. Thompson was for 17 years a merchant at Stanley, Gaston county, and for part of this time Mr. West, who is his son-in-law, was associated with him. These able business men have cast their eye over the State at large and even over the border to other States, particularly Texas, in seeking an enlarged field for their energies and capital, and have settled upon Hickory as the most promising location they could find. The Democrat believes that all their expectations will be more than realized."

Say, have you seen Rankin's drug-gets, best 825 values, which are to go at \$17.85 beginning tomorrow.

The North Carolina Association for the Prevention of Tuberculosis meets in Greensboro, March 15-17, 1910, and promises to be the largest public health gathering that has ever assembled in the State.

Dixon-Humphrey.

At the manse of the First Presbyterian church, corner Marietta street and Franklin avenue, last evening at 7:30 o'clock Miss Ella Humphrey was married to Mr. Laban E. Dixon, Rev. R. C. Anderson officiating. The bride is a daughter of Mr. S. P. Humphrey, who lives about two miles out from Dallas. The groom is a well-to-do farmer living on the Yorkville road about a mile south of Gastonia. They drove from the bride's home to Gastonia and after the wedding drove to the groom's home where they will reside. A few intimate friends were present to witness the marriage ceremony. Both have many friends who extend congratulations and wish them a long and happy wedded life.

Mrs. Hardin Entertains.

At her beautiful new home on East Third avenue yesterday afternoon from 3 to 6 Mrs. L. L. Hardin entertained the members of the U. C. Club and the S. and O. Club, besides some invited guests. The rooms were tastefully decorated in ferns and potted plants and Mrs. Hardin was assisted in entertaining by Mrs. W. F. Michael. About twenty-five guests were present, including the members of the two clubs and as invited guests Mrs. Thomas F. Cooper, of Charlotte, who is the guest of Mrs. S. A. Robinson, Mrs. I. J. Rogers, and Mrs. S. A. Robinson. The afternoon was pleasantly spent in playing the entertaining game of "Forty-Two," after which delicious refreshments were served in courses.

Recital Postponed.

The musical recital by pupils of Miss Annie Latimer, which was announced in Tuesday's Gazette for Friday night of this week, has been postponed to next Friday night, March 4th. It will be given in the auditorium of the Central graded school building and the public is cordially invited.
