Monday, April 18th, is the date for the annual celebration of the Calathenian Literary Society of Linwood College. This is one of the interesting occasions of the school year and always draws a large number of interested auditors. Gastonia will, as usual, have a good delegation on hand.

ANNUAL MEETING.

Gastonia Commercial Club Elects Officers and Transacts Other Important Business.

The annual meeting of the Gastonia Commercial Club was held in the club rooms last night. The election of officers for the ensuing year resulted as follows: S. A. Robinson, president; B. H. Parker, 1st vice-president; R. B. Babington, 2nd vice president; J. K. Dixon, Jr., secretary and treasurer. A motion was carried instructing the Industrial Committee to investigate the feasibility of having a "Gaston County Day" at some time this fall. The Public Improvements committee reported that they had taken up the matter of a new union depot and would have a joint meeting at an early date with the board of aldermen on the subject. It is the purpose of the club to begin active work on the project of obtaining a new depot, and it is probable that a delegation will be sent direct to Southern Railway headquarters in Washington.

Moral: Read the Newspapers. Philadelphia Record.

Harvey Hidley, fifty-one, a painter of Reading, Pa., read in a newspaper several days ago that his aunt, Mrs. Mary Uline, had died in Troy, N. Y., and left him an estate exceeding \$100,000. Hidley, who has been employed in that city for a year, wrote to a law firm in Troy and found that the newspaper article was correct.
