Important Word to Advertisers

We wish to remind advertisers that copy for change of advertisements in The Gazette must be in this office not later than 8 a. m. on Tuesdays and Fridays in order to be sure of insertion in the papers of those days. Otherwise we cannot insure insertion. When it comes in later than this it is impossible to give it the proper attention if it can be handled at all. Advertisers who get their copy in by noon on Mondays and Thursdays will secure better display and more satisfactory service in every way as we will then have more time to devote to them. It is as much to the advertiser's interest as it is to ours to have a neat, well-displayed, correct advertisement and to this end we ask your cooperation by getting copy in early and giving us sufficient time in which to properly handle it. New business will, of course, be handled as well as possible and as late as possible before going to press. Penny column advertisements can be handled as late as 1 p. m. on Tuesdays and Fridays. These regulations are necessary because of the constantly increasing demand on The Gazette's advertising department. Mr. Advertiser: Help us to give you the best possible results by giving us plenty of time on your copy.

OLD MAN PECK

Says His Boy Shouldn't be Taken Too Seriously—What He Thinks of E. S. R. and His Tin-Pan Hats.
To the Editor of The Gazette.
I was somewhat surprised to see a letter in a recent issue of The Gazette from my boy, 'Nobody who knows him takes anything he says very seriously. I think he was inspired to write that letter from a contribution that appeared in The Gazette previously signed "E. S. R." I do not know who E. S. R. is neither do I care to know a man that can't afford anything but a tin pan for his wife's hat when cotton is worth fifteen cents, corn one dollar, peas two dollars, eggs twenty-five cents and everything else in proportion. What in the name of gracious did she have on her head when cotton was five cents and eggs eight cents?
I can't control that boy of mine. If he would go down to his grocery store at five o'clock a. m. and go to work instead of riding down at nine in his auto, bought on a credit, he would get along better. Talk about buying cotton mill stock—that chap of mine has no dough and there is none for sale on a credit that I know of. That farm he was talking

He said something about buying The Gazette. Now, my opinion about the newspaper business is that it is like money on trees but the paper tree is so thorny that you can't climb it and that boy of mine won't put forth strength enough to shake it off from the ground.
