THE GASTONIA GAZETTE.

FRIDAY, MAY 13, 1910.

To Preach at A. R. P. Church.

On account of the commencement sermon before the city schools which is scheduled for Sabbath night, the hour for the evening service at the Associate Reformed Presbyterian church has been moved up to 5 o'clock in the afternoon. At that hour Rev. E. B. Kennedy, of Abbeville, S. C., who delivers the baccalaureate sermon at Linwood College Sabbath morning, will preach. Mr. Kennedy is one of the most scholarly ministers of this denomination and Gastonians will enjoy a rare treat in his sermon. This is his first visit to Gastonia.

The Auto-Mountain Trip.

A solid freight train of flat cars loaded exclusively with automobiles was a sight which attracted the attention of many onlookers here Wednesday morning. The train was in charge of Capt. Moore and Mr. Fletcher. It arrived here early in the morning from Chester, S. C., and carried several autos loaded there. At Gastonia the machines of Mr. J. Lean Adams and Mr. R. M. Johnston were added and when the train reached Hickory there were fifteen aboard. Thursday morning a special passenger train ran from Chester to Edgemont to carry the persons who were to make the auto trip across the Blue Ridge pikes. It reached Gastonia at 9 a. m. and here quite a number of people from Gaffney, Charlotte and other nearby towns, together with Mr. Adams and Mr. Johnston, of Gastonia, joined the party. At 3 o'clock Thursday afternoon the party left Edgemont in automobiles for the trip to Linville, Grandfather Mountain, Blowing Rock and other points of interest along the new system of magnificent macadam roads recently constructed in that section so famed for its beauty. The party will reach Edgemont on the return trip Monday afternoon.

CITY FATHERS MEET.

Dr. Anders Re-Elected Health Officer—Depot Committee Makes Report—A New Ordinance Passed—Other Business Transacted.

The city council met Tuesday night in regular monthly session for the month of May, Mayor T. L. Craig presiding. Matters of business were disposed of as follows:

The James Adams Ten Cent Shows were allowed to exhibit in Gastonia for a week for a license fee of \$35.

It was ordered that a sewer line be laid on Fourth avenue between Broad and South streets and also for a distance of 250 feet on Broad street between Third and Fourth avenues.

The matter of supplying the Southern Railway with electric current was referred to the water and lights committee.

The street committee was continued as a committee to investigate the matter of opening up North Broad street.

A report was made to the council from the committee which went to Washington to confer with President Finley regarding the matter of a new passenger depot for Gastonia, the report being essentially the same as given in a previous issue of The Gazette.

Dr. Mc. G. Anders, city health officer, made his report, which was accepted. He was re-elected for another year at the same salary. The report of the treasurer was also heard and adopted.

An ordinance was passed prohibiting anyone from talking to or associating with women of ill repute on the streets or in any public places within the city.

City Tax Collector J. W. Catroll was instructed to collect all unpaid taxes and, when necessary, to force collection of the same.

—Mr. R. A. Miller, Jr., of Lowell, was in Gastonia on business Wednesday afternoon.

Mrs. Francis Koegl, 41 W. Jessamine St., St. Paul, Minn., on November 16, 1909, wrote: "I have used several hair tonics, but there is none that can compare with Parisian Sage. Parisian Sage is creating a sensation wherever introduced. It is not sticky or greasy.
