Correspondence of The Gazette. MOUNT HOLLY, June 1 .- Mrs. Dora Lutz Huffman, whose illness was reported in our last communication, died very suddenly on last Friday, and was buried the day fol lowing at Grace Reformed church, near Newton. A short service was conducted by Rev. W. J. Boger from her home just before the burial party left for Newton. Mrs. Huffman was the wife of Mr. Robert Huffman, and was a native of Catawba county, but had resided at this place for a number of years. She was the mother of three children, two sons and a daughter. These, together with her husband and several sisters and brothers, are left to mourn their irreparable M.ss. Mrs. Huffman was a very large woman, weighing at her death about 280 pounds. Heart failure was the immediate cause of her death. She was a member of the Lutheran church, and was a faithful and devout follower of Christ. Peace be to her ashes, and when the Savior comes may she be a bright gem in that beautiful casket of love.

PHYSICIANS BANQUETED.

Gastonia Druggests Entertain Doctors With Delightful Affair in Commercial Club Rooms—Banquet Served in Crown Cafe—Occasion First of Its Kind Here and Tends to Promote Good Fellowship Between Members of Three-Professions,

The three D's .- doctors, dentists and druggists-held sway in Gastonia Wednesday night. The occasion was a banquet tendered the physicians and dentists of the county by the Gastonia druggists, viz: Adams Drug Company, Abernethy-Shields Drug Company, J. H. Kennedy & Co., Frost Torrence & Co. and the Loray Drug Company. Invitations had been issued a week or more previous and while a few were unavoidably detained, there was a large attendance, there being 29 seated at the banquet table. The druggists, through their chairman, Mr. J. H. Kennedy, spared no pains in providing lavishly for the entertainment and delectation of their guests and it proved to be all that could possibly have been anticipated either by guests or hosts. The hours were from 9 to 12.

Assembling in the parlors of the club room at 9 o'clock the guests spent an hour most pleasantly in social intercourse. At 10 they repaired to the dining room of the Crown Cafe on North Marietta street where Mr. S. S. Morris, the proprietor, had provided a delicious repast, the following menu being served:

MENU American Fruit

National Olives Pickles
Carolina Trout, Cream Sauce
Sliced Tomatoes

Cold Ham Potato Salad
Gastonia Ox Tongue
Gaston Spring Chicken, Fried

Sweet Peas lee Ice Tea

Coffee Cigars

The printed menu cards contained, besides the bill of fare, a number of appropriate toasts.

Following an invocation by Dr. C. E. Adams, Mr. Frost Torrence, of Frost Torrence & Co., who occupied the seat at the head of the table as toastmaster, started the ball rolling and, as the repast progressed, a num ber of speeches were made. Mr. J. H. Kennedy, of J. H. Kennedy & Co., chairman of the druggists' committee, delivered the address of welcome. He spoke as follows:

I have the pleasure of representing my fellow druggists of Gastonia in delivering our word of welcome to our guests of honor,—the medical fraternity of Gaston county, the dental fraternity of Gastonia.

We extend to each of you a most hearty and cordial welcome. We remember most pleasantly the banquet the medical fraternity of Gaston gave in November, 1908, at the Falls House. We also remember that we were guests of honor on that occasion. We have often thought that we would like to return that honor and courtesy, but not until tonight have we been able to consummate our desires. I trust that each of us will enjoy true fraternal fellowship with the others here tonight, and may it be truly said that it was good for us to thus meet and mingle on such an occasion. This "get together event" should result in friendly co-operation and more confidence in our fellows.

confidence in our fellows.

For the most part each one of us has his own work to do, but there are times when we need you and you need us. Let's be true to ourselves and true to our fellows. We are all servants one of another, as for example, the manufacturers are servants to the wholesale, and the whole sale to the retail druggists, and the retail druggists to the physicians and the physicians to the patients, and in all we should be kindly patient.

To the youth life is a dream, but to us it is the real thing. None of us ever rises above his highest ideals. This is said to be a young man's era and our presence proves it. I honor our old men and may we so live that the young men of to-

I am proud of our triune fraternity of Gaston county, the three D's. the doctors, the dentists and the druggists. Let's always remember that we are the custodians of the health of our fellow men. Let's protect them from the great evil of Separk and Mrs. Ba Misses Grace and there while the Me motor to Durham who tend the commencem that the commencem absent several days.

habit-forming drugs. Let's be true men and true to our profession. May it always be said that our triune fraternity represented here tonight is always for the best and highest in morals. Let's work to our mutual advantage, and that will be for the good of all. May we steadfastly stand for high morals, Sabbath observance, law and order, right against wrong, good fellowship, speaking well and not ill of each other. Let us be fellow men. And now with this, I close:

"A health to you,
A wealth to you,

And the best that life can give to

you.

May Fortune still be kind to you,

And Happiness be true to you,

And Life be long and good to you,

Is the toast of all your friends to

you."

Quite a number of impromptu speeches followed, among the speakers being Dr. D. E. McConnell, who responded on behalf of the dentists; Dr. G. R. Patrick, president of the Gaston County Medical Society, on behalf of the physicians; and Drs. C. E. Adams, D. A. Garrison, R. M. Reid, H. F. Glenn, A. Stovall, L. N. Glenn, S. A. Wilkins, H. M. Eddleman, P. R. Falls, J. M. Sloan, O. G. Falls, L. N. Patrick and others. The tenor of all the responses was the expression of a desire for a closer fellowship and completely harmonious feeling of friendship and interdependence between the members of the three professions represented. Several of the speakers dealt with the subject of habit-forming drugs, the extent to which their use extends and the best means of preventing its growth. A variety of opinions, plans and theories were advanced and the discussion of this important topic will no doubt result in good. Those who dwelt especially on this topic were Drs. Garrison, H. F. Glenn, L. N. Glenn, R. M.

Reid, and S. A. Wilkins, In his address of welcome Mr. Kennedy, adverting to the fact that during his connection with the drug business in Gastonia covering a period of twenty-four years, stated history of the town that the druggists had played hosts to the physicians and dentists and expressed the hope that this was but the first of a series of annual events of a similar nature that would prevail throughout future years. From the interest shown by the banqueters last night and the evident enjoyment that all managed to extract from the hour or two of mixing and mingling together, it is easy to understand that the physicians, druggists and dentists all agreed with him in this matter.

Those present were: Drs. H. M Eddleman, C. E. Adams, L. N. Patrick, H. F. Glenn, J. M. Sloan, D. A. Garrison, R. M. Reid, L. N. Glenn, A. Stovall, D. E. McConnell, E. F. Glenn, P. R. Falls, T. A. Stanley Picnic July 1st.

The annual picnic and old soldiers' reunion at Stanley will be held this year on Friday, July 1st. This date is a little earlier than usual and was chosen for the reason that it is thought a better attendance can be obtained before the fourth of July celebrations and other occasions of the kind begin. All the veterans in the county are cordially invited to be present and the occasion will very likely be one of the most largely attended held in the county. Efforts are now being made to secure some speaker of national fame for the occasion and announcement of the definite program will be made later.

Concert to be Repeated.

So great was the success of the concert given by Gastonia local talent at the school auditorium Wednesday night that it will be repeated to-morrow (Saturday) night, in the Gastonia Opera House. This is being done at the request of a number who witnessed the performance Wednesday night and of others who failed to attend and who wish to have an opportunity of enjoying this novel entertainment. All those who took part Wednesday night have kindly agreed to perform again. The price of admission will be 25 and 35 cents, children 15 cents. Doors will be open at 8:30, performance begins at 9. A full rehearsal will be held in the opera house Saturday morning at 10:30 o'clock.

Walking Over National Highway.

B. F. Pearse, the Atlanta man who is walking over the national highway, stopped in Gastonia Tuesday night on his way to Charlotte. Mr. Pearse walked the national highway from New York to Atlanta in six weeks and is now "hiking it" back again. He gets the postmark at each postoffice as he passes through the towns. His walking attire is a suit of engineer's overalls. Mr. Pearse says that the highway between Kings Mountain and Gastonia is in good condition. He also says that the entire road from Atlanta to Gastonia is in good condition for the coming race which begins at Atlanta on June 6th.

SOCIAL AFFAIRS.

At her home in Dallas yesterday Mrs. S. A. Wilkins entertained the members of the U. C. Club most delightfully. There were twelve guests, who went over on the morning train and spent a most pleasant and enjoyable day, returning in the afternoon.

At her home on East Third avenue Mrs. W. F. Michael was hostess Wednesday afternoon from foar to six to the members of the S. and O. Club and a large number of invited guests. Upon arrival of the guests frappe was served by Miss Laura Page. A most delightful afternoon was spent in the pleasant game of trail, and at the conclusion of the game a delicious ice course was served.

At her home on Chester Street Tuesday afternoon Mrs. A. M. Dixon gave a beautifully appointed course luncheon in honor of Mrs. O. Max Gardner, of Shelby, who has been the guest of Mrs. J. K. Dixon. Besides the guest of honor the following were Mrs. Dixon's guests: Mrs. Fred Smyre, Mrs. W. L. Balthis, Mrs. Henry Cleveland, Mrs. J. K. Dixon, Mrs. R. A. Love, Miss Ellen Blair Harvie and Miss Susie Hoffman. The decorations were nasturtiums.

Mrs. J. D. Moore, Jr., was hostess to the Tuesday afternoon Club and a number of invited guests at her home on West Airline avenue this week. Up to the beginning of the ninth inning the score stood 4 to 1 in favor of Loray. In this inning Forest City by making four hits, coupled with a base on balls and an error, scored three runs, tying the score. There was no more scoring until the eleventh inning when Forest City made two runs. The features of the game were the one-hand catch of Clarey. of the Loray team and the hitting of Poag for Forest City, who secured four hits out of five times up.

Want More Time.

It is understood that the Piedmont Traction Company will ask the city council, at that body's regular meeting Tuesday night, June 14th. for an extension of the time limit on its franchise. As originally granted the franchise requires that this concern have trolley cars running by July 1st, 1910. Up to the present time the only actual work done has been the grading of Franklin avenue between York and Broad streets, a. distance of four blocks. It is stated that the company's request for more time is based on the allegation that it has not yet been able to close deals for all the rights-of-way between Gastonia and Mount Holly.

—Mrs. Bynum Long continues quite ill, and was taken Tuesday evening to the City Hospital.

—Dr. and Mrs. D. A. Garrison expect to go to housekeeping next week in one of the Craig cottages on Dailas street. They are now living at the Falls House.
