

CASH

On and after Monday, August 1st, we will sell strictly for cash. By so doing we shall be able to give our customers closer prices on groceries and our full line of general merchandise. We will continue to deliver goods anywhere in town. Phone orders will be collected for by the deliveryman. We respectfully solicit a continuance of the trade of all our present customers and invite those who have not been trading with us to come and get goods cheaper than ever before. Prompt and careful filling of all orders is assured. In the future we will do no credit business whatever; everybody will be treated alike.

REAL ESTATE

I have made arrangements with T. M. Belk, the real estate man of Lancaster, S. C., to handle any lands or property that may be for sale in this section. So if you have anything you want sold I shall be glad to advertise it and sell same on a small commission—no sale no pay. If you have a lot or tract of land close in and suitable for an auction sale, or a large plantation that can be cut up and sold better in small tracts, T. M. Belk, who is also a practical surveyor, will gladly inspect same and tell you how to get the most money out of your property.

If you have anything for sale write, phone or call on me.

Houses Sinking Into Earth in Virginia.

A two-story house and a large tree have been swallowed up in the earth many other residences are sinking and have been abandoned by their occupants and public buildings are endangered as the result of the boring of an 800 foot well in the public square at Staunton, Va.

Wide cracks in the earth are spreading, threatening the postoffice and public school building. The walls of the school house are cracked. Residents are much alarmed and heroic efforts are being made to prevent further caving of the earth.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Mrs. A. S. Anderson's Mother Dead.

Rev. and Mrs. Alfred S. Anderson have returned to Ivy Depot, Va., from Appomattox county, Virginia, where they were, called a few days ago to the bedside of Mrs. Anderson's mother, Mrs. Katherine Isabel Morris. Mrs. Morris suffered a severe stroke of paralysis and after lingering a few days died at the home of her eldest daughter, Mrs. J. W. Cawthon. The remains were taken for burial to Farmville and laid to rest in the family square in the Farmville cemetery on August 12th.

FALLING HAIR

Can Easily Be Stopped, Also Dandruff and Itching Scalp.

If Parisian Sage doesn't stop falling hair, itching scalp, and eradicate dandruff in two weeks, J. H. Kennedy & Co. stands ready to refund your money without argument or red tape of any kind.

Parisian Sage will put a fascinating radiance into any woman's hair in a few days. It quickly cools the scalp and drives away all obnoxious odors. Susanne Calahan, of Hotel Royal, Bucyrus, Ohio, on March 25, 1910, wrote: "Last August my mother's hair began to come out very badly and her scalp was so sore it was very hard to do anything for it. We decided to use Parisian Sage and it proved a GRAND SUCCESS in every way. Her hair stopped coming out, dandruff all disappeared, soreness all left the scalp and her hair is coming in again very nicely. We only used three bottles.

We recommend it to every one needing it and feel that we cannot praise Parisian Sage too highly."

Parisian Sage is sold by druggists everywhere and by J. H. Kennedy & Co. for 50 cents a large bottle. Mail orders filled, charges prepaid, by Gloroux Mfg. Co., Buffalo, N. Y. J8-15-119-24.

HOOPER THE NOMINEE.

Tennessee Republicans Name Ben W. Hooper, of Newport, to Oppose Patterson for Governorship—Alf Taylor the Only Other Candidate—The Platform.

Nashville, Tenn., Aug. 16.—Capt. Benjamin W. Hooper of Newport, Cocke county, was this afternoon nominated for Governor of Tennessee by the Republican State convention which assembled here at noon today. The name of Alfred A. Taylor of Washington county was the only other one presented to the convention and immediately following the announcement of the result of the first ballot the nomination was made unanimous. The ballot stood, Hooper, 382, 9-14; Taylor 201, 5-14. The convention also endorsed the candidacy of B. A. Enloe, independent man, for Railroad Commissioner from west Tennessee.

The independent State-wide prohibition Democrats who have fought Governor M. R. Patterson every step of his official career are expected to support the ticket nominated today as against the regular Democratic nominees, which includes Patterson for re-election, and the coming campaign promises to be one of vigor and bitterness.

THE PLATFORM ADOPTED.

The platform adopted today declares for no backward step in the prohibition laws which were passed over the veto of Governor Patterson and asserts that the State should be re-districted as regards congressional, judicial and legislative districts. It says that the present system of districting is nothing less than larceny of the elective franchise. The platform also favors continuance of liberal Federal appropriations for Federal soldiers, also for Confederate soldiers.

Captain Hooper, was the chief leader of the independent State-wide prohibition factions of the Democratic party which recently elected their candidates for State judicial offices. It is said that the same combination will be in effect in the coming gubernatorial campaign and that the independent State-wide were deeply interested in today's proceedings. Hooper was also the final selection of the Sanders-Evans-Sharpe element of the Republicans.

Captain Hooper is 39 years old and a native of Cocke county. He was graduated from Carson and Newman College with first honors and served two terms in the State Legislature. He was assistant United States attorney of the east Tennessee district and served as captain in the Fourth Tennessee Regiment during the war with Spain. He has been successful in financial affairs and is said to be a man of large means.

YORK AND YORKVILLE.

The Enquirer, 16th.

Misses Mamie Pearson and Nettie Bradley, of Gastonia, N. C., are visiting Misses Hattie and Florence Lilly on Yorkville R. F. D. No. 6.

Miss Hattie Lowry, proof reader on The Enquirer staff, is taking her summer vacation and will spend the greater part of the same visiting friends in Virginia.

It does not often happen that a York county crowd falls to cheer for "Dixie," but it happens some times. It happened at Blairsville last Saturday. Of course, everybody was thrilled with the soul stirring air; but all remained silent for a moment when the venerable Elijah McSwain reminded them of their remissness by giving a lusty hurrah, and asking in a reproachful tone, "Why don't you hurrah for Dixie?" While nobody felt that they had failed to appreciate Dixie as they ought, still Chairman Blair took occasion to call for "Dixie" again later in the day, and the crowd gave a cheer that fully satisfied gallant old Confederate McSwain.

The ladies of the Kings Mountain Chapter Daughters of the American Revolution and the Kings Mountain association are after the vandals who have been firing at and otherwise defacing the monuments on Kings Mountain battleground. They are offering a reward of \$25 for information leading to the detection of the guilty parties and if they can find who is responsible for the mischief it is their purpose to institute a vigorous prosecution under the statute that was passed to cover the subject at the last session of the general assembly. There are a lot of law-abiding citizens in the vicinity of the battleground, who will not stand for lawlessness of the kind complained of, or for any other kind of lawlessness, and now that there is somebody behind the matter to push it for all there is in it, the defacing of the monument had better come to a stop.

A reunion of the heirs of the late J. Harvey Dickson was held at Mr. J. C. Dickson's residence, it being the old homestead, two and one-half

miles north of Yorkville, last Saturday. It was a pleasant event, and was greatly enjoyed by all those present. Of the original nine children, all are living, except one, Mrs. C. J. Roberts. Those living were all present, and are as follows: J. W., Martin L., A. Young, John C., Emmett A., Miss Terrissa Dickson, Mrs. M. L. Stevenson and Mrs. M. L. Ratchford. Of the children, grandchildren, and great-grandchildren, about one hundred and thirty are living, and of this number about eighty were present at the reunion. A sumptuous dinner was a feature of the day. It was spread on a long table under the shade of some trees, and from it were spared none of the dainties of life. After dinner, the crowd was photographed in various groups and positions. The remainder of the day was spent, by the old, in pleasant conversation and reminiscences; by the young, in the numerous ways that young folks are wont to enjoy themselves. Several neighbors were invited to share the pleasures with the home-coming clans.

DEAD AT EIGHTY-THREE.

Mr. R. T. Smith, Prominent Citizen of Clover Section, Passes at Advanced Age—News Notes and Personals.

Correspondence of The Gazette.

CLOVER, S. C., Aug. 18.—A number of ladies met with Mrs. E. W. Pressley Friday afternoon, August 12th, and organized what shall hereafter be known as the Twentieth Century Club for reading, with social meetings once a month. The following officers were elected: President, Mrs. J. D. Duff; vice president, Mrs. James A. Page; secretary, Miss Nell Neill; treasurer, Mrs. E. W. Pressley. There were 17 members enrolled at the first meeting.

Misses Nell and Anna Lee Neill are visiting at Farmer, N. C.—Miss Bessie Jackson left Tuesday afternoon for Hendersonville to spend a few weeks.—Miss Mabel Semrill returned to Chester Monday afternoon after spending a week in Clover, the guest of Miss Annie Clinton.—Mr. Walker Peay, of Chester, is visiting relatives here, the guest of his father-in-law, Mayor W. I. Brison.—Dr. and Mrs. E. W. Pressley are spending a while at Blowing Rock, N. C.—Mrs. Lewis Gwin, of Hickory, spent a few days in Clover, the guest of her father-in-law, Postmaster J. D. Gwin.—Superintendent Thomas T. B. Williams, of the Clover Cotton Manufacturing Company, returned home last Saturday, after spending ten days very pleasantly at Linville, N. C.

Mr. Lester Pursley, of the Thornwell Orphanage, Clinton, is spending the month of August with relatives and friends in and around Clover.—Mr. H. F. Forbes, of Crowders Creek, N. C., spent Sunday night in town, the guest of his daughter, Mrs. F. E. Clinton.—Mr. and Mrs. M. L. Smith left Thursday for New York and other Northern cities. They expect to be gone about ten days.

Mr. R. T. Smith, an aged and respected citizen living about two miles north of Clover, died yesterday afternoon at the ripe old age of 83 years. Mr. Smith has been a deacon in the Clover Presbyterian church ever since its organization. The funeral was held today at 10 o'clock and interment was in Woodside cemetery.

Mr. Will Craig visited friends in Clover and the Bethel section this week.—Mr. Fred Howell, of Gastonia, visited friends and relatives in this section this week.

Socialism Can't Be Sneered Away.

Salisbury Post. A Gastonia dispatch says that the socialists of Gaston county will hold a convention on the 30th to put out a legislative ticket. And, we are reminded by this convention, the Socialists, comparatively few in number, are making a big noise this year. Nor is their propaganda to be laughed away, for once a Socialist always a Socialist, and the ranks of the party have been supplemented from year to year until there is promise that the old parties will have to take a care. The Utopian dream cannot be sneered away and only remedial legislation will be sufficient to silence the dreamers.

Editor Sherrill After the Mendacity Medal Again.

Concord Times. Friday morning about 8 o'clock Mr. John McLelland, who works for the Carolina Bottling Co., saw a big horse fly which he thought he had properly murdered when he pulled its head off. Several hours later he discovered that the body of the fly was still living and he took it over to the cotton platform, where he placed it under the care of Mr. Gus Archibald to see how long it would retain life. It died some time Sunday.

The Victory of Vaccination—The Battle With Smallpox.

The victory of science over smallpox through vaccination is one of the greatest sanitary victories ever won. Jenner, the discoverer of this method of prevention, is considered by many authorities the greatest benefactor of the race that ever lived.

Lord Macaulay, in his History of England, describing the disease in England before vaccination, wrote: "That disease, over which science has achieved a succession of glorious and beneficent victories, was the most terrible of all ministers of death. The smallpox was always present, filling the churchyards with corpses, tormenting with constant fear all whom it had not yet stricken, leaving on those whose lives it spared the hideous traces of its power, turning the babe into a changeling at which the mother shuddered, and making the eyes and cheeks of a betrothed maiden objects of horror to the lover."

In the latter part of the eighteenth century and the early part of the nineteenth century one-tenth of all deaths in civilized countries resulted from this disease. Ninety-five per cent of the population of Europe had the disease at some period of their lives. Every year in Europe 400,000 deaths were caused by this "pesta magna."

Some countries have taken advantage of this great discovery; others have not had the faith in this truth necessary to save. It may be interesting to observe the effect of smallpox where vaccination is compulsory and where it is only optional. Between 1870 and 1874, in three years, an epidemic of this disease in Austria and Prussia caused the death of 162,000 Austrians and 172,000 Prussians. Prussia, profiting by her dreadful experience, passed a compulsory vaccination law; Austria did not. Prussia, with a population 8,000,000 greater than Austria, lost, in the next twenty years 8,500 people from this disease, while Austria during the same time lost 239,000.

Another demonstration of the saving power of vaccination is seen in the French and German armies in the great war between these countries. The French army had not enforced compulsory vaccination; the German army had, and the German soldiers were all vaccinated. Result: The French army lost over 25,000 soldiers from smallpox; the German army, although holding the French prisoners and living with them, lost only 350 from the disease.

Still another demonstration of the protection afforded by vaccination is seen when we compare the annual death rates per million population in countries with compulsory vaccination and those without compulsory vaccination.

Compulsory vaccination: Germany, 1.1; Denmark, 0.5; Sweden, 2.1; Norway, 0.6.

Noncompulsory vaccination: Belgium, 99.9; Russia, 46.3; Spain, 56.3; Hungary, 134.4.

In this connection it is well to remember that it is not claimed that vaccination will always prevent smallpox. It furnishes a protection equal to that of having had the disease; but a few people will have the disease twice.

The Socialists of Guilford county have put out a full legislative and county ticket.

WOMEN'S BEAUTY.

Imperfect Digestion Causes Bad Complexion and Dull Eyes.

The color in your cheeks won't fade, the brightness in your eyes won't vanish, if you keep your stomach in good condition.

This was the advice of a prominent physician to a woman's club in Boston and it is good advice.

Belching of gas, heaviness, sour taste in mouth, dizziness, biliousness and nausea occur simply because the stomach is not properly digesting the food.

The blood needs nourishment to carry vigor, vim and vitality to every part of the body and when food ferments in the stomach enough nourishment is not supplied.

Mi-o-na stomach tablets give instant relief to upset stomachs, but they do more; they put strength into the stomach and build it up so that it can easily digest a hearty meal without giving its owner hours of misery.

Mi-o-na is sold by druggists everywhere and by J. H. Kennedy & Co. at 50 cents a large box. It is guaranteed to cure indigestion or any stomach distress or money back.
