

A Deeper And All-Pervading Cut In Prices

to clean up and make room for advance shipments of Fall Goods that are now coming in almost daily. All new goods arriving during this cut-price sale will be sold at cut-prices. We can only give prices of a few items here:

Mens' \$3.00 to \$4.00 Shoes, Briscoe & Howell make \$1.75 and \$2.28. Ladies' Virginia made Shoes \$1.50 kind 98c. Ladies' Virginia made Shoes \$2.00 kind \$1.39. Ladies' Virginia made Shoes \$2.25 kind \$1.69. Ladies' Virginia made Shoes \$3.00 to \$3.50 kind \$1.98 to \$2.28. Men's and Ladies' heavy Shoes in same proportion. Our cut in Clothing is even deeper than this, but want of space forbids prices here. Just think of good odd Coats worth from \$2.50 to \$3.50 being sold for 98c and \$1.38. Really the best way is to come and see just what we are doing and we are sure your verdict will be same as that of the Queen of Sheba—"The Half Has Not Been Told."

PINCHOT FIRES ONE.

Names the Men Who Are to Blame for the Great Forest Fires.

Washington, D. C. Aug. 26.—Declaring that Senator Heyburn, of Idaho, Senator Carter, of Montana, and Representative Mondell, of Wyoming, have in effect been fighting on the side of forest against the general warfare, Gifford Pinchot, deposed chief forester, today issued a statement asserting that the property losses, death and sufferings from forest fires in the Northwest have been wholly unnecessary. He paid high praise to the efforts of the forest service and called attention to the necessity for further fatalities. He laid the blame for the disastrous fires at the door of men in Congress "who have made light of the efforts of the forest service to prepare itself to prevent just such a calamity," he declared.

Buster Brown's Philosophy.

Resolved, That Tige and I are going to be a terrible, awful good boy. Being good pays. It pays right here and now. You get all the reward that's coming to you and you get it here as well as hereafter. Today is as much a part of eternity as another day. I'm going to commence to be happy right now. Why should I put it off? I don't know anything about tomorrow. I know that if I build a house today I will have a home tomorrow. I know tomorrow will be the result of today and the next world will be the result of what we are here; not what we believe, but what we do. Now what you think you ought to do? Whatever you sow you're going to reap. It's up to you brother.

KINGS MOUNTAIN ITEMS.

The Herald, 1st.

Mr. G. W. Kendrick was last week appointed a magistrate in place of H. P. Allison, deceased, and has opened his office in the same building that was occupied by Mr. Allison.

Mr. and Mrs. J. C. Keller left for Danville, Va., where they will make their future home. Mr. Keller will have charge of the card room of the Dan River Cotton Mills.

Mr. W. W. Boyce, Jr., of Rock Hill, S. C., who has been spending the summer at Black Mountain, arrived here Friday bringing Capt. Dilling's horse and buggy through the country. Capt. Dilling will arrive the latter part of the week.

Mrs. Alice Parker, wife of Mr. W. T. Parker, manager of the Bonnie Mill store at this place, died Tuesday morning about six o'clock after a brief illness, and was buried yesterday at Mt. Paran church near Blacksburg. Mrs. Parker was a Sepoch before marriage and leaves two small children besides her husband to mourn her death.

Miss Jessie Smith, daughter of Mr. S. C. Smith, Kings Mountain Route 1, was badly burned several days ago, her clothing having caught fire from a wash pot. Miss Smith was severely burned on one side and her injuries were very painful for several days, but she is now rapidly recovering.

Mr. Flay McGinnis, a brother of Mr. W. H. McGinnis of this place, had the misfortune of getting his leg broken below the knee last Friday at Crouse, Lincoln county. Mr. McGinnis was driving a four-horse team, hauling a load of logs, when on account of logs falling, he attempted to jump from the wagon, one log falling on his leg mashing it in such a manner that amputation was necessary. This was done by Drs. Crowell and Hoover and from the last reports, young McGinnis is getting along nicely.

CARD OF THANKS.

I wish to sincerely thank my relatives, friends and neighbors for their kindness during the sickness and death of my husband and companion.

SHELBY PASTOR RESIGNS.

Rev. C. F. Sherrill Resigns Pastorate on Account of Throat Trouble — Goes to Charlotte.

The Shelby correspondent of The Charlotte Observer has the following:

Rev. Charles F. Sherrill, pastor of Central Methodist church, has resigned the pastorate of the church at Shelby to become effective the middle of September, at which time he will move to Charlotte, where he goes to accept the position of district manager of the Penn Mutual Life Insurance Company, with headquarters in the city of Charlotte. Mr. Sherrill leaves the ministry at this time on account of his throat affection, which has been growing worse for several months, and his physicians advise the course. It is needless to add that Shelby people generally, regardless of denominational affiliations, regret the departure of Mr. Sherrill and his estimable family, for they are universally popular and highly esteemed in Shelby.

Mr. Sherrill is a brother of Mr. John B. Sherrill, of Concord, and is a graduate of Randolph Macon College, and was afterwards chaplain of that splendid institution. Since he has served the pastorates at Beaufort, Franklin, Lenoir, Newton, and Shelby, twice, and also as presiding elder of the Wayneville, Morganton and Shelby districts. He was pastor in Shelby when the new Methodist church was built here, and it stands as a lasting monument to his energy, zeal and ability. He has served the church this year most acceptably. Large congregations have attended every service and his membership has increased greatly during the year, and especially has he had a strong hold upon the young people and they have been put actively to work in the church. The church and the town would welcome his return here next year to serve this charge, but for his decision to leave the ministry, temporarily at least. All of the progressive movements of the church have always had his heartiest approval and most earnest and zealous leadership, and he is a forceful and effective preacher, and a successful and popular pastor, and leaves this church in fine condition, and the outlook was never brighter. Charlotte is to be congratulated upon the acquisition of this splendid family. Presiding Elder Scroggs will fill the vacancy in the church here until conference in November.

A Useful Invention.

Monroe Journal.

Mr. Walter Trawick, a native of Monroe but who now lives near Matthews, has invented a very useful instrument called a cylinder calculator. Rolls of figures are enclosed in a box, and the figures are so arranged that any numbers can be calculated at a mere glance. It is designed for use in calculating time in cotton mills or elsewhere, for cotton buyers, or for any one who needs rapid calculating. A patent has been applied for and when obtained the instrument will be put on the market. Those who have seen it pronounce it a valuable invention. Mr. Trawick has worked in cotton mills and saw the need of such a thing for counting time of workmen. Mr. J. H. Benton and others are interested in the patent and will work with Mr. Trawick in getting it on the market.

Goes to Asheville.

Mr. R. E. Currence, who has had charge of the department of collections at the First National Bank in this city for several years, has accepted a position with the American National Bank at Asheville, and will leave in a few days to enter upon his new work. Mr. Alex. Biggers, of York county, South Carolina, is now filling Mr. Currence's former position at the First National.

Come to Gastonia next Monday.

We wish to announce that we have just completed the erection of an up-to-date gin plant, consisting of three 80-saw gins, operated by electrical power. It is located near the Gray Manufacturing Co.'s mill at the intersection of the Pisgah and Kings Mountain roads and is well situated for the convenience of the farmers on these two roads. We have also erected a warehouse for handling seed and will keep a supply of cotton seed meal on hand for exchange purposes. This plant, together with the one situated at our mill, gives us a total ginning capacity of 75 bales of cotton per day, consequently we can assure our customers of the promptest and most efficient service.

McNinch's Idea a Canned One.

Wilmington Star.

The Hon. S. S. McNinch, Republican nominee for Congress in the Charlotte district, is supporting Aldrichism and urging the voters of the ninth district to vote for a high protective tariff. The people of that district probably are aware that the McNinch idea on the question is "canned." Republican insurgents all over the country have found that out and certainly the common sense people in the ninth district have also caught on to the fact. It certainly would be a good joke on them if they permit a man of McNinch's caliber to persuade them that what they want is plenty of Aldrichism.
