He would be a heartless father indeed, who did not allay baby's suffering as did Mr. E. M. Bogan of Enterprise, Miss. He says:

COUNTY BUSINESS.

Proceedings of September Meeting of County Commissioners—List of Claims and Bills Paid.

The board of county commissioners met in regular session for the month of September at Dallas Monday, Chairman John F. Leeper presiding and commissioners Falls, Jenkins, Anders and Kendrick present.

B. F. Briggs was released from paying poll tax in Gastonia township, having been erroneously listed for taxation in two townships.

The superintendent of roads was instructed to inspect the proposed public road running from the Dallas-Cherryville road near the old Caleb Pasour place to the Gastonia-Bessemer road as petitioned for by R. C. Ormand, J. J. O. Pasour, W. R. Turner and others, and to report to the board on the advisability of adopting same as a public road.

J. B. Queen, of Crowders Mountain township, was exempted from paying poll tax on account of physical infirmities.

Lizzie Hampton was declared a pauper and allowed to go to the county home.

The superintendent of roads was instructed to examine the proposed public road from the corporate limits of the town of Gastonia near R. W. White's to the macadam road leading from Dallas to Cherryville and report to the board on the advisability of adopting same as a public road.

A. G. Mangum was elected county attorney for a period of 12 months from date at a salary of \$100 per year.

Ransom Surratt was declared an outside pauper and allowed \$4 per quarter with J. W. Kendrick as agent.

The following resolution was adopted: Whereas the board of county commissioners did, in accordance with Chapter 89, Revision of 1905, and as amended by the General Assembly of 1907, order an election to be held in Stanley Special School District, River Bend Township, Gaston county, to decide the question "Shall there be levied an annual tax not to exceed 30 cents on the \$100 valuation of property and 30 cents on each taxable poll to supplement the public school funds which may be apportioned to said district by the County Board of Education, in case a majority of the voters of said district may declare for the special tax?" Said election was held on the 20th day of August, 1910 and "For Special Tax" received 77 votes, "Against Special Tax" received 15 votes. Total number of registered voters was 109, all of which will appear upon the original returns set forth below, to wit: Total registered voters, 109; total vote cast, 92; for special tax, 77; against special tax, 15. It is therefore ordered and adjudged that "For Special Tax" carried, as will appear upon the original returns.

Messrs. M. D. Dellinger and R. L. McLurd submitted a written protest against the levying of a special tax as a result of the above election, which protest was ordered recorded upon the minutes.

It was ordered that Chain Gang No 1 go to the Upper Stanley road and build three miles of road formerly surveyed and ratified, when work is completed on the Spencer Mountain road and repairs made on the Gastonia and Lowell road. It was further ordered that when the upper Stanley road is completed gang No. 1 shall go to Gastonia and New Hope road and build six miles of road, on condition that the petitioners for said road pay the sum of \$1,500 or 3,000 yards of stone to Gaston county, failure to make such payment to invalidate this order to build the road. It was further ordered that Chain Gang No. 2 should complete the present work on the Gastonia and Bessemer City road and then go to the Linwood and Pisgah road. Should the people on any road on which the chain gangs are working fail to furnish sufficient stone, work will be moved to another road.

Very Bad Cough. Pe-ru-na Stopped It.

DAUGHTER OF MRS. J. M. BROWN. Mrs. J. M. Brown, Dunnegan, Mo., writes: "My little daughter, three years old, was troubled with a very bad cough which remained after an attack of catarrhal fever, which was a great deal worse than night."

"She would wake up out of her sleep and cough until I feared she could not stand it."

"Nothing that we gave her seemed to do her any good. I then concluded to send for Dr. Hartman's book entitled 'The Ills of Life,' which I promptly received."

"I at the same time commenced giving her Peruna. She has taken one bottle in all, through which she has obtained a complete cure."

"She also since her birth was troubled with indigestion, but since she has taken Peruna she can eat almost any kind of food without any bad results."

"She is now as well and happy as any little girl can be. When our friends say how well she looks, I tell them Peruna did it."

"I shall always be a friend of Peruna, as I consider it the best medicine for coughs and indigestion we have ever tried, and will recommend it to any one similarly afflicted."

MRS. LYDIA J. SPOONER, Santa Monica, Cal., writes that they are never without Peruna in the home, that they find it the finest family remedy they have ever used.
