

UNDER OATH

Three good men took stock and appraised the Williams Furniture Co.'s bankrupt stock. The stock inventoried

\$3,529.44

Factory Cost, Less the Freight. This stock is for sale beginning

Saturday Morning, October 1st

Sale will continue until closed out. Those coming early will have choice of the stock.

The people tell me that the Williams Furniture Company always kept a good stock. I have been out of the furniture business for ten years and am not posted, so will leave it to your own judgment. I am Going out of the business again as fast as this stock will move.

If you think of buying between now and January first, you will make money by buying now.

A 30 or 60 day bankable note is as good as cash with us.
