THE GASTONIA GAZETTE.

TUESDAY, SEPTEMBER 27, 1910.

Mr. Webb Campaigning in Mecklenburg.

Tuesday's Charlotte News.

Hon. E. Y. Webb is a distinguished visitor in the city today. Mr. Webb will have busy days and nights from now until November third. He is young and strong physically, as mentally, and is eager and ready for the race. As was seen by the report of the Democratic executive committee meeting Saturday, in The News of Sunday, he will give Mecklenburg a good deal of his time.

At the meeting Saturday it was evident that Mr. Webb was wanted by Mecklenburg as a whole. He was wanted where there were Republicans to counteract their influence; and by places where there are no Republicans to strengthen the vote. He will give himself as freely and fully as possible, going wherever the executive committee thinks he is most needed.

SLUGGERS ARE SUCCESSFUL.

Loray Ball Players Won Two Games From Clover Saturday — Have Played Twenty-Five Games and Have Lost Only Four This Season.

Correspondence of The Gazette.

LORAY MILLS, Sept. 26.—The Clover, S. C., team came to Loray Park Saturday and played a double-header with the Loray Sluggers, the home team winning the first game by a score of 4 to 1 and the second by a score of 6 to 3. There was good playing on both sides.

In the first game the batteries were as follows: Loray Sluggers—Daggenhardt and Willis; Clover—Farris and Hagens. Daggenhardt struck out ten Cloverites, allowing nine hits. Farris, for Clover, struck out 6, allowing seven hits.

In the second game the batteries were the same. Seven innings were played. Daggenhardt struck out eight men, allowing six hits. Farris, for Clover, struck out five, allowing eight hits.

The Gastonia people, it seems, do not appreciate bood baseball. At least they do not come out to the games like they should. The Sluggers have been doing most excellent work all this season and have had no outside assistance. This team has played twenty-five games and have lost only four of that number. The boys deserve some help and encouragement from Gastonians. They ought to have it.

Taft Trying to Bait the Insurgents.

Wilmington Star.

President Taft withheld patronage from insurgent Senators and Congressmen, hoping to conquer them by keeping them away from the pie counter. It drove them further away from him and now he has realized their power he is endeavoring to bait them back by offering to let them have their own way about patronage in their States. The trouble with Republican administrations and Republicans generally is that they lay too much stress on the pie counter. Like President Taft said about the Republicans in North Carolina, it would be a good thing for him if he didn't have any patronage to make use of in attempting to control self respecting Senators and Congressmen.

DOING THEIR DUTY.

Scores of Gastonia Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty.

When they fail to do this the kidneys are sick.

Backache and many kidney ills follow;

Urinary trouble, diabetes.

Doan's Kidney Pills cure them all.

Gastonia people endorse our claim.

Mrs. J. P. Turner, 286 Loray Mill

House, Gastonia, N. C., says: "I feel that it is my duty to recommend Doan's Kidney Pills so that other sufferers from kidney trouble may know what remedy to use to obtain relief. Kidney complaint had me in its grasp for several years and at times my condition was serious. Doan's Kidney Pills were finally brought to my attention and as I had obtained no relief from the several remedies I had previously used, I procured a box at the Abernethy-Shields Drug Co. They strengthened my kidneys and improved my health in every way. Since then I have had no symptoms of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

CONFEDERATE MONUMENTS.

United Daughters of the Confederacy Raising Fund to Erect Monuments at Arlington and Shiloh.

To the Editor of The Gazette.

The United Daughters of the Confederacy are anxious to erect two monuments, one at Arlington, Va., and one at Shiloh, Tenn.

Arlington was the home of our beloved General Robert E. Lee. The United States Government at the close of the war took possession of this lovely place and made a national cemetery there. Recently they have given the South a part of this for a cemetery, and it is here that the United Daughters of the Confederacy want to erect a monument to our brave Confederate soldiers—a monument that will tell to the world the glory of the Confederacy. Arlington is near Washington City, D. C., and is visited by thousands from every country every year.

Shiloh is near Pittsburg's Landing, Tenn., on the Tennessee river. Here was fought that most frightful battle, so full of tremendous results to the whole country, a battle on which hung the life of the Confederacy. General Albert Sidney Johnson was killed here. The South lost 10,000 soldiers, the North 13,000. In one trench alone lie 4,000 Confederate dead. This is not an obscure place. Many handsome monuments are erected every year by the North. The South has yet to erect hers. Distinguished foreigners go to Shiloh to go over the battle lines and to study the strategy of that battle. Hundreds of private citizens go there every month, for it is one of the most beautiful military parks in America.

It is here that the United Daughters of the Confederacy, all over the country, are wanting to erect a handsome monument. The Gastonia Chapter United Daughters of the Confederacy are anxious to help in these two great works. So we ask every child in the school to bring two pennies, one for each monument. If they wish to give more the chapter would be glad. They would also appreciate contributions from anyone.

A DAUGHTER.

GOT 'EM BAD.

Greensboro Record.

The Portland Oregonian has a real bad case of jimmies over the recent election in Maine and the doings elsewhere of a political nature. The Oregonian is a Republican paper and is sick at the craw. In a recent issue it printed this:

'What is insurgency?

A sort of epidemic which has spread all over the United States.

For what object?

To split the Republican party into two factions.

What is the result?

Thus far the election of Democratic Congressmen in districts that have always been safely Republican.

Is the disease spreading?

Read the returns from Maine.

"As Maine goes, so goes the Union."

What is the remedy?

There is none. The Democrats are playing both ends against the middle. That party presents a solid front.

Will the next Congress be Democratic?

Maybe two to one.

What about Oregon?

The worst duck in the puddle.

Will Oregon elect a Democratic governor in November?

Possibly.

How about Congressmen?

We are worried. But what's the use?

There is no Republican party in Oregon.

What has become of the party that elected Taft?

Ask Roosevelt.

The paper is sick, very sick. It has tried to remedy things, but has failed and has given up the ghost.
