

Your Patronage Solicited

We wish to announce that we have just completed the erection of an up-to-date gin plant, consisting of three 80-saw gins, operated by electrical power. It is located near the Gray Manufacturing Co.'s mill at the intersection of the Pisgah and Kings Mountain roads and is well situated for the convenience of the farmers on these two roads. We have also erected a warehouse for handling seed and will keep a supply of cotton seed meal on hand for exchange purposes. This plant, together with the one situated at our mill, gives us a total ginning capacity of 75 bales of cotton per day, consequently we can assure our customers of the promptest and most efficient service.

NEWS FROM CATAWBA COLLEGE

Correspondence of The Gazette.

NEWTON, Oct. 5.—Last Monday Lenoir College went down in defeat against the strong Catawba College team on the latter's field by a decisive score of 44 to 0. The visitors were completely outclassed. It was nothing but a practice game for Catawba. Whenever Lenoir would get the ball they never could make their distance. Of the two times they got the ball on the third down each time the ball went over to Catawba. They seemed to be outclassed in every way.

Next Wednesday, October 12th, the Catawba team leaves for Asheville. Coach Tom Warlick is highly pleased with his team, and expects to make a good showing at Asheville. He will take eighteen men along.

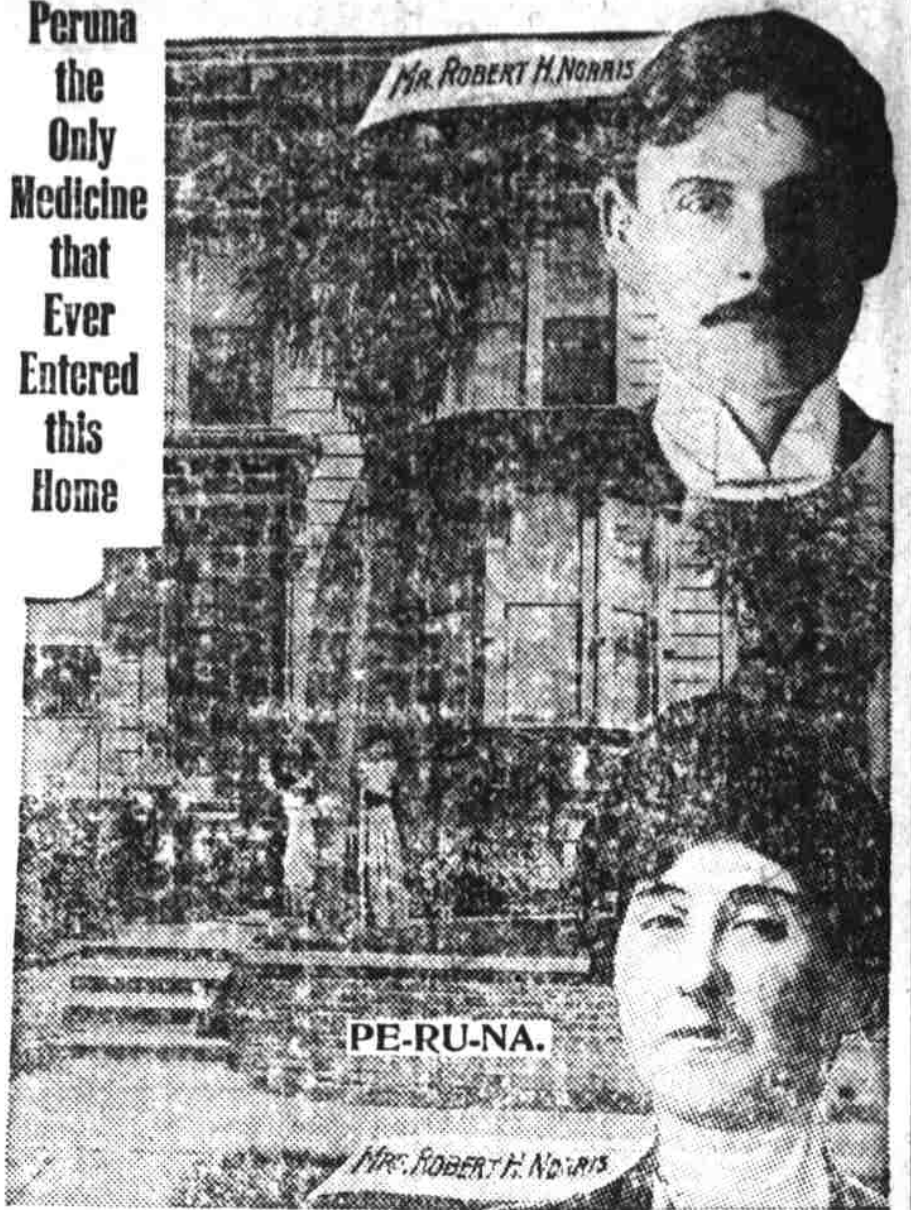

Rev. Mr. Peeler, of Winston-Salem, was on the campus today visiting his brother. He conducted the chapel services for the students this morning. He is a brother of Mr. Clifton Peeler, of the college, and an alumnus of Catawba College.

Among the new students to enter this week are, Miss Nannie Phillips, Miss Setzer and Mr. Schram, all of Newton.

The students gave quite a demonstration Monday night celebrating their victory over their old rival, Lenoir College.—Mr. Chester Crowell, of the college, has returned from Knoxville, where he attended the Exposition.

Peruna the Only Medicine that Ever Entered this Home

I Suffered with Kidney Trouble.

Mr. Robert H. Norris, 506 East 11th St., East Oakland, Cal., writes: "We have never had any other medicine but Peruna in our home since we have been married. "I suffered with kidney and bladder trouble, but two months' treatment with Peruna made me a well and strong man. "My wife felt weak and was easily tired and was also troubled with various pains, but since she took Peruna she is well and strong. "We are both very grateful to you and gladly do we give this unsolicited testimonial, feeling that it is the least we can do in return for what Peruna has done for us."

Catarrh Entirely Relieved.

Mr. Ira Henney, Fairfield, Freestone Co., Texas, writes: "I am completely cured of all symptoms of catarrh. "I can truly say that Peruna is the best medicine I ever saw. I will always recommend Peruna to all my friends, for catarrh."

Catarrh of Head.

Mr. C. Hallock, Antwerp, Ohio, writes: "My daughter Allie, after taking three bottles of your Peruna, is entirely cured of catarrh of the head of two years' standing. We recommend Peruna to anybody who has catarrh." Peruna is manufactured by the Peruna Drug Mfg. Co., Columbus, Ohio.
