FRIDAY, NOVEMBER 11, 1910.

We can all get down to business now—and don't forget that part of your business is to boost Gaston and Gastonia.

Since the election is a thing of the past there are several things that our people should turn their attention to. The matter of draining our creeks and thereby reclaiming waste lands and improving health conditions is of prime importance.

The ladies of the Woman's Betterment Association, and especially those constituting the committees having the matter in charge, are to be congratulated on the success of their first annual floral fair held last week.

The table showing the official vote of the county in Tuesday's election could not be completed in time for this issue without delaying the mailing of the paper, and will appear in Tuesday's Gazette next week.

TRY THIS FOR CATARRH.

Get a HYOMEI (pronounce it High-o-me) outfit today.

Pour a few drops from the bottle into the inhaler that comes with each outfit, and breathe it in four or five times a day.

Immediately you will know that HYOMEI soothes and heals the inflamed and irritated membrane.

But HYOMEI does more than soothe and heal: it kills the germs, those persevering pests that are at the root of all catarrhal conditions.

"Last year I suffered terribly with catarrh. I used one bottle of HYOMEI, and my catarrh was better."

Miss Helen McNair, Loyalton, Cal. A complete HYOMEI outfit, including a bottle of HYOMEI, a hard rubber pocket inhaler and simple instructions for use, costs only \$1.00.

If you now own a Hyomei inhaler, you can get an extra bottle of HYOMEI for only 50 cents at J. H. Ken-

nedy & Co's. and druggists everywhere. Guaranteed to cure catarrh, croup, asthma and sore throat, or money back. 11-25.

to you how much satisfaction there is in having a piece of repair work done right? The broken ring or brooch or any other piece of jewelry, put in as good a shape as when it was new, or the watch that had lost its value as a time-keeper, restored to its original condition when it kept the time to the minute?

That's the kind of repair work we do. Besides, we see that it is done promptly, so you don't have to wait a long time.

Won't you try us? We believe it will pay you.
