A very interesting case is being tried in the United States circuit court at Columbia, S. C., in which the United Commercial Travelers Association is resisting the payment of a \$5,000 accident policy to the widow of W. G. Houghton, of Spartanburg. The defendants claim that the bloodpoisoning which caused his death resulted from a finger scratch on his nose, his widow claims that the bloodpoisoning resulted from being struck by the nozzle of a hose accidentally.

—For the first time in many years Charlotte is to have a baby show. The event is to take place December 10th under the auspices of the Woman's Club.
