Visited Westminster.

Rev. R. C. Anderson and Dr. C. E. Adams, of Gastonia, spent a day last week at Westminster School, Rutherford county. They were guests in the evening at a dinner given by the principal, Rev. J. K. Hall, at which the faculty and others were present. They found this school, which is under the direction of the Presbytery, in a most flourishing condition. A handsome 24-room dormitory has just been completed and is now ready for occupancy. A splendid water-works system is being installed which will furnish water to all the buildings. The water is obtained from a bold spring from which it is conducted into a splendidly constructed concrete reservoir. There are over a hundred boarding pupils. Under the supervision of Mr. Hall Westminster School has prospered greatly. Gaston county is well represented in the student body, there being 23 from this county enrolled this year.

Meeting Closes.

The protracted meeting which had been in progress at the Loray Presbyterian church for a week closed Sunday night and Rev. M. McG. Shields, who did the preaching, left yesterday morning for his home in Greensboro. The meeting was a success and the religious life of the community was greatly strengthened by it. There were about twenty professions of faith. After the holidays Mr. Shields will go to Cleveland, N. C., to conduct a meeting. He has charge of the home mission work of the North Carolina Synod and the year ending October 31st was one of the best in the synod's history from the standpoint of home missions.

HAPPY RESULTS.

Have Made Many Gastonia Residents Enthusiastic.

No wonder scores of Gastonia citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Gastonia by Doan's Kidney Pills.

S. L. Jenkins, 3 Trenton Mill House, Gastonia, N. C., says: "I have the utmost confidence in Doan's Kidney Pills, having used them with beneficial results. For a long time I was subject to attacks of backache and when the trouble was at its height, I was in misery. Though I used several remedies, nothing helped me in the least. Finally I heard of Doan's Kidney Pills and procured a box at the Abernethy-Shields Drug Co. I had not used them long before their beneficial effect was noticeable and I was soon rid of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

Remember the name—Doan's—and take no other.
