### MOUNT HOLLY MATTERS.

Three Weddings Wednesday—Drug Company in Handsome New Quarters—Young People Home for the Christmas Holidays.

Correspondence of The Gazette. MT. HOLLY, Dec. 21.—The Mt. Holly Drug Company has moved into the new brick building recently erected by Messrs. M. L. Lantz and J. B. Henson for this successful and enterprising firm. This building is one of the most attractive business houses in the town. The exterior front is built of beautiful red brick, trimmed in granite, with windows of solid plate glass and transoms of beautiful prism glass. The walls of the interior are painted in green, while the ceiling is of a cream tint. The fixtures, show cases and all other conveniences are of the latest design. The firm consists of Capt. W. F. Holland, who has been in business here more than 20 years, and his two sons, Mr. Willis Holland, who is the competent pharmacist and prescriptionist, and Mr. John Holland.

Wednesday, December 20th, was a day of marrying and giving in marriage for Mount Holly, there having been three weddings during the day. At 2:30 p. m. Miss Maysie Rankin, daughter of Mr. and Mrs. William Rankin, was united in marriage to Mr. Alexander McConnell, of Lowesville. At 3:30 another marriage or unusual interest was celebrated, when Miss Hattie Hoover, daughter of Mr. and Mrs. Houston Hoover, was married to Mr. Howard Cloninger, of Stanley. Rev. J. A. Bowles, pastor of the Mount Holly and Belmont Methodist churches, officiated in both instances. Then at 8 p. m. Miss Johnnie Lineberger was led to the hymeneal altar by Mr. R. C. Richardson, of South Carolina, the ceremony being performed in the Lutheran church by the pastor, Rev. W. J. Boger.

The Christmas holidays will bring many of our young people who are off attending school home on a visit to friends and loved ones. Messrs. Russell Kale and Richard Davenport, of the A. and M. College at Raleigh; Excell Rozzelle, of Trinity; Fred Cannon, of Augusta Military School; Misses Mary Rhyne, Mary Hutchinson and Dorothy Nims, of Elizabeth College, Charlotte; and Miss Fay Davenport, of the State Normal, Greensboro, have already come in.

### SHARP, STABBING PAINS

Generally Tell of Sick Kidneys — A Gastonia Resident Shows You the Cure.

The sharp twinge of pain in the small of the back that strikes you after any sudden twist or awkward motion, tells of weak, sick kidneys. Early sign of weakened kidneys are: Backache, lame back, sharp, darting pains, dizzy spells, tired-out state, disturbances of the urine—too frequency. And there are usually frequent urination, scalding or burning pain during passage, discolored urine and sediment.

Doan's kidney Pills are prepared especially for sick, weakened kidneys, backache and urinary disorders—have cured thousands of such cases. Doan's are endorsed throughout the civilized world—are recommended by Gastonia residents.

W. P. Waldrop, Loray Cotton Mills, Gastonia, N. C., says: "I consider Doan's Kidney Pills a very reliable remedy and I give them my highest endorsement. I took this preparation for a pain over my kidneys and it brought me prompt relief at the same time making my health a great deal better."

### BESSEMER BRIEFS.

Correspondence of The Gazette. BESSEMER CITY, Dec. 21.—The smallpox patient, Mr. James Caldwell, is in a very serious condition. He was taken sick in the old hotel building, almost in the central part of town and consequently the business men are in more or less danger, not only so, but the people of the town and surrounding country are in danger. Dr. Glenn and the officers of the town, this Wednesday afternoon, removed the patient to the pest house. The disease is at the pustular stage now and in a few more days the danger will be greater because then the scales will begin to drop.

The Atlas Manufacturing Company has installed some new machinery for the purpose of stamping the name of the company on the cement bags they are now making. This is something new in the mill business here. It looks now that the mills ought to do pretty well with their products and it would be a great thing for this section if they could get in a better shape.

Mr. Horace Robinson is visiting relatives in town.—Mrs. S. J. Durham, spent Monday in Charlotte shopping.—Dr. Royster will spend the Christmas time with home-folks.

### MR. MONTAGUE DEAD.

Proprietor of Falls House Dies in Charlotte Sanatorium After Illness of Some Time—Funeral and Burial at Belmont This Morning.

Mr. J. E. Montague, owner and proprietor of the Falls House here, died early yesterday morning at the Charlotte Sanatorium where he had been undergoing treatment for several weeks. Death was due to a stomach trouble. Mr. Montague had been in falling health for the past several months but had looked after his business until a few weeks ago. He was about 60 years old and was originally from Dubuque, Iowa.

Deceased came to Gastonia about two years ago and purchased the Falls House from the heirs of the late J. L. Falls. He had personally conducted it since. Mr. Montague was an experienced hotel man, having been connected at one time with the Orton House, Wilmington; the Hickory Inn, at Hickory, and other hotels.

None of his relatives or business associates were in town today hence The Gazette is unable to say what changes his death will cause in the management of the hotel. During his recent illness his only daughter, Mrs. Clinard, has been in charge and it is understood that she will continue to have charge of the house.

Funeral services were held at St. Mary's, Belmont, at 11 o'clock this morning, interment being in the cemetery there. A number of Gastonians attended. Mr. Montague was a member of the Catholic church and a prominent member of the Knights of Columbus, a number of members of that order at Charlotte acting this morning as an escort for the body.

—Mr. Scott Loughridge spent Sunday with friends in Rock Hill, S. C.—Mr. Miles Henderson, of Lincolnton, is spending the holidays with relatives in the Union neighborhood.

### YOUNG MAN BADLY CUT.

Negro Slashes Mr. Charles Hord at Loray Last Night—Twenty Stitches Taken in Wounds—Condition Not Very Serious.

Charles Hord, an employe of the Loray Mills and a nephew of Policeman A. B. Hord, was badly cut about 11 o'clock near the Loray Mill by an unknown negro. Several ugly gashes were made on his face and shoulders. Dr. D. A. Garrison was summoned and dressed the wounds, twenty stitches being required for the most serious cut. Hord was carried into a house near where the cutting occurred and was removed to his home this morning about 5 o'clock. His condition is not considered as dangerous.

Hord and two or three companions were at the depot when No. 35 came in to meet a friend. As they went

toward the Loray, it seems, they were blowing horns. Several negroes were a short distance ahead of them and objected to the noise. From this a difficulty arose resulting in Hord's injuries. The police authorities arrested a negro youth this morning and placed him behind the bars to answer to the charge but it is not known that he is the right one.

—The Gastonia Chapter, U. D. G. will meet in the chapter room on Friday afternoon, December 29th, at 3:30 o'clock.

—Messrs. Gregg Cherry, John Fayssoux, Francis Whitesides and S. B. Hovis, of Bessemer City, part of Gaston's delegation at Trinity College, Durham, have arrived at their homes to spend the holidays. Mr. H. B. Gaston, of Lowell, has been at home for some time on account of a broken collar-bone, sustained while playing basket-ball.

# MAN IS NEVER SATISFIED

And we plead guilty to the Charge.—While we are profoundly grateful for the splendid patronage received during the past, we are entering upon the most sensational trade-getting prices ever projected by this firm. Every article of merchandise will come under the ban of Must-be-Sold prices:

Clothing, Shoes, Hats, Dress Goods, Shirts, Underwear, Gloves, Hosiery, Trunks, Suit Cases, Neckwear, and in fact everything in stock will suffer the DEEP CUT in prices. :: :: :: ::

It isn't worth while wasting space to name prices here, as you know as well as we, that printed prices amount to nothing unless you see the goods.

We invite you to come see the goods and let us name the prices.
