## SATURDAY'S PRIMARY

### THE NEW TICKET IN BY A GOOD VOTE

Though Only One Ticket Was in the Field and no Fight Was on Three Times as Many Votes were Cast in Saturday's Municipal Primary as in Municipal Election Two Years Ago—Alderman-to-Be S. S. Shuford Lead Ticket—School Commissioners not Named—A Quiet Day.

Despite the fact that last Friday, on the day previous to the municipal primary, the old mayor and board of aldermen withdrew from the race, leaving only the new or reform ticket in the field, a good vote was cast in Saturday's primary which was held for the purpose of nominating a mayor, seven aldermen, seven school commissioners and seven members of the city executive committee. The whole number of votes cast was 372 as against 111 votes cast for the entire ticket in the regular municipal election two years ago. Had there been a spirited contest, as seemed likely earlier in the week, it is safe to say that the vote would have run to more than 1,000. Mr. S. S. Shuford, the nominee for alderman from the sixth ward, lead the ticket with 372 votes.

Following is the vote according to the official count:

|                            |     |
|----------------------------|-----|
| For Mayor, C. B. Armstrong | 369 |
| For Aldermen:              |     |
| Ward 1—V. E. Long          | 369 |
| Ward 2—L. E. Beal          | 369 |
| Ward 3—S. S. Shuford       | 369 |
| Ward 4—T. M. McEntire      | 369 |
| Ward 5—A. E. Moore         | 369 |
| Ward 6—S. S. Shuford       | 372 |
| Ward 7—Marshall Dilling    | 370 |

Messrs. T. L. Craig, A. M. Dixon and W. T. Rankin each received one complimentary vote.

Because, probably, of the fact that for several days previous all interest had centered in the naming of a mayor and a board of aldermen, no thought was given to selecting a board of school commissioners and a city executive committee and hence no votes were cast for anyone for those offices. Just how the citizens will handle this matter has not been definitely determined. It has been suggested by quite a number that the citizens executive committee call a mass meeting for this purpose to be held within the next week or ten days. Another suggestion has also been made, namely that the citizens of each ward get together and select the men they want on these two boards and let them be voted on in the general municipal election on May 6th.

There have been some rumors afloat to the effect that there was talk in some quarters of the possibility of an independent ticket coming out for the election May 6th. However, the sage local politicians and the conservative citizens generally give no credence to such a rumor. The primary, by all the rules of Democracy, is almost universally accepted as an expression of the will of the majority and as final. A well-known citizen remarked this morning that should anyone have the hardihood to come out after the primary and offer for election in the general election, he would undoubtedly be defeated by an overwhelming majority. This is a Democratic country, where the principles of Democracy prevail, and the people will not brook any going beyond the accepted rule of government in this kind of a thing. Hence it is evident that the rumor of an independent ticket is all talk and nothing more.

## FRIDAY SANITARY DAY

### TO BE OBSERVED BY CITY SCHOOLS

### Sanitary Committee of Betterment Association Arranges for Big Health Rally Friday Night—Speaker of State-Wide Reputation to Be Here—Miss Iberia Settlemeyer Wins Prize for Best Essay on "What Gastonia Should Do to Improve Her Sanitary Conditions."

To increase the interest of the pupils of the city schools in sanitation the Woman's Betterment Association, through its sanitary committee, decided to offer a prize of \$5.00 to the pupil of the sixth, seventh, eighth or ninth grade that would write the best essay on the subject, "What Gastonia Should do to improve Her Sanitary Conditions."

Six pupils entered this contest. The grades were represented as follows: Ninth grade by one; eighth grade by two; seventh grade by one; sixth grade by two. The papers were submitted to judges selected by the committee on sanitation. Fictitious names were assigned to the papers so that the judges would not know whose paper was being passed on. The judges have finished their work, reporting in favor of the paper signed "A Modern Sanitarian." This was the name chosen for Iberia Settlemeyer, a member of the seventh grade at the Loray school.

The committee on sanitation has decided to have "Sanitary Day" next Friday. A noted speaker has been invited and an excellent musical program is being prepared. At this time the prize paper will be read by its writer.

Remember the time and place: The auditorium Friday evening at 8:15. Every one, big and little, should come. This is going to be one of the most pleasant and profitable occasions within our reach in a long time. Interspersed with the other parts of the program are a number of excellent vocal numbers, solos, quartettes and double quartettes.

In Thursday's and Friday's papers we will try to give the complete program. Watch for it.

## MRS. S. A. GILFILLAN DEAD.

In the death of Mrs. Gilfillan not only the bereaved husband, but the entire community feels a distinct loss. By all of these she was greatly loved and admired as a woman of the best and truest type, a devoted Christian and loyal friend. The bereaved husband and other relatives have the deep sympathy of a large circle of friends in their sorrow.

## IN TWO SECTIONS.

### Beginning May 25th Southern Fast Trains Nos. 37 and 38 Will be Operated Thus.

WASHINGTON, D. C., April 18.—Southern Railway trains, Nos. 37 and 38, the "New York, Atlanta, and New Orleans Limited," will be regularly operated in two sections, beginning Sunday, May 25th, according to announcement made today by Vice President and General Manager E. H. Coapman. The first section will carry only Pullman sleeping cars, chair car, observation car, club car and dining car. The second section will be made up entirely of mail and express cars.

This additional service has been arranged by the Southern Railway for the purpose of facilitating the operation of these heavy and popular trains and will eliminate the delays to passengers incident to the transfer and handling of the mails at terminals and important junction points which have at times made it difficult to maintain the fast schedules on which these trains are operated.

The operation of the second section will also provide facilities for additional through fast express service for the many thriving and growing cities on the Washington-Atlanta line of the Southern Railway. On account of the weight of these trains it has been impossible to handle express on them while only one section was operated. With the inauguration of the second section one express car will be handled between Washington and Atlanta and others will be added as the business develops. The new train will thus improve the passenger service and give a large number of important cities a more frequent express schedule than they now have.

Joseph Gill, a young man of Henderson, N. C., died Friday night as a result of taking strychnine by mistake for headache powders.

## PYTHIANS AT BESSEMER

### TENTH DISTRICT MEET A SUCCESS

### Good Delegation of Knights Gathered at Bessemer City Yesterday in District Meeting—Business Session in Afternoon and Open Session at Night When Mr. S. J. Durham Was Principal Speaker—Good Reports from All Lodges—Gastonia Well Represented.

Bessemer City was given over yesterday to the Knights of Pythias of the tenth district and the Pythians and other good people of that enterprising town accorded them a most cordial reception. The occasion was the regular meeting for the tenth district comprised of the following lodges: Rathbone Lodge No. 37, Charlotte Lodge No. 83 and Mecklenburg Lodge No. 90, of Charlotte; Gastonia Lodge No. 53; Mount Holy Lodge No. 68; Kings Mountain Lodge No. 94 and Matthews Lodge No. 77. All told there were about fifty or sixty Pythians in attendance, including Past Grand Chancellor Wilson, of Raleigh, the new State Deputy Grand Chancellor, and three other Past Grand Chancellors, Mr. W. M. Lyles and Mr. T. S. Franklun and Mr. A. E. McCausland, of Charlotte.

In the afternoon, beginning at 2 o'clock, a business session was held. Mr. J. H. Kennedy, of Gastonia, district deputy, presiding. As the roll of lodges was called a representative from each reported on the progress made during the past year and all of the reports were most encouraging. Practically every one reported an increase in membership and in attendance and in financial condition. Whetstone Lodge No. 103, of Bessemer City, which was host to the convention, reported excellent progress during the past twelve months.

Following the receiving of reports a number of matters of general interest to Pythians were taken up and discussed and the severer work of the order, according to the revised ritual, was exemplified by State Deputy Wilson. Two real live candidates were then produced by Whetstone Lodge and the second rank was conferred.

At 6:30 p. m. a sumptuous repast was served to the visiting Pythians in the Odd Fellows hall. There was an abundance of good things for the delectation of the palate and the strengthening of the inner man. Following the taking of refreshments practically all of the visiting Knights walked to the top of Whetstone mountain and viewed the sunset from that eminence.

In the opera house at 7:30 o'clock an open meeting was held to which the public was invited. There were present, besides Pythians, quite a number of ladies and other outsiders. Mr. J. H. Kennedy presided and short addresses were made by Dr. J. A. Garrison, Mr. S. J. Durham, Mr. W. M. Wilson, Mr. M. Lyles, and Mr. A. B. Justice. The principal address was by Mr. Durham, who, in a most eloquent speech, set forth in a most engaging manner the reasons for the existence of fraternal orders. His logic was convincing and his ideas were clothed in beautiful language. As an orator Mr. Durham excels and can command the undivided attention of almost any character of audience.

Gastonia Pythians in attendance were the following: J. H. Kennedy, G. H. Marvin, A. G. Mangum, S. J. Durham, S. A. Robinson, Sidney Winget, H. G. Winget, Guy C. Killian, W. L. Coon, E. P. Rockett, Dr. D. A. Garrison, Ed. Pegram, A. G. Myers, H. B. Moore, J. W. Atkins, J. W. Culp, G. W. Smith, F. E. Saunders, H. M. Van Sleen and L. A. Campbell. The Charlotte and Gastonia lodges were represented by the largest delegations present.

## WEDDED TWO WEEKS AGO.

Friends of Mr. James A. Estridge, manager of the Lumina Theater, and Miss Corrie Seaboch, who has been piano player at the Lumina for the past several months, were pleasantly surprised to learn yesterday that these popular young people were united in marriage on Sunday afternoon, April 6th, at the residence of Dr. D. H. Rolston, pastor of the First Presbyterian church in Charlotte. Their marriage was kept a secret until yesterday, when announcement of it was made to their friends. Mr. and Mrs. Estridge went to housekeeping yesterday in the residence at 508 West Main avenue. The bride is a daughter of Mr. and Mrs. J. W. Seaboch, of Hickory, while the groom has been for over a year manager and proprietor of the Lumina Theater, having also come here from Hickory, where he formerly made his home.

## MODERN VAUDEVILLE.

### Patrons of Piedmont Theater in Charlotte Getting Their Money's Worth

There has been a wonderful development of interest in modern vaudeville and it is a fact that more people are now classed as regular vaudeville patrons than ever before. Variety, just one thing after another, is the real foundation of vaudeville. There will be a playlet, then a song and dance act, then comes an artist or a musical star, or something that is new and novel and so on until five numbers have been presented with the result that there has been a wide range of entertainment.

The patron of the Piedmont who likes an acrobatic act may be sitting next to a person who will be visibly annoyed but in a few moments the situation changes and an act will appear that will just suit the other person.

Vaudeville gets its name from variety and the Piedmont management has never failed yet to furnish plenty of variety and a great many of the acts presented are seen in the larger cities at a great advance in prices over those charged by the Charlotte playhouse.

The bill that has been selected for the first half of the coming week is one that will surely please all who attend. Gertie Falls will present an aerial act that is both graceful and daring. She is known as the "Venus of the air." Miss Falls has been the feature act in a great many theaters of the West and comes from a family of well-known aerialists. Flo and Wayne offer a novelty singing and dancing act that comes well recommended. The De Lavalles in a novelty revolver and rifle shooting act is wonderful and thrilling, while Gruett and Gruett is a black-face comedy skit that is said to be a scream from start to finish, and Casmus and LaMar in a singing and talking act will complete a bill that is really worth while.

## To Open Dairy Lunch.

Mr. J. M. Jones, of the Dairy Lunch Co., Charlotte, has been in Gastonia for the past several days making arrangements for the opening of his company, of a dairy lunch room in the P. & N. passenger station in the Y. M. C. A. building similar to the one operated in the depot at Charlotte. Mr. Jones says they expect to open for business by May 1st. The interior of the building has been completely rearranged and renovated and the quarters are excellently equipped and located for this business. A concrete floor has been laid and a new plate glass front has been put in. At the main entrance will be a room provided with seats, writing tables, stationery, etc., and a clear and sunny stand. As the passenger traffic grows on the Interurban and the railroad builds depots at other points along the line the Dairy Lunch Company expects to open other up-to-date lunch rooms. Mr. Jones states that it is the intention of his company to give Gastonia a lunch room thoroughly first-class.

## York and Yorkville.

The Enquirer, 19th.

Lieutenant J. G. Boswell, of the United States Army, and Adjutant General W. W. Moore inspected Co. L, First Regiment, N. G. S. C., in Yorkville Wednesday evening.

At the instance of Mayor Hart the Southern Railway has had a telephone installed in the ticket office at the passenger station, for the use of passengers.

The United States grand jury returned a true bill against Mr. B. N. Moore, of Yorkville, for violation of the cattle quarantine law, as related in The Enquirer. Mr. Moore plead guilty to the charge and was sentenced to pay a fine of \$100.

Friendship school district No. 45 has increased its special tax levy from 3 to 5 mills, and Catawba district No. 5 has voted 2 mills. Both were practically unanimous. Fort Mill district No. 28 on yesterday increased its special tax 2 mills by a vote of 28 to 5.

The court house commission will, on May 15, sell to the highest bidder at or above par the \$75,000 of court house bonds. The commission has already had applications for portions of the issue at par, and one party has offered to take the whole issue on a proposition that will allow him to get the interest on the purchase money until it has been expended in the construction work.

Both of the Rock Hill papers had an excellent report of the Monday's and Tuesday's court proceedings this week. The report of both papers was practically identical. The Herald's report in Wednesday's paper purported to be "Special" correspondence from Yorkville, and The Record's report in yesterday's paper was duly credited to The Yorkville Enquirer, showing the fake in the alleged "Special."

Prof. Mason, of the bureau of animal industry was in Yorkville this week, offering his services to farmers who desire to build good silos. He agrees to show folks just how to build a silo, and help a little if necessary. He helped to build a concrete silo for Dr. R. A. Bratton on his farm near Yorkville, and he also helped with one for Mr. R. A. Patrick, at White Oak, in Fairfield county. Prof. Mason claims, and he is no doubt correct in it, that ensilage is the best and cheapest food in the world for milk cows.

—Rev. W. O. Goode, agent for the Methodist Childrens Home at Winston-Salem, will conduct the morning service at Main Street Methodist church next Sunday morning.

—Work on the Southern's handsome new depot here is progressing rapidly. Tiling for the roof arrived Saturday and is being placed this week. It is now expected that the depot will be ready for use about the first of June.
