WHITE WAY IS ASSURED.

Brilliant Lighting System Will Be Established in Business Section of Town—Committee Now Investigating Details—Gastonia First Town of Its Size in State to Inaugurate New Lighting System.

While no definite official action on the matter has been taken by the city council, sitting as a body, the establishment of a "great white way" in Gastonia within the immediate future is assured. This information was obtained this morning from Chairman V. E. Long of the water and light committee, which has the matter in charge. The committee has unanimously decided to report the project favorably to the council and it is understood that every member of the council is heartily in favor of the movement.

It is proposed to establish this system of brilliant lights over the three business blocks on Main avenue extending from York street on the West to Oakland street on the east and from the new Southern passenger depot on South street to a point south of the city hall and court house and also from the Southern passenger station on Marietta street to Franklin avenue. The poles, which will be erected every 75 feet, will be capped with clusters of five large incandescent lights each. All the light, power and telephone wires on Main avenue will, of course, be placed under ground.

The establishment of this system would not only improve greatly the sightliness of the business section of the town by reason of the removal of wires but the brilliant lights would be one of the finest advertisements possible for the town. So far as our information goes Gastonia will be the first town of its size in North Carolina to install a "great white way." Chairman Long believes that the work can be completed by the first of November.

—Miss Cora Clark went to the Union neighborhood this morning to see Mrs. Martha Ratchford, who is very seriously ill at the home of her son, Mr. R. F. Ratchford.

## CAPT. S. A. HOEY DEAD

### A PROMINENT SHELBYITE PASSES

One of the Most Prominent Men of Cleveland County Passes—Father of Mrs. R. C. Warren of Gastonia—Funeral Yesterday.

The following account of Capt. Hoey's death is taken from yesterday's Charlotte Observer:

"Capt. Samuel A. Hoey, a Civil War veteran and one of the most respected citizens of Cleveland died suddenly at his home here this morning at 4 o'clock from heart trouble. For several days he had been feeling badly but was able to be on the streets and converse with his friends.

He was 72 years of age and the head of a brilliant family. He was born in Union County, South Carolina, and came to Shelby just before the Civil War at the age of 18. He was the prescription clerk in the first drug store at this place and when the war broke out enlisted and served four years, advancing from a private to captain of Company H, Thirty-fourth Regiment, Ransom's Brigade. He resigned his post as captain and joined the cavalry the latter part of the war. During his service he engaged in several fierce battles and always conducted himself as a brave and patriotic Southerner. He was captured near Ashland, Va., going to the relief of General Stuart and placed in prison at Elmira, N. Y., and refusing to take the oath to cease hostilities, his experience as a drug clerk secured for him the position as head of the medical depository of the prison.

At the close of the war he married Miss Lottie Poark who survives with five children, Will R. Hoey, S. Ernest Hoey, Mrs. R. C. Warren, Clyde R. Hoey, and Mrs. John M. Shan-nonhouse, all of this place except Mrs. Warren who lives at Gastonia.

After farming for a number of years Mr. Hoey engaged himself as a building contractor and built perhaps more houses in Shelby than any other one man. For 13 years he has been a justice of the peace in which capacity he served with credit to himself and administered justice to those who came before him.

The funeral will be conducted from Central Methodist Church, of which he was a member, tomorrow at 10 o'clock, Rev. E. E. Williamson and Rev. R. M. Hoyle, officiating.

Those who attended the funeral yesterday in Shelby were Mr. and Mrs. R. C. Warren and family, Mr. R. A. Caldwell, Mesdames Frost Torrence, W. R. Ford, Miss Cora Clark and Mr. W. Y. Warren. The following were in Shelby during the day on which Capt. Hoey died: Mr. W. N. Davis and family, Messrs. J. F. and T. R. McArver, A. R. Rankin, Mr. and Mrs. W. J. Clifford, Mr. and Mrs. W. C. Davis and Dr. T. A. Wilkins.

Mr. J. H. Kennedy as district deputy, Mr. S. A. Robinson as grand master at arms and Mr. E. N. Pogram as representative from Gastonia Lodge will each make a report and it goes without saying that these will be of no little interest to all local Pythians. A large attendance of members is desired. At that meeting the first degree will be conferred upon two candidates. On the first meeting night in July the new officers elected recently for the ensuing six-months term will be installed. All of the old officers were re-elected, namely: G. H. Marvin, C. C. J. W. ## COLE BLEASE COMING

### SOUTH CAROLINA EXECUTIVE TO SPEAK

At District Meeting of Red Men and Big Pow-Wow to be Held in Dallas Saturday, July 5th, Governor Cole L. Blease, of South Carolina, Will be Principal Speaker—Big Celebration Planned.

That the Dallas Red Men have secured a drawing card in the person of Governor Coleman Livingstone Blease, chief executive of the State of South Carolina, who will deliver the principal address at the district meeting to be held Saturday, July 5th, goes without saying. The local committee, Messrs. S. B. Sparrow, Wirt Summey and others have been in communication with a number of prominent speakers for this occasion and the fact that they were able to secure the services of so notable a man does credit to their activities.

Governor Blease is a prominent Red Man. He stands high among the tribesmen of the Palmetto State. In fact, he is the Grand Sachem of the State of South Carolina. There are many people in Gaston county who have never had the opportunity before to hear Governor Blease and it goes without saying that he will have a large crowd to greet him in Dallas.

All of the tribes of this district which include those from Charlotte, Gastonia and the other towns of the county will be represented. In addition there will be representatives from the tribes at Rock Hill, Yorkville, Clover, Blacksburg, Lincolnton, Shelby and all other towns in this section of the State.

The Dallas Red Men are planning to make the occasion an old-fashioned picnic, and to invite everybody to come and bring dinner baskets and have a picnic dinner on the old court square. There will be good speakers, a sham battle between Indians and whites, brass bands, baseball and various other forms of amusement. Special rates for the occasion will very probably be granted by the railroads and it is expected that there will be a great gathering from all parts of this and adjoining counties.

AT THE PIEDMONT.

Ever since the announcement made by the management of the Piedmont Theater, Charlotte, that it would furnish an all-Keith program, the playhouse has been crowded at every performance. It is not at all necessary to state that the attractions have been of the best to be seen anywhere as all who were fortunate enough to see the program know this to be true. The coming week's program is a very attractive one and manager Gidley states that he has another great bill for the lovers of high-class vaudeville.

The big feature booked for the week will be the "Four Musical Cates." They've played to capacity audiences in the largest theatres and hippodromes in London and Manchester, England; Germany, France, Belgium, Holland, Denmark, Canada and America. Included in this aggregation is the musical genius, Walter H. Cates, wizard of the saxophone, playing violin solos on the saxophone that have been accomplished only by a very few of the greatest violin masters, and playing solos never before accomplished by anyone on any brass, reed or wind instrument.

Frank B. Cates is a sensational cornet virtuoso of rare ability, and Fred C. Cates also with Cate's Saxophone Symphonic Band, plays upon the king of all brass instruments, which is a mammoth, giant saxophone said to be the largest in the world, and the only one of its size ever played. Being a double E flat contra bass makes it the deepest-toned bass instrument in the world.

Another big feature act to be seen will be the four Hayama Troupe of Japanese acrobatic jugglers, Louise Caryle, a dainty miss, has a new act, called "The Pianologue Girl." She plays the piano and sings in a high-class and refined manner, displaying elegant wardrobe. Shriner and Richards in a comedy singing and talking act that is said to be good. This act comes direct from the Keith big circuit and advance reports proclaim it great. Dan Delmar, a comedian, has his own way of delivering the goods and puts his stuff over in great shape.

ENTERTAINMENTS FOR MISS LONG.

Last Friday afternoon at her home on East Main avenue Mrs. Lydia C. Davis entertained most delightfully at a handkerchief shower for Miss Zella Long who becomes the bride of Mr. J. Linwood Robinson, of Lowell, next Wednesday, June 24th. The parlor and hall were decorated in cut flowers and potted plants, carrying out the color scheme of green and white. Delightful refreshments were served.

This afternoon Mrs. J. L. Beal and Mrs. S. B. Barnwell will entertain for Miss Long.

South Carolina sends out of the State nearly \$14,000,000 annually for canned foods, according to a recent Federal census bulletin.
