The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

### Big Demand for Red Cross Seals.

Four hundred and fifty thousand Red Cross Seals or stamps have already been ordered by cities in North Carolina, although the season for ordering has hardly arrived yet. Charlotte wants 150,000; Wilmington wants 100,000; Asheville has not yet stated the number desired, but will not take less than 75,000. Chapel Hill has ordered 10,000 and many of the smaller cities are getting in line for a great campaign. Other cities that have already formed committees to put the seals on sale are Edenton, Canton, Belmont, Goldsboro, Lexington, Statesville, Troy, Wadesboro, Waynesville, Wilson, Elkin, Marshall, Tryon, Ansonville, Wallace and many others that I cannot take time to mention here. Seals will be sent out about the 1st of November, and will be placed on sale immediately after Thanksgiving. All orders for seals should be sent to the Red Cross Seal Commission of North Carolina, City Hall, Charlotte, N. C.

For more than three months from about the middle of December to the end of March, Theodore Roosevelt will explore South America. Col. Roosevelt will sail from New York October 4 and will spend about two months visiting various cities in Brazil, Argentina, Chile and Paraguay. In these countries he will be the government's guest and will deliver several addresses. In December a little river steamer will leave him and his party of naturalists at Cuyaba, Brazil, the head of navigation on the Paraguay river, and at that point the hardships of the journey will begin.

## MUST BELIEVE IT

When Well-Known Gastonia People Tell It So Plainly.

When public endorsement is made by a representative citizen of Gastonia the proof is positive. You must believe it. Read this testimony. Every sufferer of kidney backache, every man, woman or child with kidney trouble will do well to read the following:

Mrs. S. L. Jenkins, 106 Trenton St., Gastonia, N. C., says: "My kidneys were weak and there were pains through my back and sides. I did not sleep well and usually felt tired in the morning. I was also nervous and dizzy. I used Doan's Kidney Pills, procured from the Torrence Drug Company's drug store, and they made me well. Another of the family who suffered from weak kidneys was greatly benefitted by Doan's Kidney Pills."—Adv.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### Lincoln Locals.

Lincoln County News, 3rd.

Attorney W. H. Childs spent last Monday in Gastonia on business.

Mr. C. M. Ray will move into the residence formerly occupied by Dr. Bridges on next Monday.

Dr. R. R. Reinhardt has let a contract to G. W. McAllister for a Veterinarian hospital building to be located on corner of Government and Water street. The dimensions of the building are to be 36x60 feet, and the contract calls for the building to be finished by December 1st.

North Brook Baptist Church, recently organized, was received into the Kings Mountain Association, which closed its three days meeting at Zion church, in Cleveland county, last Saturday.

Sheriff Heavner was out in the Ironton township Wednesday on a man hunt. He found his man, Zeke Smith was arrested on the charge of trespass and will be tried before Squire Cline on the 15th.

Mrs. L. M. Coffey left for Belmont Wednesday where she goes as a delegate to the Woman's Missionary Convention of the South Fork Baptist Association.

Mr. Lee Serence, one of Lincoln county's prosperous farmers, sold a bale of cotton for \$100 this week to Heavner Bros. The bale weighed 671 pounds. This is a price that is calculated to put the farmers in good shape financially.

Mrs. Esther Cody, an aged lady of near Long Shoals, died suddenly Tuesday night. The funeral services were conducted Wednesday from Pisgah church by Rev. J. H. Robertson.

Rev. W. R. Dye, pastor of the Episcopal Church, will leave Monday for New York city to attend the General Convention of the Episcopal churches of the United States.

Marshall Lee, the five-year-old son of Thomas Smith and wife, of the Reepsville community, died on Monday night after a very brief illness. Funeral services were held at Daniel's church Tuesday afternoon conducted by the pastor, Rev. L. L. Lohr.

"The Leopard's Spots" which come to the Gastonia Opera House Wednesday, October 22, is a dramatization of the celebrated novel of that name by Thomas Dixon. The story has been put into play form by the author himself and the production was staged under his personal supervision.

In the light of the facts above set forth it may be seen that "The Leopard's Spots" is a play which enjoys the distinction of being set before the public exactly as its author intended it should be—a rare thing in theatricals. The play has met with tremendous success everywhere.

"Pious Jigs" in Sunday School and Church Services.

The character of music in the Sunday school and at the regular church services should be altogether different. What suits one does not suit the other. The congregations are totally different and the character of the services are wholly unlike. We happened to run across a book in a church the other day that is not suitable for either, but interchangeable in the church service. One song we noticed was entitled "Whiskey Must Go," and another was "The Gospel Train." Pious jigs like this that treat of saloons and railroad trains have no proper place in any of the services of the church.
