First Visit in Twenty Years.

Mr. John D. Lindsay, cemetery keeper, went to Charlotte yesterday to inspect the cemetery at that place and took with him Policeman Ben W. Craig. This was the first visit Mr. Craig had paid Charlotte in over twenty years. It was his first trip over the interurban. He was, of course, astonished at the growth of Charlotte and of all the towns between here and Charlotte. Now that he has broken his record, it is probable that Mr. Craig will visit Charlotte again before a great while.
