IT'S A TRITE BUT TRUE SAYING:  
"The Early Bird Gets the Worm"  
JUST SO IN OUR CASE

Our early contracts for all lines of merchandise have proven a great benefit to ourselves as well as to our customers. Our "AMBACH" make men's suits, wool fabric and pure dye old price. Our "STAR BRAND" Shoes for all feet. Our "C. M. HADDEN" Hats at old prices. Our Ladies' Suitings and Waistings, bought before the late great advance in price as well as Hosiery, Skirts, Underwear and Staple Dry Goods amply prove the benefits secured in early buying this spring. It certainly pays to trade at Morris Bros.

### TALK TO THE CHILDREN.

(Continued from page 1).

force suit in New York, the Associated Press would be sure to publish it because the people like to read that sort of thing. There was a vote taken in the United States to find out what kind of picture shows appealed to the majority of the people and to the surprise of all 60 per cent wanted risqué and sensational pictures. He said the movies should show clean pictures or none at all. He declared the pictures on the walls of a home often showed what sort of character the occupants of the home had.

He maintained that there might be some good people on the stage, but that the whole thing was honey-combed with impurity.

A young man is to be pitied who sets up all of his friends at the soda fountain and yet won't buy his mother a new dress, nor his younger brother and sister something new. "God have mercy on the young man who goes back on his mother."

### SUNDAY NIGHT.

About 3,000 people assembled at the tabernacle on Sunday night. They came from every direction and from many neighboring towns such as Lincoln, Kings Mountain, Bessemer City and Dallas. President Hinshaw, of Rutherford College, opened the service with prayer after which Mr. Stapleton sang several selections with the choir and congregation assisting him.

Mr. Browning preached on Samson, taking his text from the 16th chapter of Judges and the latter part of the 20th verse: "And he wist not that the Lord had departed from him."

His aim in preaching this sermon was to reach the men who have laid their heads in the laps of pleasure and who have their names on the church books but not in the Lamb's Book of Life.

He said Samson's birth was announced by an angel because there was a divine purpose in his life as well as in your life and mine. You are unique. Your voice, your walk, your face and your personality are distinct from those of any other person in the world. But so long as you are in sin, you thwart the plan of God for you.

Mr. Browning said Samson had good parents back of him. There were 30,000 children in London who are born yearly amid such corrupt surroundings that they make criminals. Whatever goodness or morality we have is largely due to the Christianity of our ancestors.

Samson's parents knew what he did and where he went. He never sinned until he was grown.

He illustrated his point with a lesson from a cow. A cow was seen following a wagon and all thought it unusual until the mystery was revealed. An onlooker noticed that her calf was in a cage of the mover's wagon and that the cow didn't propose to take her eyes off the calf. Mr. Browning said if a cow would follow her calf, so should mothers their daughters.

Samson had fine training and so developed himself into the strongest man who ever lived. He had a wonderful mind, too. He had to be smart if he judged Israel. He was a man who could make a bee hive

**TELLS WHAT SHE THINKS**

out of a lion's body. The secret of his strength not have been known had his wife not betrayed him. So his mistakes were caused by bad association. Women caused his ruin just as they do many a man today. Mr. Browning warned young men not to have the wrong sort of a lady friend.

Samson's next step to ruin was gambling and wholesale murder. Then followed impure living and lying until he awoke but knew not that the Lord had departed from him. So today many a preacher is in the pulpit bereft of his power and eyesight like Samson. Sin dims the vision, and takes away our liberty. Every time you break a law you lose your liberty. Jesse Pomeroy was the worst criminal in the world and had to be kept in absolute isolation. Said Mr. Browning with some emphasis: "Hell is an absolute necessity!" Every time you break a law of God you get that much nearer it.

In conclusion, Mr. Browning said Samson's hair grew out again and his strength came back, and he began to talk with God as he ground corn in the prison of Gaza. Soon a great feast was proclaimed by 3,000 Philistines in honor of their god Dagon for the mastery over Samson. But Samson's prayer for strength came back and he resolved to kill them as they were feasting in their temple. He prayed a last prayer, broke the temple pillars down and perished with his enemies.

**Prof. and Mrs. Kirby Entertain for Faculties of Farm Life and Graded Schools—Book Club Has Delightful Meeting—Brief Items of Personal News.**

Correspondence of The Gazette.

DALLAS, May 15.—Last Friday evening Prof. and Mrs. S. J. Kirby gave a most delightfully informal reception at their home near town to the faculties of the Farm Life and the graded schools and also the pupils of the Farm Life School in honor of the members of the class of 1916.

The scene at Prof. Kirby's home was one of beauty and gaiety. The wide porches were lighted with Japanese lanterns, while the parlor, dining room and reception hall were made beautiful by a profusion of roses, dainty sweet peas and potted plants.

After the guests had all been presented to the members of the receiving party in the parlor they were refreshed in the dining room with fruit punch served by Miss Modena Durham.

Much merriment was caused later in the evening when everyone present participated in a "sapping contest". At the end of the appointed time when the packages were unwrapped many funny articles were found to have been exchanged.

Various games were played and enjoyed by all, while the old fashioned songs sung by the high school students added to the pleasure of the evening.

Cream and sake was served later in the evening. There have been a number of very delightful social affairs given during the past school year.

**SHE TOLD HER NEIGHBOR**

"I told a neighbor whose child had croup about Foley's Honey and Tar," writes Mrs. Rehkamp, 2404 Herman St., Covington, Ky. "When she gave it a couple of doses she was so pleased with the change she didn't know what to say." This reliable remedy helps coughs, colds, croup and whooping cough. J. H. Kennedy & Co.—Adv.

year, which have been enjoyed immensely by the teachers and pupils of the school, but one and all agree that the hospitality shown them last Friday evening by Prof. and Mrs. Kirby was the crowning touch to the festivities of the school year.

Instead of having a regular cut and dried club meeting at their home last Tuesday evening, the Misses Puett entertained the members of the Independent Book Club out-of-doors, out-of-town, and on the banks of the river near Philadelphia church. Fishing was the first contest of the evening, and later on a delightful picnic supper was served consisting of all kinds of good things. A big camp fire was built as the evening grew cooler and every one lingered around it as long as possible, for all enjoy these out-of-door club meetings which their hostesses, the Misses Puett, have on different occasions provided for the pleasure of the Book Club.

Miss Nellie Clemmer was hostess Saturday evening to a crowd of her friends of the younger set at a birthday party given at the home of her aunts, Misses Gaither and Ida McAllister. The little seventeen-year-old hostess and her guests played progressive bunco, Miss Bettie Pator winning the prize for making the highest score. The refreshments consisted of cake and cream.

The graduating exercises of the eleventh grade will be held tonight in the auditorium of the graded school.

Tomorrow night the play, "The Colonel's Maid," will be presented by members of the high school, assisted by Prof. Henson, Mr. Latham Friday and Miss Willie Webb.

Dr. R. L. Fritz, president of Lenoir College, preached at Holy Communion Lutheran church yesterday morning. Dr. Fritz is at present interested in raising \$100,000 for the Endowment Fund of Lenoir College. Mrs. R. A. Yoder accompanied Dr. Fritz and remained in town for the purpose of canvassing the congregation.

Miss Pearl Griffin, of Greenville, S. C., is visiting her sister, Mrs. A. R. Martin.

Mrs. J. S. Camp and children, of Lincoln, visited Mr. and Mrs. W. N. Rhyme last week.

Mrs. L. D. Gribble has recently gone to the Presbyterian hospital, Charlotte, for treatment.

Mrs. W. S. Barfield and children, of Chester, S. C., arrived this morning to visit her father, Mr. C. C. Cornwell.

Miss S. Y. Coppedge and father left today for Lenoir to attend the commencement at Davenport College where Miss Annie Coppedge is a member of the graduating class.

## A Merciless Judge

One Who Shows No Favor.

A merciless Judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Gastonia resident has withstood this sternest of all tests.

Mrs. J. L. Reynolds, Gastonia, says: "My kidneys were weak and I had pains through the small of my back. I was nervous and felt miserable in every way. Doan's Kidney Pills strengthened my kidneys and made me feel better." (Statement given February 22, 1912).

NO TROUBLE SINCE.

On February 22, 1915, Mrs. Reynolds said: "I haven't had any trouble from my kidneys since Doan's Kidney Pills cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Reynolds has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—(Adv.)

## Conquers Rheumatism In a Very Few Days

One-half teaspoonful of Rheuma taken once a day has driven the pain and agony from thousands of racked, crippled and despairing rheumatics during the last five years.

Powerful and sure; quick acting, yet harmless; Rheuma gives blessed relief almost at once. The magic name has reached every hamlet in the land and there is not a druggist anywhere who cannot tell you — if he will — of almost marvelous cures.

If you are tortured with rheumatism or sciatica, you can get two bottles of Rheuma from J. H. Kennedy & Co. or any druggist for not more than \$1.00, with the understanding that if it does not drive rheumatic poisons from your system — money back. —(Adv.) 16-19

### MAMMOTH PARADE.

Hundred and Fifty Thousand People in Line in New York City for Preparedness.

New York, May 12.—A city army of 150,000 men and women marched through the streets of New York today to demonstrate their attitude in favor of National preparedness. An almost countless host, representing all walks of life in the Nation's metropolis, for 12 hours strode twenty abreast, behind bands playing patriotic airs through flag bedecked streets lined with hundreds of thousands of cheering spectators. All the professions and trades which make up the complex life of the city were represented. It was the greatest parade in the history of the country.

In one division were the street sweepers in their uniforms of white, while in another were the dignified Justices of the supreme court of New York. There also were the clergy, nearly 200, representing every denomination in the Nation's greatest city.

The women of the Methodist Episcopal Church have raised \$3,432,505 for missionary purposes during the last year.

## MOTHER WHO EXPLAINS WHAT TANLAC DID FOR BOY AND GIRL

JUDSON GAINS 5 POUNDS AND EULA GAINS 4 POUNDS—"EATLIKE GROWN PERSONS NOW," SAYS MRS. FANNIE DEW.

The marvelous health gains of the Dew children—Judson, 9 years old, and Eula, 5 years old, is the talk of Carelligh, a suburb of Raleigh.

Their mother, Mrs. Fannie Dew, told the Tanlac Man: "My children had been troubled with indigestion and stomach trouble. It was awfully hard to get them to sleep at night. At meal times I had to plead with them to eat. Each was nervous.

"I heard how Tanlac had helped children and I got some for mine, only after other medicines had failed to help them. After the third day on Tanlac I saw a change in them. Now they seem different children—eat like grown persons instead of being satisfied with just a biscuit or so. They sleep as sound as rocks and are picking up in weight and strength. My boy has gained five pounds and Eula has added four pounds to her weight."

Tanlac is sold in Gastonia, by the Adams Drug Co.; in Lowell, by the Robinson Drug Co.; in Cherryville, by H. H. Allen; in Belmont, by Stows & Sanders; in Dallas, by P. D. Summey; in Bessemer City, by Thigpen Drug Co.; in Huntersville, by S. L. Mullins.—(Adv.)
