THROUGH ANOTHER WEEK

TABERNACLE MEETING ENDS JUNE 11TH

Revival Services to Continue Through Next Week - Business Houses Close for Morning Services-Evangelist Browning Preaching Plain Gospel Vigorously—Mr. Kidder Tells His Life Story—Service for Colored Folks Sunday Afternoon.

It was announced last night that the tabernacle revival being conducted by Evangelist Raymond Browning would not close Sunday night as was originally planned but that it would continue through another week, closing Sunday night, June 11th. This action was taken following a conference held yesterday afternoon at which it appeared that a large number of people were anxious to have the meeting prolonged as interest is high in the services and great good is being accomplished. Just before the sermon last ' night this announcement was made by Mr. J. H. Separk, who assured the evangelist that the Christian people of the town were standing behind him in this campaign and would continue to do so until it closes.

'As ye sow so shall ye reap" was Mr. Browning's text last night and for more than an hour he preached the plainest Gospel perhaps that has ever been heard here. He threw his whole soul into a tirade against sin which compelled the undivided attention of his audience, which was the largest week-night audience he has yet had. The tabernacle was very nearly full of people. Taking the life of David as an example of the truth contained in the text the evangelist showed how that great man reaped as he had sown. With language that burned its way into the hearts and minds and consciences of men and women he pictured the awful consequences of sin. In addition to the life of David the speaker related many instances from actual life illustrating the truth of this text. Indecent dress, dancing, card playing and other popular sins of the present age were denounced in scathing language.

In addition to the regular singing by the choir and the congregation, there was a quartet by small boys and a solo by Mrs. J. Holland Mor-

MR. KIDDER'S TALK. The Wednesday night service was given over to a talk by Mr. Charles Kidder, the pianist. Mr. Kidder was converted under Mr. Browning's preaching at Newbern just a year ago. He lived a life of sin for many Born in Lowell, Mass., he left home at the age of 15 and went to New York city. Later he joined the Navy and spent several years in that branch of Uncle Sam's service. During that time he had several very narrow and thrilling escapes from death. At the conclusion of his talk Mr. Kidder read a letter which he received from his mother after he had written her of his conversion, and there were many wet eyes in the congregation. His talk was interesting and impressive from start to

FOR COLORED PEOPLE.

Sunday afternoon at 3 o'clock Mr. Browning will preach a special sermon at the tabernacle to the colored people of the town, all of whom are invited to hear him.

STORES CLOSE.

More than fifty local business houses, including every line of bustness, closed their places of business between the hours of 10 and 11 a. m. Wednesday, yesterday and today in order that the employees might have an opportunity to attend the morning service. As a result the attendance these three days at the morning hours has been largely inincreased.

On Tuesday and Wednesday night many people responded to the invitation to come to the altar and many were converted. Interest in the meeting is on the increase and it is confidently expected by the Christian people of the town that the remaining days of the revival will be the hest days. A cordial invitation is extended to everybody to attend the services.

NOT ENOUGH CHILDREN

ever receive the proper balance of food to sufficiently nourish both body and brain during the growing period when nature's demands are greater than in mature life. This is shown in so many pale faces, lean bodies, frequent colds, and lack of ambition.

For all such children we say with unmistakable earnestness: They need Scott's Emulsion, and need it now. It possesses in concentrated form the very food elements to enrich their blood. It changes weakness to strength; it makes them sturdy and strong. No alcohol.

REV. R. A. MILLER PASSES

WELL-KNOWN PRESBYTERIAN MINISTER

End Came at Home in Rock Hill Last Night Following Stroke of Paralysis-Was Pastor of Churches in This County for More Than Twenty Years—Funeral and Burial at Rock Hill Tomorrow After-

A phone message to The Gazette last night from Rock Hill, S. C. brought the sad intelligence that Rev. R. A. Miller, until recently a resident for most of his life of Gaston county, had died suddenly at his home there. Wednesday night air. Miller retired in his usual health but about 11 o'clock he suffered a stroke of paralysis and was in an unconscious condition until death came less than 24 hours later. This news came as a great shock to Mr. Miller's hosts of friends here, none of whom knew he was ill. Two weeks ago Mr. Miller was in Gastonia looking as hale and hearty as usual."

Deceased was about 70 years old. He was twice married. His first wife was a Miss Brown. Of that union one child survives, Mr. R. A. Mitler, Jr. His second wife, who survives, was Miss Isla Parks. To them were born two children who survive, Mr. Hugh Miller and Miss Annie Miller.

Funeral services will be conducted at the residence in Rock Hill tomorrow afternoon at 4 o'clock, the services being conducted by Rev. S. L. Cathey, of Mount Holly. Quite a number of Gastonia people will attend the funeral.

The Gazette regrets that is unable today to secure sufficient reliable data from which to prepare a full biographical sketch of Mr. Miller but we hope to be able to do so in our next issue. The following sketch of Mr. Miller's work in this county appeared in The Gazette of August 9, 1912:

Twenty-one years ago Rev. R. A Miller resigned his pastorate of the historic Hopewell church in Mecklenburg county, within whose bounds lived and died some of the signers of the Mecklenburg Declaration of Independence. He took charge of the New Hope, Lowell and Belmont churches which constituted his field of labor from that time on. During all these years the spiritual welfare of these congregations has filled his soul, absorbed his time and has deserved and received his untir-

ing enthusiasm, love and undivided

New Hope being the oldest and largest of the three, the mother it might be said of the other two, called him for half of his time, the other half being divided between Lowell and Belmont, each being compar-atively new at that time. After serving New Hope for a term of 10 years, Mr. Miller encouraged and persuaded that congregation to call a mintster for all of his time. This they did, though it was contrary to the judgment of some of the older members who said they could not do this. Today they have a minister for all of his time and have a good manse. During his ten years pastorate at New Hope Mr. Miller preached 518 sermons, buried 41 persons, officiated at 18 marriages and baptised 132 children and adults. His ministry among these people was exceedingly pleasant and the elders and deacons were loyal in the dischage of their duties and the members in general were punctual in attendance upon the services of the sanctuary.

At the expiration of the first tenyears, when he severed his connection wth the New Hope church, the churches at Belmont and Lowell called Mr. Miller for his entire time. When he took charge at Belmont the congregation numbered about twenty-three persons. The church building was unfurnished and there was a small debt upon it. The house was soon completed and the debt paid off. Altogether he served the Belmont people 19 years and 9 months. The first 10 years only one-fourth of his time was given to this charge and during the remainder of hs pas-torate one-half his time. Under his ministry at Belmont 118 persons were added to the membership, 41 children and two adults were baptised, married 11 couples, buried 46 persons and preached 672 sermons.

PRIMARY TOMORROW.

No Very Great Interest Here-Voting from Sunrise to Sunset - The State Candidates.

Tomorrow is the day on which the legalized primary for the nomination of State and congressional candidates will be held. As the weather man promises fair weather it is probable that the vote will be a fair one in this county, though it does not appear that there is any very decided interest with reference to State candidates. So far as county affairs are concerned there is only one race in tomorrow's primary in Gaston county, that being for the Democratic nomination for State Senator. There are two candidates. Mr. A. G. Mangum and Capt. A. L. Bulwinkle. The friends of each of these candidates are expecting their man to win and there is no forecasting the result.

All of the other Democratic county candidates were selected in the recent county primary. The Republicans, so far as county candidates are concerned, have no interest in the primary as they have only one candidate in the field for each fice and that candidate is, by the terms of the primary act, declared the party nominee. The Republicans are interested, however, in the congressional fight. There are two candidates for this honor, Mr. Jake F. Newell, of Charlotte, and Mr. Charles Green, of Mitchell county. Mr. Webbe has no opposition for the Democratic nomination.
