GOV. HUGHES NOMINATED ROOSEVELT NAMED BY PROGRESSIVES

Republican Party Nominates Justice Hughes by Almost Solid Vote—Fairbanks Named for Vice-President—Progressives Are Loyal to Rough Rider and Put Nomination Through When Told of Hughes Selection—Teddy Says He Cannot Accept at This Time—Hughes Resigns from Supreme Court and is Ready for Campaign—The Official Vote.

Sunday morning papers carried the news that the Republican National Convention had nominated Charles Evans Hughes, Associate Justice of the Supreme Court, for the Presidency, and that the Progressives had selected Theodore Roosevelt as their leader. The conventions were held in different buildings.

Charles Warren Fairbanks was selected as Vice-President on the Republican ticket and John M. Parker, of Louisiana, was nominated as Roosevelt's running mate. The nominating ballot showed this count: Hughes, 949 1-2; Roosevelt, 18 1-2; Lodge, 7; Dupont, 5; Weeks, 3; La-Follette, 3; absent, 1. Total, 987.

The ballot for Vice-President showed this count: Fairbanks, 863; Burkett, 108; Borah, 8; Burton, 1; absent, scattering and not voting, 6. Total, 987.

A telegram from Colonel Roosevelt to the Progressive conferees was received and read before the convention. In this message he thanked the delegates for the nomination but declined, saying: "I cannot accept at this time." In a statement to newspaper correspondents at Sagamore Hill, Col. Roosevelt said he intended to suggest the joint nomination of Senator Lodge as a compromise candidate.

Colonel Roosevelt was asked by a photographer to step out on the lawn. "No picture," the Colonel stated emphatically. "I am out of politics."

Justice Hughes, immediately following his nomination, sent a long telegram of acceptance to the Republican Convention. Because of the botch made in the conduct of foreign affairs, Mr. Hughes implies, he accepts the nomination, resigns from the Supreme Court bench and is ready for the campaign.

In part Justice Hughes' telegram accepting the nomination read:

"Mr. Chairman and Delegates: I have not desired the nomination. I have wished to remain on the bench. But in this critical period in our national history I recognize that it is your right to summon and it is my paramount duty to respond. You speak at a time of national exigency, transcending merely partisan consideration. You voice the demand for a dominant, thorough-going Americanism with firm protective upbuilding policies essential to our peace and security; and to that call, in this crisis, I cannot fail to answer with the pledge of all that is in me to the service of our country. Therefore, I accept the nomination."

SHOULD SLOAN'S LINIMENT GO ALONG?

Of course it should! For after a strenuous day when your muscles have been exercised to the limit an application of Sloan's Liniment will take the soreness and stiffness away and get you in fine shape for the morrow. You should also use it for a sudden attack of toothache, stiff neck, backache, stings, bites and the many accidents that are incidental to a vacation. "We would soon leave our baggage as go on a vacation or camp out without Sloan's Liniment," writes one vacationist: "We use it for everything from cramps to toothache." Put a bottle in your bag, be prepared and have no regrets.

THE 22ND IS DOLLAR DAY LOCAL MERCHANTS TO OFFER BARGAINS

Thursday Week Set Aside as Day on Which Merchants in Every Line of Business Will Put Out Tempting Bargains for Buyers from All Over the County and Surrounding Territory—Practically Every Line of Business to Be Represented. Thursday of next week, June 22, will be Dollar Day in Gastonia.

Gastonia has read and heard of dollar days but have never as yet had any first-hand knowledge of what the occasion is like. They will have an opportunity Thursday week to see for themselves. Merchants representing practically every line of business in Gastonia have gotten together and agreed to have a dollar day on that date and are even now making preparations for it. They are anticipating a big day and the people of the county will find it a great time for bargains.

Dollar Day is a day on which the merchants of a town, by common consent or agreement, offer to the buying public most attractive lists of articles of all kinds for \$1. Each merchant will put forth unusually attractive bargains and, as a result, the out-of-town buyer can get just what he wants at a great saving in price. If one man is interested in hardware and nothing else he can come to town that day and get a bargain in hardware. The same will be true of drugs, clothing, shoes, dry goods, toilet articles and a hundred things that space forbids mentioning.

Friday's Gazette will carry a large number of advertisements of Gastonia firms who will offer dollar day bargains and it will pay every reader of the paper to watch for that issue, read the advertisements carefully and preserve it for reference. Don't fail to see that issue and to read it carefully.

Dollar day should be a great occasion with both merchants and buyers. Let everybody help to make it such.

REVIVAL COMES TO CLOSE TABERNACLE MEETING ENDED SUNDAY

Three Thousand People Present at Closing Service of Browning-Stapleton Revival Meeting in Tabernacle Sunday Night—Many Made Professions of Faith and Quite a Number Will Join Churches—Free Will Offering for Workers Amounted to Over \$1,000—Tabernacle May Remain for Several Months.

Three thousand or more people were present at the tabernacle Sunday night in attendance on the closing service of the Browning-Stapleton revival campaign which had been in progress for five weeks. The building was taxed to its capacity and not a few had to stand up in the rear of the structure.

As a result of this great meeting several hundred people made professions of faith. The exact number is not known, though it was not an unusual thing for from 25 to 50 to make professions at a single service. As a result of the meeting also there will be many accessions to the several churches in the city. At several of the services the tabernacle was filled to overflowing while at every service the attendance was good. The campaign covered thirty-five days and Evangelist Browning preached between 80 and 90 times. In addition to this there were held almost daily a large number of prayer services at homes over the city and as a result of these and the preaching services the religious life of the town has been greatly deepened.

Mr. Browning did not preach Sunday night. Following the announcements and the rendering of special music he made a most earnest exhortation and twenty or more gave their lives to God at this service. Mr. Browning thanked the people of the city for the splendid manner in which he and his co-workers had been entertained, the city officials for free lights and splendid police protection, the newspapers for the space devoted to the meeting and all who had contributed in any way to the success of the meeting.

Mr. J. H. Separk announced that the free will offering for Browning, Mr. Stapleton and Mr. Kidder amounted to \$1,050. This was increased when the offerings were added up yesterday to \$1,075.22. In addition to this about \$750 was raised to cover the building of the tabernacle and other incidental expenses. A very touching scene of the Sunday night service occurred when Mr. Separk announced that 15 men of Main Street Methodist church had agreed to support for a year the family of Mr. Kondo, the Japanese friend of Evangelist Browning who has been here during part of the meeting. Mr. Browning is assisting Mr. Kondo to take the course at Emory University, Ga., in preparation for a more effective ministry in his native country. Mr. Kondo has a wife and three children in Japan. He is a Methodist minister and is endeavoring, by studying in this country to make himself more effective as a Christian worker among his own people. Though able to speak only a few English words Mr. Kondo came to the platform and endeavored to thank these men for the great kindness shown him.

It is the general consensus of opinion that Evangelist Browning's preaching has resulted not only in bringing many people to Christ who were not at all religious but in greatly reviving and stimulating hundreds of church members. As one result of the meeting a large number of people promised to establish family altars. Mr. Browning is a powerful preacher. He is possessed of a wonderful ability in description is a thorough Bible student and possesses to a marked degree the ability to develop in a most logical manner a Bible text. His illustrations were always pointed and vivid. His discourses were invariably compelling and impressive and he brought home in a most telling manner the great truths of the Gospel.

The revival just closed will remain as a landmark in the religious life of Gastonia. Some idea of the hold Mr. Browning and his co-workers Messrs. Stapleton and Kidder had on the people of Gastonia was furnished Sunday night when hundreds of people crowded around at the close of the service to shake their hands and bid their farewell and God-speed in their noble work.

Mr. Stapleton left Sunday night for his home in Atlanta. Mr. Browning and Mr. Kidder left yesterday for their homes in Lincolnton. Next week Mr. Kidder goes to Lynville, Tenn., to make preparations for a tent meeting which they are to conduct at that place beginning on the 25th. Lynville is near Mr. Browning's boyhood home.

The soothing and healing balsams open the clogged air passages and in a short time you get relief and start on the road to recovery. Your nose stops running, you cough less and you know you are getting better. Get a bottle, use as directed. Keep what is left as a cough and cold insurance.

CENTRAL SCHOOL FINALS EXERCISES WILL BEGIN SUNDAY NIGHT

Henderlite, pastor of the First Presbyterian church, will preach the baccalaureate sermon in the school auditorium at 8 o'clock. There will be no services at any of the churches in the center of the town at that hour in order that the members may hear Mr. Henderlite.

Handsome engraved invitations have been issued by the graduating class which read as follows:

The Senior Class Gastonia High School invites you to be present at the Annual Commencement Exercises Tuesday evening, June Twentieth nineteen hundred and sixteen.

On Monday night at the school auditorium exercises will be held beginning at 8 o'clock, which will be given over entirely to the undergraduates. At this time there will be read the prize essay, delivery of prizes and various announcements will be made.

Prof. J. S. Wray has secured Mr. J. D. McCall, of Charlotte, to deliver the address on Tuesday night. Mr. Wray feels fortunate in having secured Mr. McCall as he is one of the best-known lawyers of Charlotte and is an excellent speaker. Special music will be furnished on this occasion as well as the other nights.

The past year has been a very successful one in the Central schools. The class roll this year is the largest in several years, there being 16 members of the graduating class. Following are the members of the graduating class: Clifford Lee Bell, Paul Derr, Alexander Milton McLean, William Theodore Rankin, Mary Blanche Carson, Regina Coon, Viola Lucile Hopper, Lucile Durham Mason, Katherine Augusta McLean, Annie Rebekah McLean, Mary Ruth Morris, Mary Amanda Ratchford, Christine Sloan, Blanche Elizabeth Stroup, Lake McKee Simpson, Maeta Melissa Whitesides. HEALTH NIGHT: The Sanitation Committee of the Woman's Betterment Association has set Thursday evening, June 15, for Health Night, and Dr. A. A. Kent, of Lenoir, a former president of the North Carolina Medical Society has been secured to make the address of the occasion.

There will be special music for this occasion, and the prize essay of the year will be read. The subject of the essay is: "How the Individual Can Protect Himself and Others by Habits of Personal Cleanliness." The name of the winner will be announced later.

The Sanitation Committee has done much hard work and accomplished great good for Gastonia, and it bespeaks a good attendance for this occasion. There is no better way to improve conditions of the city than to interest the young people to have leaders of the medical fraternity give the public the benefit of their experience and reading on these subjects.

There is a treat in store for those who attend Thursday night.

MRS. T. E. ROBINSON DEAD. Passed Away at 1 O'clock This Morning After Brief Illness—Funeral and Burial at Olney This Afternoon.

MANAGER CARVER HERE

PRACTICE BEGAN THIS MORNING

Exhibition Games Friday and Saturday With McAdenville—Ten Players Have Already Reported—Two More Will Arrive This Afternoon—Try-out Will Be Given Several Other Men—Manager Carver Is Successful Ball Player—Won Championship With Maryville College Team—Prospects for Winning Team Are Good.

Beginning Friday of this week Gastonia fans will have the privilege of witnessing the newly acquired baseball team in action, prior to the opening games next week, when a strong aggregation of players from McAdenville will give battle in a two-game series at Lory Park. These exhibition games have been scheduled in order that the new players may get some practice and that the fans and supporters may have an opportunity to know the players.

Manager R. W. Carver arrived on train No. 12 yesterday afternoon with about 10 players, and two more were to report today. There are six or eight other men who will report to manager Carver for a try-out within the next few days. They come from various points over the State, are college players of ability and no doubt Manager Carver will be able to select a strong, aggressive team from the number that will report to him.

For the past four years Mr. Carver has been head-coach for Maryville College at Maryville, Tenn., and has established a remarkable record in that State in college baseball. Under his management the Maryville College team has won the State championship for four successive seasons. The Maryville team invaded North Carolina this season and won a majority of the games played with college teams. It will be of interest to Gastonia baseball enthusiasts to know that Mackie and Whitney, who helped represent Gastonia's victorious team last season, played for the Maryville team under Manager-coach Carver this year.

The grounds and grandstand have been repaired at Lory Park and will be in excellent shape for the games Friday and Saturday. Manager Carver and the players have already begun practice, and will continue each morning and afternoon so that the men will be in condition for the exhibition games. Tickets for the games will be on sale at the grounds and at the drug stores. The games will be called at 3:30 o'clock for the present.

Bankers Convention. Gastonia will be represented at the State Bankers Convention this week by Mr. A. G. Myers, of the Citizens National Bank, and Mr. S. N. Boyce, of the First National Bank. Mrs. Myers will accompany Mr. Myers.
