BIG ANNUAL EVENT.

Cherryville's Celebration Will Be Elaborate One This Year. The people of our neighbor town, Cherryville, are making preparations for their big annual celebration which takes place about the first Saturday in August. This has always been the occasion of large crowds in that town and we are assured that this year will be no exception. Already plans are being worked out by the promoters for securing a large list of free attractions.

Definite statements of the date and about special features will be furnished the press next week and from time to time thereafter. We venture the assertion the public will welcome this event, which has for a number of years been looked forward to as a day of rest, recreation and fun by thousands of people from Gaston and surrounding counties.

Asheville Citizen, 29th: Miss Mabel Dixon, of Gastonia, who is spending the summer in Asheville, will leave tomorrow to spend a week or ten days with friends in Gastonia and Charlotte.

To the Public.

U. S. PRISONERS RELEASED.

Carranza Accedes to Uncle Sam's Demands and Sends 23 Captured Cavalrymen Back—Situation Relieved at Least Temporarily. Washington, June 28.—An immediate break between the United States and Mexico has been averted by compliance with the American demand for release of the 23 troops captured in the fight at Carrizal. Whether war has been prevented or merely postponed no one here would attempt to say tonight. Official information as to the attitude of General Carranza was lacking. Until his response to Secretary Lansing's note, dispatched Sunday, making two peremptory and distinct demands is received there will be no decision on whether President Wilson shall lay the crisis before Congress.

News of the release of the prisoners, received early tonight in press dispatches, brought undisguised relief to high officials. It was accepted as correct and assured that Carranza, impressed with the urgency of the situation, had ordered the captured cavalrymen started for the border without waiting for his announcement of the action to reach Washington.

VILLA SHOT FROM REAR.

Deserter Says Bandit Lost Nerve and Cried During Fight.

"Is Villa dead or not?" is a question which has been asked often since the reports to that effect some weeks ago. Since the situation as it exists between Carranza and the United States has become more acute the question is repeated more often. It is a question that has not been answered satisfactorily as yet. The latest story is the following, sent out from Field Headquarters by courier to Columbus, N. M., June 26: "Francisco Villa was shot from the rear by a Mexican he had impressed into his gang, during the battle with Carranza troops at Guerrero but his fate still is unknown. The details of the story agreed with facts American officers obtained in their pursuit of Villa and by their independent secret service work, but the account does not say whether the bandit died or recovered. Villa, the Mexican deserter said, exhibited every evidence of terror during the early stages of his flight, after the Americans had defeated his men at Guerrero. The informant said he believed Villa was dead but if he still were alive, he was in the State of Durango, for which point he was heading during his flight from General Pershing's men."

ANNUAL MEETING.

Armington Hotel Stockholders Find That Establishment is Making Good — Want \$12,500 More Stock.

The annual meeting of the stockholders and directors of the Armington Hotel Company was held in the assembly hall of the hotel last night, a large number of the stockholders being present. The treasurer's report was submitted, which was a satisfactory showing for the first nine months of operation of the hotel. A committee was appointed to appear before the Chamber of Commerce soliciting the Chamber's further assistance in making and keeping our hotel one of the best hotels in the State. The committee is as follows: T. L. Craig, J. Lee Robinson, W. T. Love, S. A. Robinson and E. G. McClure.

The following officers and directors were elected: R. B. Babington, president and treasurer; C. B. Armstrong, vice-president; R. K. Babington, secretary; A. E. Moore and E. G. McClure, directors.

There are ninety of the business men of the city at present stockholders. It is desired to increase the stock \$12,500 more by soliciting stock from other business men and concerns who are not stockholders, but who are interested in the progress and growth of Gastonia. The hotel management believes that every one should take part in the development of our city. If one of the best by taking a share or two of stock which in a year or so, will be stock which in a year or so, they believe, will be valuable stock.

NATIONAL REALTY CO.

New Holding Corporation Organized By Stockholders of First National Bank—Has Capital Stock of \$50,000 Paid In—Officers Elected.

Gastonia comes to the front again this week with another financial institution of great importance and solid strength, this being the National Realty Company, to which a charter was granted by Secretary of State Bryan Grimes last week.

The incorporators of the new company are all stockholders of the First National Bank, and all stockholders in the First National became stockholders in the National Realty Company, on a pro rata basis. The capital stock is \$50,000, fully paid.

At a meeting of the stockholders held Tuesday a board of directors was elected, consisting of Messrs. T. L. Craig, O. F. Mason, J. O. White, S. N. Boyce and J. Lee Robinson. The directors then organized by electing as officers Mr. T. L. Robinson, president; Col. T. L. Craig, vice-president; Mr. S. N. Boyce, secretary and treasurer.

The purpose of the organization is to act in the capacity of a holding corporation to take over the property now occupied by the First National Bank, including all the business houses on the north side of W. Main avenue from Adams Drug Company to Ehrd's. This will leave the First National Bank owning no real estate except the new \$150,000 real estate building which is now in course of construction. The organization of a new company was made necessary by the regulations governing national banks, forbidding them from holding any real estate other than the building or block of buildings occupied as a banking house.

CHURCH NOTICE.

MORE RHEUMATISM THAN EVER BEFORE

Clergymen, Lawyers, Brokers, Mechanics and Merchant Strikers.

Our old friend Rheumatiz is having his inning this year, and a few words of caution from one who knows all about it may not be amiss. Wear rubbers in damp weather; keep your feet dry; drink plenty of lemonade, and avoid strong alcoholic drinks.

If rheumatism gets you, or sciatica, and you have sharp twinges, gnawing pain or swollen joints or muscles, you can get rid of all agony in just a few days by taking one-half teaspoonful of Rheuma once a day.

All druggists know about Rheuma; it's harmless, yet powerful; cheap, yet sure, and a 50-cent bottle will last a long time. Ask J. H. Kennedy & Co., or any druggist. 27-30.

Undersize and Underweight Debar Men from Soldiers Bunk — Second Regiment State Guard Reaches Morehead City.

Gazette readers will be interested in the following from the Camp Glenn correspondence of The Raleigh News and Observer of yesterday, dated the 28th:

With the United States government bearing the expenses, men thus far rejected from muster into regular service on account of physical defects will tomorrow be returned to home stations accompanied by non-commissioned officers to assure safety of government property. Two hundred and fifteen men, weeded from 10 organizations compose the list. Forty men will go to Asheville, 41 to Winston-Salem, 17 to High Point, 31 to Hickory, 34 to Charlotte, 29 to Gastonia, 21 to Mt. Airy and three to Canton. Undersize and underweight form a large part of the disqualifying causes.

"We bid you God speed and assure you the protection of your homes," was the banner that the second regiment of the N. C. National Guard brought into camp late this afternoon from home stations. Arrival of the additional 1200 or more men doubles the population of the encampment and brings more work for the organizers of the camp. Colonel Wiley C. Rodman, commanding the Second Regiment, has been in camp several days with his staff arranging the details for the proper reception of his men. Accordingly, when the first section drilled from their cars shortly after 6 o'clock, it was to take up places in company streets already laid out, there to begin work of raising tents. Failure of part of the tent equipage to arrive at Camp Glenn in time for the second regiment forced part of the regiment to resort to the dog tent. But rations were forthcoming and under pleasant weather conditions the men began their first night in camp.

In the absence of Brigadier General Laurence W. Young, who is detained in Raleigh, Colonel Rodman tonight assumed command of the brigade, the Third Regiment of which will be in camp Saturday.

Because of smallpox on the border order has been issued to the guard for vaccination of every enlisted man. The first battalion of the First Regiment was today given first treatment of anti-typhoid vaccine. This also is compulsory.

Among the companies already inoculated for typhoid fever is Company B, of Gastonia.

Auction Sale Tomorrow.

Tomorrow will be a busy day in real estate circles in Gastonia. The Southern Realty & Auction Co., of Greensboro, will sell for the Price Real Estate & Insurance Co., 18 lots at Fifth avenue and Willow street. This sale will begin at 10 a. m. In the afternoon at 3 o'clock the same concern will sell for this company 32 lots in Arlington Heights and 10 houses and lots on North Pryor street. There will be music by a brass band and a jar of money will be another attraction. The auctioneers state that the sale will take place rain or shine.

Governor Locke Craig has appointed Miss May F. Jones, of Asheville, his private secretary to succeed the late Col. J. P. Kerr. Miss Jones has been employed in the Governor's office for several years.

He Was Ultra Patriotic.

Charlotte Observer. One of the Gastonia soldier boys had his head set on returning "in a wooden kimona." He announced that expectation to the crowd at least a dozen times with great hilarity. However, we trust that fashion will not gain currency on this side of the border at least.

The Lincoln Times, now published weekly at Lincolnton by Mr. F. A. Slate, editor and owner, will hereafter be published twice a week.

Judge Robert Bruce Peebles, of Jackson, Northampton county, Superior Court judge of the second district, died Wednesday in a Norfolk hospital, aged 76 years.

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months.

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.
