Has Purchased X-Ray Machine.
Dr. L. N. Glenn, of this city, has purchased from the Scheidel-Western X-Ray Machine Company, of Chicago, one of their Universal Interruptless X-Ray apparatuses. This is one of the most complete and best equipped machines now being made and is as good as any X-Ray machine used in the hospitals of the larger cities. Dr. Glenn has purchased with this machine a complete set of apparatuses, and when it is installed pictures made will be as perfect as those made anywhere. Gastonia has never had an instrument of this kind in its hospital and this step will mark a new era in the medical field of this city and county. This machine, which was bought at a cost of \$4,000 will be installed about the first of October.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Visiting Famous Hospitals.

Dr. D. A. Garrison left last Friday to join the North Carolina Surgeons Club on a visit to a number of famous hospitals. Dr. Garrison went first to Clifton Forge, Va., on a short visit to friends. From there he goes to Cleveland, Ohio, Chicago and Rochester, Minn. He will return to the city about August 21.

Laborers to Baltimore.

Several Gastonia employers experienced some difficulty in securing negro workmen yesterday morning. This condition was brought about by the offers of a concern in Baltimore, Md., which carried with it provisions for transportation to that city and \$2 per day for work done in a phosphate establishment. On Sunday morning 46 negro laborers left the city in search of work in response to this offer which appeared to them to be very attractive.

Community Club Meeting.

We are requested to announce that there will be a meeting of the New Hope Community Improvement Club on Friday evening of this week, August 11. Principal S. J. Kirby, of the Gaston County Farm Life School, has been invited to be present and give a talk on the work of the school. A part of the evening's program will be devoted to James Whitcomb Riley, the noted Hoosier poet. The public is cordially invited to attend the meeting.

Loray Defeated Clara.

At Loray Park Saturday afternoon the Loray Tigers defeated the Clara Mill team in a one-sided game, the score being 7 to 3. A. J. Jenkins and Oscar Sahrms, two old Tigers, were back in the game, making it too strong for the Clara outfit to win. Boyd for the Tigers was in fine shape, striking out 16 men and allowing only five hits, while the Tigers got 14 off Parker. Features of the game were the pitching and batting of Boyd, who got a three-base hit, a two-base hit and a single out of four times at the bat. Batteries were Boyd and Willis for Loray; Parker and Smith for Clara.

Here on Leave of Absence.

Lieut. J. P. Reinhardt, of Company B, the Gaston Guards, arrived in the city Saturday from Camp Glenn on a leave of absence of several days. He reports everything in ship-shape at the camp and the boys are ready to go to the border. Pay day, he states, was looked for very anxiously but the men were mad when it did come last Friday because they couldn't spend their money, it being in bills of large denominations. "I had to borrow money to come home on although I had several bills in my pocket, but couldn't get any change at Morehead City," Lieut. Reinhardt expects to return to Camp Glenn today or tomorrow.

MRS. L. AHRANS IS AGAIN ABLE TO EAT DISHES

THAT SHE DIDN'T DARE TO LOOK AT BEFORE STARTING ON TANLAC.

"I can eat dishes I didn't dare to look at before starting on Tanlac and I recommend it to all persons suffering from indigestion," explained Mrs. L. Ahrens, 219 East Morehead street, Charlotte.

"For two years I suffered from stomach trouble. Everything I ate even bread and butter or water, would cause distress. I had to entirely quit drinking coffee. I would suffer from a burning feeling and soury gas in my stomach which made me feel sometimes that I was going to choke to death. I was nervous and put in many a sleepless night by sitting up and sewing. 'Tis different now, thanks to Tanlac. I can eat and drink anything; sleep sound all night long and am gaining steadily in strength and weight."

Tanlac is sold in Gastonia by the Adams Drug Co.; Lowell, Robinson Pharmacy; Cherryville, H. H. Allen; Belmont, Stowe & Sanders; Dallas, P. D. Sumney; Bessemer City, Thigpen Drug Co.; Huntersville, S. L. Mullins; Lenoir, Ballew's Cash Pharmacy; Grover, C. F. Hambricht; Worth, Harden Mfg. Co.; Mt. Holly, the Reep Company.—Adv.

HOW TO GO TO SCHOOL and BOARD AT \$6 PER MONTH

GO TO RUTHERFORD COLLEGE. This school has solved the problem. The cheapness of the board is not due to poor fare, but to proper management. Hundreds of boys have tried it and grown fat on it. Those desiring more expensive fare can find it in good private homes at \$10 per month.

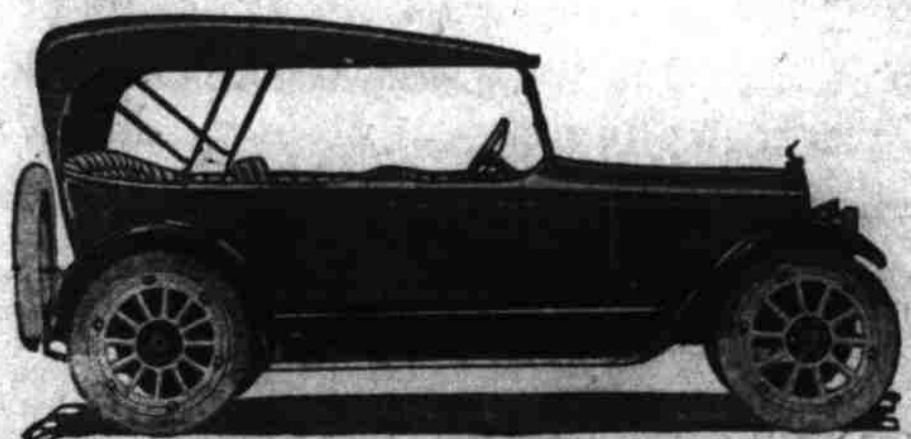

The splendid new buildings more than double the convenience, yet the same low rate will continue. The new thirty-thousand-dollar administration building, the new five-room dormitory, and the strong Faculty make Rutherford College good enough for the wealthy and the low rates make it possible for the poor to attend.

Remember the Fall term will begin Tuesday, August 29.
