ARE values in our community SHRINKING? Is our neighboring town getting AHEAD faster than ours? Are we making a POOR bargain? Have WE cause to WISH we had done differently? Then this old familiar picture (one of the best known in the world) may start us thinking on the right track. HOME values are bound to SHRINK, if our policy of trading is WRONG. We only need to borrow the wisdom of a child to appreciate the value of trading at home. Patronize the Home Merchant.
