

FARMERS NEGLECTED BY THE REPUBLICANS

But Democrats Quickly Gave Them Rural Credits.

Don't forget, Mr. Farmer, that through your Farmers' National Congress, National Grange, National Farmers' Union, American Society of Equity and similar organizations you have for years demanded and have impounded Republican administrations for legislation you needed.

What did you get? Through all the years since 1864 the Republican party was deaf and blind to the farmer's financial needs, this in the face of the fact that successful systems of rural credits were in operation throughout Europe for a century. When this great Democratic measure was put to a vote in the senate on May 4, 1916, only five Republicans dared vote against it! Three of them were on the subcommittee who wrote the Republican platform of 1916.

Was it because you were not Big Interests? You were, many of you, highly financed, and High Finance held the mortgage, and to that extent you belonged to High Finance. But you paid big interest to associate with Big Interests. A stack of wheat wasn't as good collateral as a sheep of scraps of paper held by a stock gambler. Nor did the Political Bosses of the Republican party care to give you financial justice. They were too busy "protecting" themselves.

THE PROMISES OF THE DEMOCRATIC PLATFORM OF 1912—written in courage and honesty and with sympathetic understanding of the needs of every honest American interest—HAVE BEEN KEPT!

The Republican party refused to do these things, which for the prosperity of the American farmer required.

The Republican presidential candidate, Charles E. Hughes, denounces the Democratic party and President Wilson for having done these things.

Where does your interest lie?—[From *Farmers' Pamphlet Issued For Free Distribution by the Democratic National Committee.*]

BURLESON'S "THREE STRIKE."

That \$5,200,000 Check Wins Opponent's Praise.

"The Democratic party seems to have enough capacity to run the postoffice department. Postmaster General Burleson has deposited a check for \$5,200,000 with Secretary McAdoo, being the profits of the fiscal year 1916."

Sounds like a Democratic campaign orator, doesn't it?

But it isn't. It is the Philadelphia Public Ledger, a paper that is supporting Hughes, telling its host of readers about merely one of the deeds of the Wilson administration.

Continues the Ledger:

"The secretary of the treasury replies that his department has experienced the sensation of receiving a postal surplus only three times in eighty years, and those three times have been under the administration of President Wilson and Mr. Burleson. But we have no hope that this will satisfy Mr. Hughes. He will tell the next audience he gets hold of that the service is not nearly so good as it used to be when postmaster generals were Republicans and there was a deficit every year, the amount being something over \$17,000,000."

The High Point correspondence of yesterday's Greensboro News says: What is said to be the highest price ever paid for 5 per cent municipal bonds in North Carolina was the highest bid opened last night at the city council's meeting for High Point \$50,000 street bonds. Alexander Brown & Son, of Baltimore, offered \$53,665, which figures out at the rate of 1.07 and 21-100 for the 5 per cent street improvement bonds.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that ever-tastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

Sorehead in Chickens.

A subscriber to The Gazette furnishes the following remedy for this dread disease among poultry which has been well tried and found to be most effective:

Take an ounce of carbolic acid, full strength, and mix (in a large-mouthed bottle) with half a pint of raw linseed oil. Make a swab of a small stick with a soft rag around the end and apply to the head and comb and wattles. Do this two or three times a day a day or two apart. Be sure to get pure full strength carbolic acid. Separate the affected chickens from the others and put them in a coop so as to get at them

easily to apply the mixture.

The Gazette's readers who have poultry affected with this disease would do well to try this remedy.
