### MISS CORNELIUS SAYS SHE CAN EAT CUCUMBERS AGAIN

SINCE TAKING TANLAC SHE HEARS FRIENDS REMARK ON HEALTHIER APPEARANCE

Miss Margaret Cornelius, of 409 East Twenty-first street, Charlotte, who was "unable to touch cucumbers for years," recently told the Tanlac Man: "Now I enjoy eating any and all foods, with no distress afterwards. I feel so much better and stronger and I sleep fine and feel fine. My complexion has cleared up and it is noticeable among my friends, quite a few of whom have told me how much healthier I am looking. Tanlac surely is a fine medicine and has helped me so much that I advise everybody suffering as I was to give it a trial."

"Before taking it I suffered from nervous indigestion for three years. I tried various remedies and was under the doctor's care, but gained only temporary relief. What I ate, particularly anything greasy, disagreed with me and I suffered a fullness in my stomach and a dull, aching pain close to my heart. My nerves were broken down and I didn't rest for dreaming. But not so now."

Tanlac is sold in Gastonia by the Adams Drug Co.; Lowell, Robinson Pharmacy; Cherryville, H. H. Allen; Belmont, Stowe & Sanders; Dallas, P. D. Summey; Bessemer City, Thigpen Drug Co.; Huntersville, S. L. Mullins; Lenoir, Ballew's Cash Pharmacy; Grover, C. F. Hambright; Worth, Harden Mfg. Co.; Mt. Holly, the Reep Company.—Adv.

THE GAZETTE \$2.00. On and after January 1, 1917, the subscription price of The Gazette will be \$2 the year instead of \$1.50 as at present. Until that date new subscriptions and renewals will be taken at the old price. All subscriptions are strictly cash in advance. This increase in the price of the paper is rendered imperative because of the unprecedented increase in the cost of print paper and all other materials which enter into the making of a newspaper.

### Mysterious Pains and Aches

Make Life Hard to Bear for Many Gastonia Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy—Doan's Kidney Pills. Hosts of people testify to their merit. Read a Gastonia case: Mrs. J. S. Poole, 170 W. Second Ave., Gastonia, says: "I had inflammatory rheumatism and was down for weeks at a time, unable to help myself. My doctor advised me to try Doan's Kidney Pills and I did. A few boxes made my kidneys act more regularly and I didn't have that pain in my back. I have had very little trouble from rheumatic twinges for seven or eight years now." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Poole had. Foster Milburn Co., Props., Buffalo, N. Y.—Adv.

We have been licensed by Mr. Edison to demonstrate and sell his new invention.

You would smile if we asked you this question:

"DO YOU THINK THERE IS ANY TALKING MACHINE RECORD WHICH SOUNDS EXACTLY LIKE THE ARTIST WHO MADE IT?"

What will you do, when we tell you that Edison Re-Creations of music, played on Edison's new invention, the New Edison, are indistinguishable from the original music.

If you say you don't believe this, you array yourself against two hundred thousand music lovers who have actually heard the comparison made and who unanimously confess their inability to detect the living voices from Edison's Re-Creation of them.

Won't you come to our store and let us give you an Edison Musicale?

Yours faithfully,

NOVELTY AND THRILLS IN METRO-YORKE FILM.

Harold Lockwood and May Allison Seen at Their Best.

Harold Lockwood and May Allison, one of the most popular combinations in the silent drama, will be seen on the screen here at the Cozy Theatre today in "The River of Romance," a five-part Metro wonder-play produced by the Yorke Film Corporation. In this production Mr. Lockwood is seen in the role of a wealthy young man who decides to make his own way in the world. Not finding anything better to do he buys a broken-down motor boat, which he uses to ferry passengers among the islands in the St. Lawrence river. There he meets the beautiful daughter of a rich New Yorker, on a visit to the Thousand Islands. He falls in love with her, but she rebuffs him. The girl is struck by his manner, nevertheless, but on account of his station in life, refuses at first to consider him seriously. Little by little, however, she loses her heart to him.

How he finally carries her away against her wishes in his boat and forces her into an elopement, when she thinks he is a burglar, forms a story of thrills and stirring situations. The boat sinks while they are running away and the supposed boatman saves the girl.

There is an unusual twist to the finale, making it one of the best stories ever provided for these stars. Mr. Lockwood and Miss Allison are surrounded by an unusually strong cast including Lester Cuneo, Bert Busby, Lee Walker, Phil Masi, Dan Hanlon, Mrs. Mathilde Brundage, Lillian Halpern and other well-known stage and screen artists. Henry Otto, who produced "Undine," directed "The River of Romance."

Fire at Dallas. Gastonia's fire department was called to Dallas at noon today to assist in conquering a fire which destroyed the store of Luther Holland on the southeastern corner of the square and threatened other buildings. The Dallas fire department needed some additional hose which was furnished by the Gastonia department. The big truck left here at 12 o'clock and was back at the city hall at 12:45, having remained in Dallas until the fire was thoroughly under control.

Mrs. Clyde C. Armstrong returned home last night from Semora, where she spent several weeks with her mother, Mrs. R. B. Bass.

### TRY THIS TO BANISH ALL RHEUMATIC PAINS

People who have been tormented for years—yes, even so crippled that they were unable to help themselves—have been brought back to robust health through the mighty power of Rheuma. Rheuma acts with speed; it brings in a few days the relief you have prayed for. It antagonizes the poisons that cause agony and pain in the joints and muscles and quickly the torturing soreness completely disappears. It is a harmless remedy, but sure and certain, because it is one discovery that has forced rheumatism and sciatica to yield and disappear. Try a 50-cent bottle of Rheuma, and if you do not get the joyful relief you expect, your money will be returned. J. H. Kennedy & Co. always has a supply of Rheuma and guarantees it to you.—(Adv.)
