We have been licensed by Mr. Edison to demonstrate and sell his new invention.

You would smile if we asked you this question:

"DO YOU THINK THERE IS ANY TALKING MACHINE RECORD WHICH SOUNDS EXACTLY LIKE THE ARTIST WHO MADE IT?"

What will you do, when we tell you that Edison Re-Creations of music, played on Edison's new invention, the New Edison, are indistinguishable from the original music.

If you say you don't believe this, you array yourself against two hundred thousand music lovers who have actually heard the comparison made and who unanimously confess their inability to detect the living voices from Edison's Re-Creation of them.

Won't you come to our store and let us give you an Edison Musicale?

Yours faithfully,

C. F. SMITH DEAD.

Well-Known Citizen of Stanley Passes—Gave His Life for Others.

STANLEY, Oct. 9.—In the death of Charles Fox Smith, the town and county lost one of its best known, and ablest citizens. Mr. Smith's death while expected for several days, was a distinct shock to his hosts of friends throughout the State.

The funeral services were conducted at the Smith cemetery, near Iron Station, at 11 o'clock by Rev. Mr. Bentley, the Episcopal rector of Lincolnton. A large crowd of relatives and friends gathered there to pay their last respects. He is survived by his sister, Miss Mary Smith, with whom he lived, and three brothers.

Mr. Smith was a remarkable man in many ways, he was more familiar with the family history of the settlers of Gaston and Lincoln counties than possibly any other citizen. He was never married and gave the major portion of his life in doing for others. Any movement for the betterment of society always found him supporting it. He was always an active Democrat though never an office seeker, he enthusiastically supported the nominee. His loss to the community is irreparable.

#### ATTENDING CONVENTION.

Mrs. W. L. Balthis and Mrs. J. W. Moore go to St. Louis to Attend Big Gathering of Episcopalians—Mrs. Balthis Treasurer of Offering Fund.

Interest of the Christian world is turning to the General Convention of the Protestant Episcopal Church which will convene on Wednesday, October 11th, in St. Louis, Mo., and continue for three weeks. Many notable churchmen will be present among whom are Bishop Montgomery, sent by the Archbishop of Canterbury, and Bishop Yeatman-Biggs, the latter for years the select teacher before the universities of Oxford and Cambridge. From Canada will come Archbishop George Thorneloe of Algoma; Bishop David Williams, of Huron, and the Rev. E. G. Henderson, of Windsor. The English and Canadian representatives will bring greetings from forty million Episcopalians in the English-speaking world.

Mrs. W. L. Balthis, of Gastonia, is deaconess treasurer of the United Offering Fund of the Woman's Auxiliary. This fund is raised by the women and is used exclusively for work among women. This fund is presented at each triennial convention, the last presentation amounting to over \$300,000.

Mrs. Balthis and Mrs. J. W. Moore left yesterday for St. Louis to attend the convention.

#### TO JACKSONVILLE.

North Carolina Riflemen Leave in Special Pullman from Gastonia Tomorrow Afternoon—Seven of Fifteen Shots Are Gastonians.

North Carolina's team of expert riflemen who are to participate in the National Rifle Shooting Match at Jacksonville, Fla., the last half of this week, will leave Gastonia in a special Pullman attached to Southern train No. 45 tomorrow evening.

This team will be constituted as follows: D. E. McConnell, R. H. Parker, T. A. Wilkins, L. L. Brison, R. B. Wilson, Charles L. Hord and H. M. Van Sleen, of Gastonia; Chas. E. Bradshaw, C. C. Porter, W. G. Cavers and T. C. Barrier, of Charlotte; L. B. Townsend, J. B. Bowen and W. G. Pittman, of Lumberton, and W. Mack Hoke, of Lincolnton. These are all members of Government Civilian Rifle Clubs of which there are eleven in the State. Gastonia's club is the largest in the State, having eighty-odd members.

Dr. D. E. McConnell, of this city, was appointed captain of the team by the Adjutant General's office and to him was delegated the task of getting up the team. The time for accomplishing this task was very short. He got at once in touch with all the clubs in the State in an effort to get 12 of the very best shots in North Carolina. Most of the clubs were unable to send representatives. In the delegation which leaves tomorrow, with 12 shots and three substitutes, there are several crack shots. Of the Gastonians Mr. Chas. L. Hord has made an excellent record as a sharpshooter while a member of the North Carolina Guards. He was one of the representatives of Company B at the Jacksonville shoot last year.

For this big event there will be gathered at Jacksonville perhaps 5,000 of the finest shots from the regular army, the National Guards and the Government Rifle Clubs. It is a national affair. Heretofore only the regular army and the National Guards have participated, this being the first year civilians have been permitted to enter the contests. Gastonia is hoping to see her crack shots win some honors.

#### TO MEET AT CITY HALL.

Those Interested in Organization of Cotton Mill on Co-Operative Plan Invited to Meeting Thursday Night.

Col. C. B. Armstrong, president and treasurer of the Armstrong, Clara, Dunn and Monarch mills, has sent out a large number of circular letters inviting all who are interested in the building of a cotton mill on the co-operative plan to be present at a meeting to be held at 7:30 o'clock Thursday night in the City Hall. Not only those to whom the notices have been sent, but the public generally, are invited to attend. As announced in The Gazette some time ago Col. Armstrong has a plan by which stock in the new mill can be purchased through the local building and loan associations by weekly or monthly payments, and this plan will be explained in detail at Thursday night's meeting.

She leaves three living children, John Parks Boyd, of York county, S. C.; Rufus E. Boyd, of Jacksonville, Ark.; and Mrs. Rhett Johnston, where she died and with whom she lived three years, the remainder of her life being spent in York. Twenty-seven grand children and thirty-three great grand children are left to mourn her loss.

Charlie Ford Having a Fine Time—Marvin Visits a Shell Factory—A Note from Across the Border.

In a private note from G. H. Marvin who, with Mrs. Marvin and Mr. and Mrs. Chas. Ford, is spending some time in Canada and the Adirondacks, and who wrote from Montreal under date of the 6th, occur the following sentences which will be of interest to many of our readers:

"Ford and his wife are having one big time, so far at any rate. One thing seems strange to me—look at most where you will and you can see soldiers. They are sending them across every week. They have already raised about half a million and still they are gathering them in. I visited one shop yesterday where they were making shells and it looked odd to see women working at the lathes in place of a machinist. Labor is scarce; some smart boys are getting as high as 35c per hour and any common laborer from 25 to 30c per hour.

"We had a fine time at Toronto and Ottawa. We go from here to the Adirondacks. Will be pleased to catch up with The Gazette at Saranac and get the news from home. We have all been well and are feeling fine."
