My wife has also taken Vinol for a run-down condition with splendid results."

RELEASED ON FORGERY CHARGE

Young Man of Richmond, Va., Arrested Here Tuesday and Returned There on Forgery Charge — Writes That He Has Been Acquitted—Was Soliciting for Newspaper.

S. G. Gunter, of Richmond, Va., who was arrested here last Tuesday afternoon by Chief Carroll on a charge of forgery, and who was taken to Richmond by detective Wiley, of the Virginia city, has written to friends here that he has been released from custody upon the payment of the costs in the case and will return to Gastonia next week to continue his work.

The young man was arrested upon information from the Richmond police authorities stating that he was wanted for forgery. Gunter made no attempt to make his escape nor to conceal his identity, and he explained, when arrested, that he and a friend who had been working together had been in the habit of endorsing for each other. In the absence of the friend he had made the endorsement himself and later advised his friend to that effect. It seems that some misunderstanding followed and hence his arrest. Gunter was soliciting subscriptions while here for a newspaper publication.

—Mrs. Jack Pierce, of Pollocksville, arrived in the city last Thursday and will be the guest of Mrs. T. L. Craig until the close of the U. D. C. convention. Mrs. Pierce is Mrs. Craig's niece and is a delegate to the convention.

Old Folks Saved From Suffering

Mrs. Mary A. Dean, Taunton, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have proven most beneficial in my case."
Mr. Sam A. Hoover, High Point, N. C., writes: "My kidney trouble was worse at night and I had to get up from five to seven times. Now I do not have to get up at night, and consider myself in a truly normal condition, which I attribute to Foley Kidney Pills, as I have taken nothing else."
Mrs. M. A. Bridges, Robinson, Mass., says: "I suffered from kidney ailments for two years. I commenced taking Foley Kidney Pills ten months ago, and though I am 61 years of age, I feel like a 18-year-old girl."
Foley Kidney Pills are tonic, strengthening and up-building, and restore normal action to the kidneys and to a disordered and painful bladder. They act quickly and contain no dangerous or harmful drugs.

IN NEARBY COUNTIES

NEWS AMONG OUR NEAR NEIGHBORHOODS

Cleveland Cullings.

The Star, 6th.
Senator Lee S. Overman will speak at Kings Mountain at 2 p. m. Thursday, October 12th. It is expected that a great crowd will hear the Senator as this will probably be his only speech in this immediate section. Ex-Governor R. B. Glenn will speak in Shelby October 28th.

If the rain does not interfere, the Ely Construction Company will begin laying the top dressing of asphalt on the improved streets today. Mr. and Mrs. Robert Carpenter and baby left Wednesday for Gastonia to attend the fair and from there they will go to Stanley to visit his mother.

Drs. R. E. Ware and W. F. Mitchell were in Gastonia yesterday where they were accorded the honor of serving as Judges in the Better Babies Show, which is each year an interesting feature of the fair.

To Oklahoma and back in a Ford is the record established by Mr. Ad Poston and son of Shelby and Mr. D. W. Hamrick and son, A. B. Hamrick, of Chesnee, S. C. They returned a few days ago from a visit to Dave Hogue in Oklahoma, making the trip of 1200 miles there and the same distance back without so much as a tire puncture.

To Mr. and Mrs. John W. Seism, of near Double Shoals, there have been born three sets of twins. Four days before the parents reached their seventh marriage anniversary, seven children had been born to them—the three sets of twins and one single child. The six living children are strong and healthy. One died after it had reached two years of age.

The court is called on to decide who gets a bride of a few weeks—her husband or her father. It will be remembered that Miss Dessie Lackey, daughter of Mr. Hill Lackey, of Fallston, and Mr. Lee Martin ran away to South Carolina and were married, contrary to the wishes of the bride's parents. The father had issued a habeas corpus proceeding, demanding that the bride be returned, but before it came to trial, he got possession of her in a manner over which there is dispute as to whether by force on the part of father or choice on the part of the bride. After this proceeding was dismissed the groom issued a habeas corpus proceeding on which the father was ordered to produce the bride before his honor Judge Webb. This he failed to do, contending that his daughter, the bride, is not in the State and therefore beyond the jurisdiction of this court. (It is reported that she is in Virginia, where she was sent by her father.) The court held that she is under the control of her father, that he is within the State, and this puts her within reach of the courts of this State. It is the order of the court therefore that Mr. Hill Lackey produce his daughter, now Mrs. Lee Martin, before Judge Webb tomorrow in Shelby.

York and Yorkville.

The Enquirer, 3rd.
Friends and acquaintances of Rev. W. E. Lowe, the former pastor of Clover and Union Baptist churches, will be interested to learn that he has resigned the pastorate of the Second Baptist church of Shelby which he is now serving. His resignation takes effect January 1. The referee in the cases of York County vs. J. E. Lowry and R. M. Bratton who refused to pay for

cleansing of streams on their premises in Bethesda township in November of last year, has not yet announced his finding. The understanding is that the cases of the county against several Bethesda land owners, the contention being the same, will be heard next Thursday.

Mr. Abraham Tracy Hardin, son of the late Ira Hardin, of Blacksburg, has been promoted from vice president of the New York Central Railway to a position in which he is assistant to the president regardless of department, and in connection with lines not directly operated. Mr. Hardin has been with the New York Central about 22 years.

While riding a bicycle in the public road near his home Saturday afternoon, the young son of Mr. Fred Smith, of Tirzah, and another little boy were run down by an automobile bearing a North Carolina number and occupied by several men coming from the direction of Rock Hill. The bicycle was demolished and the boys suffered several scratches. The driver of the car did not even slow down, after striking the boys. The number of the car was secured and the authorities in Yorkville were notified to watch out for it; but the driver either did not come through Yorkville or the officers missed the party.

Some 200 Gastonians spent a half hour in Yorkville last Friday afternoon advertising the second annual Gaston County Fair, which opens its gates in Gastonia today. The party which included both ladies and gentlemen, in 27 automobiles, drove straight to the courthouse steps and through the honking of their horns quickly gathered quite a sizable crowd to see and hear. After a creditable and entertaining exhibition of the drum corps of the Gastonia Knights of Pythias under the direction of Mr. J. Holland Morrow, there were several short addresses by Mayor C. B. Armstrong, Mr. T. L. Craig and others. These addresses extended the compliments and felicitations of Gaston and Gastonia to York and Yorkville and of course wound up with a cordial invitation to visit the fair. The Gastonia visitors had stopped at Clover on their way down, of course; but as the shades of evening had begun to fall before they concluded the little meet here, they returned home direct. The incident made up a pleasant and enjoyable little diversion for all the participants.

—Mrs. E. O. Jennings had as her guests last week Miss Lillian Robinson, of Salisbury, Miss Marie Fletcher and Mrs. Louise Orr, of Charlotte. Mrs. W. E. Padgett and Mrs. P. D. Hinson, of Lincolnton, spent Friday here with Mrs. Jennings attending the fair.

Beam Family Reunion.

Lincoln County News, 2nd.

An event of much interest and pleasure was that of September 21st, the 77th birthday reunion of Mrs. Susan Bess Beam, widow of the late Frank Beam, a Confederate veteran, who died several years ago at the age of 55.

These reunions are held annually at the home of Grandmother Beam in North Brook township and it is a large gathering of relatives and friends.

Mrs. Beam, though she has reached a ripe old age is still in good health, and of a happy disposition, and can relate many interesting events in history during and following the civil war days.

A feature of the reunion was the sumptuous dinner served on a long table by the old spring under the tree, a spot dear to every member of the family circle.

There were between 173 and 200 present—children, grand children, and great grand children, and friends of the family.

Mrs. Beam is the mother of thirteen children, 87 grand children and 44 great grand children.

The children are well-known in this and other counties. They are John, Sallie, David, George, Mamie, Charlotte, Theo, Lizzie, Dora, who died in infancy, and Kale and Peter.

—Mr. Audie E. Beam, of Cherryville, was among the fair visitors last Friday.

—Miss Laura Young, who has been the guest for several weeks of her uncle, Col. C. B. Armstrong, left last Thursday for her home in St. Louis.

—Mr. and Mrs. S. J. Durham, who have been spending the summer at their Bessemer City home, have returned to Gastonia and are again at home at 108 East Third avenue.
