Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition in the mucous surface. Hall's Catarrh Cure acts on the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars Free. All Druggists, Tole. F. J. CHERRY & CO., Toledo, O.

ORGANIZE FRIDAY NIGHT.

Greater Gaston Association to Be Formally Launched at That Time—Progress in the Township Organizations.

(Written for The Gazette.)
The organization meeting of the Greater Gaston County Association to be held Friday evening in the court house will bring together the citizens of the whole county.

At the present stage of progress the association numbers almost 300 members and it is anticipated that this figure may be nearer 400 upon the evening of the meeting when all the townships have been heard from definitely. Gastonia, with something over a 100 members, is at the head of the list, followed by Belmont with 50, Cherryville with 25, Dallas and Mount Holly with about 20, Bessemer City with almost as many, Stanley with 15 and McAdenville with 10.

Two of the county towns have already put their local chambers of commerce into operation. These are Dallas and Belmont. The officers and directors of the Dallas chamber are: President, J. Wirt Summey; vice-president, J. C. Puett; secretary and treasurer, Evon L. Houser and the directors in addition to the officers are A. R. Martin and R. S. Lewis. In the Belmont chamber of commerce the officers are: President, Geo. W. Stowe; vice-president, W. R. Stowe; secretary and treasurer, D. P. Stowe. The directors in addition to the officers are R. L. Stowe, J. Q. Hall, W. D. Crawford and Clarence Tucker.

Nominees for directorship in the county association have not yet been named in South Point township the only two townships to complete this work being Dallas and Gastonia. In Dallas the nominees are J. Wirt Summey, Prof. J. B. Hinson, Dr. S. A. Wilkins and C. F. Cunningham. In Gastonia the nominees are Col. T. L. Craig, Mayor C. B. Armstrong, J. H. Kennedy and E. G. McLeod. Two of these four nominees in each township will be elected on Friday evening.

The Bessemer City Chamber of Commerce was organized last night at the city hall in Bessemer City and the Cherryville chamber will get underway tonight with a promisingly strong membership.
