City School Department

The printers are going to think that we have a very fine attendance. Printers find proper names hard to set up. For this reason the schools appreciate very much the space given to the Honor Rolls by the papers of the city. Wonder if the patrons give a like appreciation!

The schools enjoyed the visit of the fine body of women forming the Convention of the United Daughters of N. C. They were an inspiration to the schools and from some of their words of admiration it seems that the schools were somewhat of an inspiration to them.

It is the ambition of the superintendent and the excellent faculty to make the schools meet the needs of the people in such a way that every citizen will point to the schools and visit them with just pride.

Raymond Ratchford, one of our boys now a Senior at Davidson College, paid us a visit Monday. Any school could well be proud of such a record as Raymond is making at Davidson. Last year he won a medal in debate and one in essay writing. He has made a record of reliability that secured for him a place as assistant to the professor of English. He helps only in the filing of the papers of the department. But this is a place that means much to the fortunate student. The best wishes of Gastonia schools are with Raymond.

Below is a list of the pupils who were neither absent nor tardy during the first 21 days of this year. In such a list from so many rooms occasionally there will be mistakes or omissions. These will be looked into gladly if called to the attention of the teacher or the office.

Watch for the Scholarship Honor Roll next week.

San Felice Cigars

FIVE CENTS STRAIGHT AND WORTH IT.

Owing to the greatly increased cost of quality tobaccos, in fact everything pertaining to high grade cigars, the makers of the San Felice cigar, The Deisel-Wemmer Company, have advanced the selling price to the Jobbers and Dealers, and henceforth this cigar will positively be sold to the consumer at 5 cents straight instead of six for a quarter as previously.

The SAN FELICE is national in its scope and character, having justly attained this eminence through its unexcelled excellence. To maintain this unequalled standard of quality, the advance in question is absolutely unavoidable. The generous support of all men using quality cigars is earnestly desired.—Adv.
