### EFIRD'S BUY BIG STOCK OF SHOES

Takes Over Foreman Shoe Co's Stock of Over \$50,000—Mr. Foreman in Automobile Business—Large Deal in Charlotte Business Circles is Successfully Concluded. (Copy from Charlotte News.)

One of the biggest deals in mercantile stock ever consummated in local business circles was completed successfully yesterday after several weeks of negotiations, when Mr. J. B. Efir, head of Efir's Department Stores, purchased the entire stock of shoes of the Foreman Shoe Company at a figure said to be between \$50,000 and \$60,000.

This large and well diversified stock of shoes will be handled by the Efir chain of department stores including the large business in this city. The stock of shoes acquired by the Efir chain of stores comprises one of the biggest assortments of footwear to be found anywhere in the State with a great variety of styles and prices, and patrons of the Efir stores will likely be given interesting opportunities in the near future to procure purchases at interesting figures.

Mr. W. R. Foreman, head of the Foreman Shoe Company, which now retires from the list of local wholesale and jobbing houses, organized the Foreman Shoe Company in Charlotte in March, 1911. He will now devote his entire time to the automobile business in which he has been engaged in for some time.

A Wholesale Stock of Shoes is different from a retail stock. All new and fresh and in most instances are in cartons. Inventory of this immense stock of Shoes has been completed and marked down ready to go on sale SATURDAY MORNING.
