

HE LIVED ON EGGS AND MILK BUT IS ABLE TO EAT NOW

CHARLOTTE BUSINESS MAN'S WIFE ALWAYS GLAD TO TELL ALL ABOUT TANLAC.

If we could only stop wearing expensive shoes we might be able to get on our feet. Patterson, (N. J.) Press Guardian.

"One day a neighbor happened in and said: 'Why don't you try Tanlac? I have been greatly benefited by its use and am sure it will help you. Certainly, it will do no harm.'" The speaker was Mrs. A. F. Threatt, and she was talking about her husband who is a market merchant in Charlotte. The Threatts live at 503 Ninth avenue, that city.

"My husband was a sufferer from stomach trouble of the worst form." Mrs. Threatt went on, "for the past four years. You may imagine how bad off he was when not even an egg or milk would stay on his stomach without fermenting. He was restless at nights and did not sleep well, and lost in weight.

"But Tanlac has helped him. I never knew anything could work such wonders. Why, don't you know, my husband has, after taking four bottles of Tanlac, a splendid appetite. He eats anything. His strength is improving and he sleeps just fine. I am always glad to tell about Tanlac, as we are indeed grateful for what it has done, and we hope others will gain from it." she ended smilingly.

Tanlac is sold in Gastonia by the Adams Drug Co.; Lowell, Robinson Pharmacy; Cherryville, H. H. Allen; Belmont, Stowe & Sanders; Dallas, P. D. NIXON-PRUDEN MARRIAGE.
The following account of the Nixon-Pruden marriage is from the Severn correspondence of The Charlotte Observer under date of the 30th:
On December 27, at 8 p. m., the Baptist church at Severn was the scene of a beautiful wedding when Miss Audrey Pruden, daughter of Mr. and Mrs. G. W. Pruden, became the bride of Joseph Robert Nixon, of Lincolnton.
The church was beautifully decorated with palms, ferns, narcissuses and pink roses. The beautiful and impressive ring ceremony was used. The officiating minister was Rev. Jesse Blalock of the Baptist church, the bride's pastor.
The wedding music was rendered by Miss Sallie Hoggard (age 13) only niece of the bride, and just before the ceremony Miss Claude Stephenson schoolmate and life-long friend of the bride, sang "Because" and "I Love You Truly." The bride was attended by her sister, Miss Hilda Pruden, as maid of honor, who wore a dress of pale blue chiffon tulle and carried Killarney roses.
The bridesmaids were Miss Myra Nixon and Mae Cline, of Lincolnton, Louise Lawrence, of Franklin, Va., Josie Parker, of Potocasi, Bernice Howell, Isla Britt, Mary Fleetwood and Lillie Pruden, of Severn. They wore shepherdess dresses of pink and white silk and carried pink shepherd's crooks and shepherdess hats filled with pink roses and galax leaves, thus carrying out the color scheme of pink and green.
The ushers were Messrs. Stanley Pruden, brother of the bride, Archie Pruden, a cousin, Cade Rogers and Thomas Abernethy, friends of the groom; who wore tuxedo suits and white gloves and boutonnières of white rosebuds. Master Dudley Barnes was ring bearer. He was dressed in a suit of white velvet and carried the ring on a pink satin cushion in a tiny glass basket.
The bride wore a dress of white duchess satin with pearl trimmings and court train. Her veil was of tulle caught up with a wreath of orange blossoms.
The bridegroom had as his best

Judge Cline has some rules and regulations for the governing of the conduct of his court and has sent copies to the attorneys, court clerks and others interested in the district. For the information of the public The Gazette reproduces these regulations below:
To Superior Court Officials and Attorneys:
The following general working regulations will apply in Superior Courts, 14th District, (Mecklenburg and Gaston Counties) Spring Terms 1917, in all cases, unless modified from necessity:
HOURS: Court will convene at 9:30 a. m. (including first day), adjourn at 1 p. m.; meet at 2:30 and adjourn at 5:30. No night sessions will be held. The adjournment hours will not be advanced "to save time" or for any one's accommodation.
JURORS: Interruptions to ask if jurors may be excused for such and such a time will not be permitted, but they will be informed when this can be done.
ATTENDANCE: Jurors, witnesses, litigants residing in the city will not be sent for or waited on, but must answer when called.
TRAINS: No case will be delayed awaiting the arrival of any train or suspended to enable any one to catch any out-going train.
COUNSEL: No case will be held to give defendants time to employ counsel, or counsel to examine witnesses. Preparation must be made before case is called.
AGREEMENTS: No private agreements to postpone a case until a subsequent day will be recognized; they must first be submitted to and approved by the Court.
ARGUMENTS: The statutory time and number will apply but counsel are respectfully requested to curtail the argument to the actual necessities of each case.
ORDER IN CRIMINAL CASES: When the jury is impaneled in one case the Solicitor will announce, if possible, the next case to be called, of which all persons concerned must take notice and be ready.
JUDGMENTS: When pronounced in Criminal cases will not be reconsidered except in very meritorious instances. All discussions will be public and during Court hours.
DIVORCE CASES: These cases will be given no preference whatever.
CONSTIPATION CAUSES BAD SKIN.
A dull and pimply skin is due to a sluggish bowel movement. Correct this condition and clear your complexion with Dr. King's New Life Pills. This mild laxative taken at bedtime will assure you a full, free, non-gripping movement in the morning. Drive out the dull, listless feeling resulting from overloaded intestines and sluggish liver. Get a bottle to-day. At all Druggists, 25c. 1

er; they must be regularly calendared or will not be tried.
MOTIONS: The regular business of the Court will not be suspended to hear motions as much time is thereby lost while jurors are kept waiting; motions must be arranged for days when jurors are not in attendance.
REFERENCES: A mistrial will be directed in cases where a reference is obviously necessary; it is hoped that all such will be referred by consent, and when done a prompt hearing will be given to the Report.
It is believed that the observance of these reasonable regulations will increase the efficiency and diminish the labor of the Courts.
This January 1, 1917.

A rich, hot cup of INSTANT POSTUM with sugar and cream is a most delicious beverage.

Try it!—particularly if you are one of those with whom coffee disagrees.

A dozen years ago POSTUM drinkers were comparatively few. Today, this table drink is served on railway trains, on ocean steamers, at leading hotels and restaurants, and millions use POSTUM instead of coffee at home.

POSTUM has become popular because it is popular to be healthy.
