"Gastonia's Leading Clothiers"

This is the month to change the character underwear—to change to the light summer underwear that will bring cool comfort.

The underwear we have for summer wear is long on coolness and comfort and short as to leg length. It's the athletic, knee length kind that's so popular.

In many different fabrics. Of course, we have the regulation underwear—full length, etc., at similar prices.

Anything else you want in men's furnishings you may be sure WE HAVE.

EMPLOYEES INSURED.

Seven Mills Managed by Col. C. B. Armstrong Give Their Thousand Employees Life Insurance Policies Aggregating \$300,000.

A new departure in community welfare work was instituted here Saturday when Col. C. B. Armstrong, who is at the head of seven cotton mills, gave to each of his more than 1,000 employes a life insurance policy. The policies were placed with the Metropolitan Life Insurance Co. of New York, through its local agency, the total of these policies being more than \$300,000. Each man and woman employed in the Clara, Dunn, Armstrong, Piedmont, Monarch, Elizabeth and Seminole Mills, over 14 years of age, was given a policy for \$300. These policies are payable to members of the family of the insured and the premiums are paid by the several mill managements. After an employe has been with the mill for a period of 12 months the policy will be increased to \$400 and at the end of the second year to \$500, this being the final limit.

The above mentioned group of mills are the first in this immediate section to realize the benefits of such a system of insurance for employes, though it is understood that some other mills now have under consideration the adoption of similar systems.

—Mr. W. L. Noles, of Mt. Holly, was in town Saturday on business.

—Miss Sarah Harris, Miss Laura Gilliam and Miss Mary Louise Crowell, students at Queens College, Charlotte, spent Sunday here as the guests of Miss Mary McLean.

KIRMESS reserved seat sale opens at Kennedy's Thursday morning.

Keep the Kidneys Well

Health is Worth Saving, and Some Gastonia People Know How to Save It.

Many Gastonia people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Gastonia man's recommendation: John T. Parleir, shoemaker, 403 E. Franklin, Ave., says: "Whenever my kidneys get out of order, I use Doan's Kidney Pills and a few doses always give me relief. Sometimes my back aches or my kidneys don't act as they should, but Doan's Kidney Pills fix me up in a few days. I don't suffer much from backache now and my kidneys are acting normal." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Parleir uses. Foster-Milburn Co., Props., Buffalo, N. Y.
