OHIO ALIENS BARRED; MOURN FOR BEER.

(By International News Service.)
LAKEWOOD, O., June 16.—Orders forbidding aliens from crossing the Rocky River bridge, which connects the little town of Rock River and this city, have resulted sadly for many Germans.
There's a little German colony in the town of Rock River, but the village is "dry." They used to cross the bridge to get their beer, but since they have been forbidden to do so many walls of anguish are heard.

SEVEN BROTHERS DEAD OR HURT, PASTOR ENLISTS.

(By International News Service.)
GREENCASTLE, IND., June 16.—The Rev. Thomas Young has resigned the pastorate of the Presbyterian Church of this city to enter the English army. Of eight English brothers, he is the only able-bodied one left. The others have been killed or wounded in the service of the British Empire.

OHIO GIRLS "DO BIT" WORK ON RAILROADS.

(By International News Service.)
CLEVELAND, O., June 16.—Women of Cleveland are doing their bit by working at manual labor to fill the jobs of men who have enlisted.
Fifty of them, clad in overalls, and dark-colored middie blouses, are wiping engines at the Erie roundhouse. Two dozen or more are working in the shops, running lathes and the such. Thirty-five more have gone to work as checkers for the Baltimore & Ohio Railroad. And every one of them like their work. "No harder than washing or ironing," is the chorus.

BREAKS ARM OF KNIFE WIELDING MEXICAN.

(By International News Service.)
MEMPHIS, TENN., June 16.—A Mexican with a long, keen knife may be a good man south of the Rio Grande, but he does not cut much figure when he tries to cut his way through a squad of American soldiers. Suso Retta, from war-torn Mexico, came to Memphis and tried to cross a Mississippi river bridge guarded by a contingent of the Alabama National Guard, in Federal service. He flashed his knife and slashed at a sergeant, but before he could kill in Mexican style one of the soldiers struck him over the arm with his gun. The arm was broken and the knife fell harmlessly to the ground. The Mexican went to jail.

Fifty-eight interned Germans arrived Tuesday at Hot Springs, where the government has leased the big Mountain Park hotel property as a prison camp. It is expected that a total of 1,000 Germans will be sent to Hot Springs and probably another 2,000 to the Pisgah National forest.

THEY PRAY SO LOUD HE CAN'T SLEEP.

(By International News Service.)
FREEPORT, L. I., June 16.—Too much praying right out loud gives Ambrose Dunleavy no chance to sleep. Dunleavy lives next door to the negro church here, and since the church has started impassioned revivalist meetings he has written to Police Chief Hanse asking that prayers be suppressed. "Neither myself nor my children are able to sleep," he complained.

SENDS TWICE HIS TAX TO AID WAR MEASURES.

(By International News Service.)
NEW YORK, June 16.—Add another patriot to the list. In answer to appeal to taxpayers to pay their income taxes in advance, one man sent double the amount, asking that the extra sum be used for war purposes. Collector Edwards couldn't accept the money, but suggested that it be given to the Red Cross or for the purchase of Liberty Bonds.

MOTHERS-IN-LAW NOT HOME WRECKERS AT ALL.

(By International News Service.)
PORTLAND, ORE., June 16.—Mothers-in-law don't play the leading role of breaking up homes that they're popularly supposed to. Conclusions to this effect have been reached by students of statistics at Reed College in answer to the question as to why husbands leave home. Miss Bessie Nelson, a member of the graduating class, delved into the situation and found that either too many children or too few children were also frequent causes for divorce.

Mr. Benjamin N. Duke, of Durham, prominent tobacco manufacturer, is in a Philadelphia sanatorium, suffering from a nervous breakdown.

SEPTEMBER MORN SERVES IN U. S. NAVY.

(By International News Service.)
MILWAUKEE, June 16.—A youth walked into one of the recruiting offices downtown and volunteered for the navy. He had on his forearm a copy of "September Morn." MANY SPY SUSPECTS IN BUFFALO DISTRICT.

(By International News Service.)
BUFFALO, N. Y., June 16.—Police and other authorities are hard at work along lines that indicate they have discovered a number of possible spies operating throughout Western New York, with headquarters in Buffalo. The thorough cleaning out now under way in the foreign sections of the city and an order that considerably "tames down" some of the socialistic and other organizations' meetings, were inspired, it is understood, by advices that conspiracy plots have been undertaken in this territory.

The first haul by the police was a group of 150 "no-work" advocates, all of whom were openly opposed to war and were agitating peace sentiment along the water front and big industrial sections for weeks. Leaders of this group were sent to the penitentiary.

KAISER IS ANGRY OVER CONSTANTINE INCIDENT.

Declares the "Mailed Fist of Germany With Aid from Almighty God Will Restore You Your Throne."
Berne, June 15.—A telegram from Berlin says Emperor William has addressed the following message to one of the Greek diplomatic representatives abroad for transmission to former King Constantine:
"I have heard with wrath of the infamous outrage committed by our common enemies upon you and upon your dynasty. I assure you that your deprivation can be only temporary. The mailed fist of Germany, with further aid from Almighty God, will restore you to your throne, of which no man by right can rob you. The armies of Germany and Germany's allies will wreak vengeance on those who have dared so insolently to lay their criminal hands on you. We hope to welcome you in Germany at the earliest opportunity. A thousand cordial greetings from, "Your William."
