DEATHS

MRS. MARY D. WILSON.

Mrs. Mary D. Wilson, mention of whose illness was made in last week's Gazette, died about 4 o'clock Sunday morning at the home of her daughter, Mrs. J. K. Dixon, on South York street. Death was due to old age, Mrs. Wilson being in her 89th year. The end came simply as a wearing out of the body. She was the victim of no disease and suffered no pain. Until a week before her death she was able to be up and around the house though for some time past she had not been able to leave the house.

Mary D. Patterson was born in Spartanburg, S. C., January 9, 1829. On November 29, 1855, she was married to Lawson Wilson and moved to Crowders Creek, this county, where they resided for many years on a farm. Mr. Wilson died April 9, 1866. To them were born eight children, three of whom are living. These are Mrs. J. K. Dixon, Mrs. V. B. Millen, who makes her home here with Mrs. Dixon, and Mr. Giles L. Wilson, a prominent banker of Jacksonville, Fla. Mrs. G. W. Falls and Mrs. E. N. Lineberger, both of whom are dead, were daughters and three sons died in infancy. For a number of years after her husband's death Mrs. Wilson continued to reside at Crowders Creek, but for the past several years had made her home with her children.

Mrs. Wilson joined the Episcopal church in her girlhood but after her marriage joined the Presbyterian church, of which her husband was a member. Her membership was at Bethel for a time but was later moved to Olney church where it remained until her death.

Funeral services were held at the Dixon home Sunday afternoon at 4:30 o'clock, Rev. J. H. Henderlite, pastor of the First Presbyterian church, officiating, assisted by Rev. Dr. J. C. Galloway, pastor of the First Associate Reformed Presbyterian church. A large number of friends was present to pay a last tribute to her memory. The floral offerings were many and beautiful. Following the funeral the body was taken to Olney cemetery, four miles south of town, for interment. Among those here from out of town for the funeral were Mr. Giles L. Wilson, of Jacksonville, Fla.; Mr. Kay Dixon, her grandson, of Asheville; Mrs. L. P. Walker, of Spartanburg, S. C.; Mr. and Mrs. Hayne Patterson, of Patterson Springs, and Messrs. William and George Patterson, of Patterson Springs.

Mrs. Wilson was a woman of the highest type of Christian character. As wife, mother and friend she was true to every relationship of life and her influence for good extended to all with whom she came in contact. She lived close to her Master and her life was a benediction to many people. The children and grandchild-

have the sympathy of many friends in their bereavement.

HARLEY PATTERSON REDDING.
Following an illness of only two days, Harley Patterson Redding, little son of Mr. and Mrs. Jesse Redding, died Sunday afternoon at their home in West Gastonia, aged three years and six months. Funeral services were conducted at the home this afternoon by Rev. G. P. Abernethy, pastor of the Loray Baptist church.

PYTHIANS AT ROCKY MOUNT.

Were Royally Entertained and Had Splendid Meeting—Goes to Henderson Next Year—List of New Officers.

Gastonia's delegation to the North Carolina Grand Lodge Knights of Pythias returned Friday afternoon from Rocky Mount, where the sessions were held. Mr. J. H. Kennedy was the representative of Gastonia Lodge No. 53 and the Gastonia Pythian Drum Corps, with a membership of about 25, went in a body, having been invited to attend and assist in the Doble ceremonial which is always a feature of the Grand Lodge meeting. Mr. Kennedy and the Drum Corps boys are loud in their praises of the manner in which Rocky Mount entertained them.

On the opening night, Tuesday, a splendid musical recital was given complimentary to the Grand Lodge. It was of unusual merit, the numbers being all rendered with skill. The Elks Lodge, the Rocky Mount Chamber of Commerce, the Sagamore Club and the Y. M. C. A. vied with each other in their efforts to make the stay of the Pythians a delightful one.

The meeting itself was one of the best in the history of the lodge. The attendance was fine and the reports showed the order to be in a flourishing condition. Next year's meeting goes to Henderson, which sent a delegation of about 20 men over to Rocky Mount to extend an invitation.

Officers for the ensuing year were chosen as follows: Dr. Byron Clark, of Salisbury, Grand Chancellor; D. W. Sorrell, Durham, grand vice-chancellor; grand prelate, Rev. R. B. Owens, of Charlotte; grand keeper of records and seals, W. T. Hollowell, of Goldsboro; grand master of the exchequer, G. W. Montcastle, of Lexington; grand master at arms, W. W. Branch, of Rhodhiss; grand inner guard, E. M. Gier, of Canton, and grand outer guard, H. L. Holder, of Rocky Mount.

George L. Hackney, of Lexington, was elected as supreme representative, succeeding Thomas H. Webb, of Concord, whose term expired. As trustees of the orphan home at Clayton, C. H. Herbert Smith, of Acme, and Thomas S. Webb, of Concord, were elected to succeed themselves.

Mr. J. H. Kennedy, of Gastonia, was appointed chairman of the standing grand tribunal committee.

—Mrs. C. S. Carson, of Bessemer City, was in Gastonia on business Saturday.

Scare Was Unfounded.

City Physician J. A. Anderson has received word from the State Laboratory of Hygiene that the specimen sent for analysis on June 6 was negative throughout, containing no typhoid nor cholera bacteria, nor mineral poison. This was matter thrown into the city reservoir by a negro who was found to be mentally unbalanced.

Dr. Byron Clark, of Salisbury, was on Wednesday unanimously elected Grand Chancellor of the Knights of Pythias of North Carolina at the meeting of the Grand Lodge being held in Rocky Mount.

JUDGE FOR YOURSELF

Which Is Better—Try an Experiment or Profit by a Gastonia Citizen's Experience?

Something new is an experiment. Must be proved to be as represented.

The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back, A lame, weak, or aching one, Would you experiment, or not?

You will read of many so-called cures.

Endorsed by strangers from far-away places.

It's different when the endorsement comes from home.

Easy to prove local testimony. Read this Gastonia case:

In the list of subscribers to Liberty Loan Bonds through the First National Bank, which was published on page one of Friday's Gazette, the subscription of the Gray Manufacturing Company for \$10,000 in bonds was omitted by mistake. The total number of subscribers through the First National Bank was 137, who took a total of \$137,500. Through the Citizens National Bank 200 subscribers bought \$100,000 worth of bonds, making a total for Gastonia of \$237,500.

NORTH POLE TO SEE EXCLUSIVE ECLIPSE.

(By International News Service.)
NEW YORK, June 18. — The Esquimaux and the MacMillan Arctic expedition's members are going to enjoy an exclusive show today which will be invisible to the rest of the world. The exhibition will consist of a partial eclipse of the sun.

The eclipse will be visible only in the North Polar regions. A curious feature of this eclipse is that it will actually run over from today to tomorrow, or rather be seen on different days in different places. This is due to its visibility on both sides of the "date line," 12 hours west of the Greenwich meridian, running due north and south through the mid-Pacific.

In crossing this line the voyager sets his calendar a day ahead or a day back, according to the direction in which he is going.

The year 1917 has seven eclipses, more than in any 12-month of the century past or of the next 100 years to come.

My suffering has disappeared, and I cannot recommend your Ironized Paw-Paw too strongly as my self-experience makes me give you this testimony so that others can be benefited."
