CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadersville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape. I cannot say too much for Black-Draught for it is the finest laxative one can use." "Theodore's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it. NO-135

GERMANS TO HOT SPRINGS.

Ten Carloads of German Sailors Pass Through Hickory on Way to Hot Springs.

The following is from Friday's Hickory Record:
 Ten car loads of German sailors bound from Atlantic ports to Hot Springs to be interned during the period of the war, passed through Hickory today and were given the once-over by many Hickory people, including a number of members of Company A and Troop A, Lincoln Cavalry. The Germans looked fat and sleek, proving that they had been in a land of plenty since the outbreak of the war and proving further that most of them had passed the age assigned to soldiers and seaman. Their waist bands were large and their heads were showing through the strands of yellow hair.

COCCHI CONFESSES TO MURDER OF CRUGER GIRL.

(By International News Service.)
 NEW YORK, June 23.—Alferdo Cocchi, proprietor of a motorcycle shop where Ruth Cruger's body was found, has confessed he attacked and killed the girl, according to a dispatch from Bologna, Italy, where he is under arrest.
 Cocchi confessed in an effort to save himself from the electric chair. He said he became infatuated with the girl and made advances. She angrily repulsed him. He took her in his arms and later killed her.

DISPUTE BETWEEN GOETHALS AND DENMAN UNSETTLED.

(By International News Service.)
 WASHINGTON, June 23.—Story that President Wilson had settled the dispute between Goethals and Denman which was sent broadcast by Associated Press officially denied by officials. President still considering the matter and intimation that he took snap judgment is resented. It is learned that President has information that every possible ship, both wood and steel, must be turned out if submarines are to be defeated.

CAN READ BY LIGHT OF NIGHT BOMBARDMENTS.

(By International News Service.)
 NEW YORK, June 25.—Sergeant Arthur G. Empey, an American who served in the British army for a year and a half before he was wounded, told members of the New York University Alumni Association that intense bombardments raging along the western front give sufficient light to read a newspaper in the first trench.
 Empey said army chaplains hold services sometimes on gun carriages with one eye on the Bible and the other on German aeroplanes. The Prussians, he said, are the most ferocious fighters, with the Bavarians next and the Saxons third.

COAST GOLFERS IN PATRIOTIC TOURNEY.

(By International News Service.)
 PORTLAND, ORE., June 25.—More than 200 leading golfers of the Coast States and British Columbia were ready to tee off when the seventeenth annual championship tournament of the Pacific Northwest Golf Association opened at the Waverly Golf club today. STATE HOUSE ANTHOLOGY.

DAVID P. DELLINGER
 (O. J., in Raleigh Times)

I was but reading clerk to the House, I who should have been Commissioner of Labor and Printing. Aye, and would have been
 Could I have got Mitch Shipman to meet
 Me on the stump.
 The biggest part of Shipman is his mustache;
 I have a lip thatch fully as luxuriant
 And a voice that pleases even the ladies.—
 I know, for I've told them that I was Constitutionally opposed to suffrage—and again
 That I was for votes for women, in both cases
 Getting away with it. Acquiring acquaintance
 Is another strong point of mine.
 During the
 Session I presented my card, "David P. Dellinger, Attorney-at-Law, Cherryville," to everybody
 And to the representatives of the press four
 Times each. The next time I run against
 Shipman I am going to be better known.
 He has a mustache and the job; I have
 A better-looking whisker and a voice.—
 I who should have been Commissioner
 Of Labor and Printing and was only
 House reading clerk.

Keep The Kidneys Well

Health is Worth Saving, and Some Gastonia People Know How to Save It.
 Many Gastonia people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Gastonia man's recommendation.
 John T. Parleir, shoemaker, 403 E. Franklin Ave., says: "Whenever my kidneys get out of order, I use Doan's Kidney Pills and a few doses always give me relief. Sometimes my back aches or my kidneys don't act as they should, but Doan's Kidney Pills fix me up in a few days. I don't suffer much from backache now and my kidneys are acting normal."
 Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Parleir uses. Foster-Milburn Co., Props., Buffalo, N. Y.

NUX-IRON PAW PAW A LIQUID COMPOUND

PREPARED FOR STOMACH TROUBLES
 The Oldest and Most Reliable Remedy on the Market.

Established Over 20 Years.
 For years Paw-Paw was the only vegetable Pepsin known, and everywhere it was welcomed for indigestion and stomach trouble and has a record of 20 years of established dependability.
 Then the chemists discovered that IRON and NUX produced rich, red blood and steadied the nerves. After many trials IRON and NUX were combined with Paw-Paw, the result being a tonic of wonderful body-building qualities, plus a nerve steadier and a muscle developer. In other words, IRONIZED PAW-PAW is a combination of three well-known ingredients of real merit, and instead of getting the three you get the same results—if not better—in one dose of IRONIZED PAW-PAW.

Our doctor says: "Never take tablets if you can help it. Specially in cases of weakened stomachs and run-down systems, they are very hard to dissolve and frequently pass out of the body without assimilation." A little common sense and thought will convince sufferers that liquid form is the only reliable way, if they desire immediate results.
 A system that is overworked or run-down requires a harmless stimulant. Alcohol lifts but lets you fall. Ironized Paw-Paw lifts and holds you. Your druggist probably keeps it, but if he doesn't it is sold in Gastonia by J. H. Kennedy & Co.; The Robinson Co., Lowell; Twitty & Robinson Co., Rutherfordton.
 Ironized Paw-Paw, price \$1.00. Formula on every bottle. Mail orders promptly attended to. Interstate Drug Co., Inc., New York.—Ad.
