If not, you don't know how comfortable it is possible to be—and well-dressed, too,—even in the hottest summer weather. Why not try one, or more, right now? The cost is very little; the satisfaction immense. Schloss Bros. & Co., the great Baltimore and New York tailors, make up these suits for us in the same peerless way for which their woolen suits are famous. The style, the materials, the workmanship,—all fine.

**\$7.50 - \$10 - \$12 - \$15**

This is about the way prices run on these goods. You can choose from genuine Palm-Beach Cloth, the attractive new cool cloths, the famous Cravenetted Mohair, or Tropical Worsted. Also let us supply you with your Summer Shirts, Underwear, Hosiery, Neckwear, Headwear, etc.

NEW HOPE, July 12.—The Home Demonstration Club met with Mrs. J. V. Hanna July 5th. #### "A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic.

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, tired-out nervousness, sleeplessness, side-out colic, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.
