**DEATHS**

**JOHN J. EDWARDS.**

Father of Mr. R. W. Edwards Died Last Night at Advanced Age—Was Confederate Veteran—Funeral and Burial at Neeley's Creek Church, York County, Tomorrow.

At the home of his son, Mr. R. W. Edwards, 309 East Main avenue, at midnight last night Mr. John James Edwards died of dropsy of the heart following a serious illness of a month. About a year ago he suffered a severe attack of pneumonia from which he never entirely recovered though he had been able to get about with ease until attacked by his final illness.

Deceased was born October 24, 1842, in Chester county, South Carolina, where much of his life was spent. At the outbreak of the War Between the States he enlisted in Company A, Seventeenth South Carolina Volunteers, of which his half-

brother, W. H. Edwards, was captain. He served with bravery throughout the war, being several times very painfully wounded. At the close of the war, or soon thereafter, he took up his residence on a farm near Neeley's Creek A. R. P. church in York county, where he lived for more than 40 years. Following the death of his wife September 29, 1915, he came to Gastonia to spend his declining years with his son.

Surviving deceased are two brothers, L. G. Edwards, of Edgemore, S. C., and M. D. Edwards, of Bradley county, Ark.; one half-brother, Capt. W. H. Edwards, of Chester, S. C., and three sons, R. W. Edwards, of Gastonia; Dr. James G. Edwards, of Henrietta, Okla., and J. E. Edwards, of Gastonia.

The body will be taken on No. 39 tomorrow morning to Neeley's Creek church, York county, South Carolina, for burial. Rev. Dr. J. C. Galloway, pastor of the First Associate Reformed Presbyterian church, will conduct the services. Mr. Edwards only recently moved his membership to the church here from Neeley's Creek church, where he had held it for perhaps 50 years or more. He was a loyal and consistent member of the church and a man of the highest integrity. He was held in very high esteem by a large number of friends, to whom the news of his death will bring great sorrow.

**Union Elects Teachers.**

The Union school in South Point township has elected teachers for next session. Many of the schools put off the election of teachers until a late hour and the chances are that the best teachers have employment. It seems that it would be better for the schools and teachers if all the rural schools would select their teachers at the earliest possible date. The following teachers will have charge of this school: Misses Ethel Long, Myra Nixon, of Lincolnton, and Miss Crawford Sledge, of Kings Mountain.

Mrs. Gloria Jones, of Raleigh, wife of Recruiting Officer Charlie Jones, who swallowed a tablet of bichloride of mercury, is improving and will recover. No reasons for the act have been made.

**DIZZY SPELLS**

**Relieved After Taking Two Bottles Of Cardui, Says Tennessee Lady.**

Whitwell, Tenn.—Mrs. G. P. Cartwright, of this place, writes: "About four years ago the dizzy spells got so bad that when I would start to walk I would just pretty near fall. I wasn't past doing my work, but was very much run-down."

I told my husband I thought Cardui would help me, as a lady who lived next door to me had taken a great deal, and told me to try it. This was when we were living in Kentucky.

My husband got me a bottle and I took it according to directions. It helped me so much that he went back and got me another bottle. I got a whole lot better and just quit taking it. I got over the dizzy spells... I took no other medicine at that time nor since for this trouble. No, I've never regretted taking Cardui.

I felt just fine when I finished the second bottle. Purely vegetable, mild and gentle in its action, Cardui, the woman's tonic, may be the very medicine you need. If you suffer from symptoms of female troubles, give Cardui a trial. All druggists. NC-129

**PAY \$500 MORE AND GET A RUGGED, THRIFTY CAR WHOSE FIRST NAME IS QUALITY AND LAST NAME IS CHALMERS**

A well known man said the other day: "I have owned three kinds of cars. One was a low priced small car that was uncomfortable to ride in and costing me money right along in repairs.

"One was a high priced great big car that kept me in hot water much of the time paying the gas and tire bills.

"I found relief in a Chalmers. It just suits me. I get all the room and all the car I want, and I find because of its inbuilt quality that it is far more economical than the smaller, cheaper car with which neither I nor the Mrs. was ever pleased."

We feel that as a whole the Chalmers car fits in just between the two in a way that gives just about what nine out of ten want—a sensible car with a sensible price.

Sensible because it has a quality backbone and ribs, and sensible because it is thrifty. Which is interesting in war times and important. For, as the Scotch say, "A dollar saved is a dollar earned."

Have you ever been behind the wheel of a Chalmers?

ALL CHALMERS ARE SIX CYLINDER CARS.

5-Passenger Touring Car ...\$1,250	7-Passenger Touring Car ...\$1,350
Roadster ...\$1,250	Cabriolet ...\$1,625
Sedan ...\$1,850	

All prices f. o. b. Detroit and subject to change without notice. Weight of 5-Passenger Chalmers 2790 pounds.
