Stella-Vitae

THE GUARANTEED TONIC FOR WOMEN

third of a century.

For nearly ten years it has been sold under a plain, positive guarantee to benefit. Less than one bottle out of every one thousand sold has been refunded for, and every claim for a refund has been satisfied. Thousands of letters like this praising
Stella-Vitae and telling of benefit to
suffering women have been received.
Trs. E. H. Russell, of Mill Springs.

N. C., gratefully writes us as follows: "I was in a most wretched condition; had palpitation of the heart and would swell and bloot in a most distressing way. When I began using Stella-Vitae I weighed 108 pounds. Now I weigh 135. I am more thankful than I can ever tell you for the great good this won-derful medicine has done me."

Mrs Russell was at that critical period, the "change," and her sincere gratitude for the blessed relief will be understood and appreciated by every woman who reads her letter.

Stella-Vitae has proved a boon to suffering womanhood, to young girls approaching their first vital period, to women approaching the anguish of childbirth, to women approaching the "change of life." Stella-Vitae strengthens the female organs and promotes regularity in the monthly function. . o risk of loss is taken by

ering woman who tries Stella-Vitae on our guarantee of the first bottle.

All dealers sell Stelia-Vitae and will return your money if it does not bene-tit you. Don't put off a trial.

DOCTOR AND MINISTER TELLS#HOW NEW NATURE REMEDY BUILDS YOU UP

DR. PAUL THORP

"Not long ago I had a talk with a splendid man, the Rev. J. H. Hobbs, of Wilmington," said Dr. Paul Thorp. "We were discussing how best to build up the system after it has had some terrible or unusual strain put upon it, such as has been caused, let us say, by the influenza epidemic.

Rev. Dr. Hobbs said: "Two years ago a blood vessel burst and caused me to suffer with my heart because of the loss of strength I had sustained. The doctors told me a torpid liver and kidney trouble had followed this weakness.

"My whole system was out of order. What little I could eat would not agree with me. I got so nervous I could not sleep over two hours. I would have pains

"I could not get relief from the medicines I had taken and I felt like giving up hope of ever seeing a well day again. But while I was in Raleigh I heard of a medicine that appealed to me because I knew just what was in it and what it ought to do for my case

WAS SAFE AND SENSIBLE.

"This medicine was Peplax. The first few doses relieved me and after finishing the first bottle I felt so satisfied I was at last on the right track that I bought five bottles more. I can truthfully say that this new Peplax made me feel like a new man. It built me up just as I needed. I don't believe I ever felt better in my life than I do now

"Rev. Hobbs is like most people," continued Dr. Thorp. "When they learn Fred W. Sapp, Winston-Salem; Norman Fogleman, Franklinton, and Jefferson the fine old, time tried Nature remedies that have been combined in Peplax they Nothing secret or mysterisay. Here is the medicine I have been looking for. ous about it. It is not prepared for one weak organ alone, but for the whole digestive tract. The Nature remedies used in Peplax are each famous for one speial curative power and all have been so combined that each keeps all its own cood effect while, at the same time, all act together. That is what makes Peplax the ideal system parifier and builder Rev. Hobbs found it to be.

EIGHT FAMOUS REMEDIES

"As soon as one learns the Peplax Nature remedies they understand its merit, for those remedies are:

"Gentian root, the finest old stomachic for indigestion and food souring; Juoper Berries to cleanse the kidneys and bladder; Spanish dicorice root to allay critation and remove the foreign mucus that is clogging the organs and inteslines; Chinese Rhubarb root to invigorate the sluggish bowels; Mandrake, the old serve tonic; dandelion root, most famous of all liver medicines in Nature form; Jamaica Ginger root, which is the special time for the stomach lining to warm the stomach and nourish the stomach blood supply, and sarsaparilla root, the best move of all blood purifiers.

All that Nature wants is a chance and this chance Peplax is designed to give. With the system once purified, toned up and filled with vigor, Nature can be counted on to do the rest. However, because of its flesh building value, men and women who do not wish to gain flesh should not take Peplax. There are a few women who would rather be exceedingly slender than exceedingly healthy. So we say to these persons so they will not be disappointed, 'Don't take Peplax.'

l'eplax, this safe, sensible Nature remedy that Dr. Thorp tells about, is speially explained in Gastonia at Kennedy's Drug Store and is sold by the leading lruggists everywhere. If your druggist can't supply you just write to the Keniedy Drug Store, Gastonia.
