HAD TO QUIT DOING HER HOUSEWORK. Acute Indigestion Caused Her Agony—So Weak Could Hardly Walk. TELLS HOW IN TEN DAYS SHE GOT WELL.

"I couldn't do my work, I had such awful spells of acute indigestion and stomach trouble. Everything I ate disagreed with my poor stomach and I had grown so weak I could scarcely walk across the floor. Then they convinced me I ought to try one more remedy. I had suffered for years and was skeptical of all medicine, but, thank goodness, I took Peersons Genuine Indian Blood Purifier and although it seems miraculous and unbelievable in ten days time I was up and about doing my own housework. Doing my washing and ironing took all evening so heavily I hardly knew myself. I ran even out dried onions, which I never stored lunch before, and my indigestion is so good and I am so much stronger and better, I cannot praise Peersons Genuine Indian Blood Purifier enough," declared Mrs. E. M. Parker, 406 S. Main St., Seneca, S. C.

RELIEVES INDIGESTION. When the digestive organs falter the food you eat clogs-up the stomach and begins fermenting and forming foul poisonous gases causing belching spells, sick headaches, constipation, pains in the stomach, a suffocated feeling in chest and pressure around the heart. These poisons soon permeate the whole system and hinder and obstruct the other vital organs. Even the brain is affected. The blood becomes impoverished and thin. The sufferer loses weight, strength, energy and ambition. The whole system suffers for want of the nourishment it does not get.

To remove the cause and permanently relieve such troubles, take Peersons Genuine Indian Blood Purifier. Sold in Gastonia only by J. H. Kennedy & Co.

Why Take Calomel? Dr. Thacher's Liver & Blood Syrup will do all that calomel will do and without the "after effects."

Years ago, when people were bilious, when the liver got lazy and failed to do its work or the stomach was out of condition, calomel was the standby. By and by the use of calomel found that the "after effects" of taking the drug were so bad and more often worse than the ailment for which it was taken.

Dr. Thacher, in seeking a medicine to take the place of calomel—one that would do all the good that calomel would do, and yet leave none of its evil effects perfected Dr. Thacher's Liver & Blood Syrup. This was in 1852, and each year since has added to the confidence of those who have used it.

Miss Susie Brewer, of Chattanooga, Tenn., tried calomel. She was suffering with a very serious cold and gripe and had no appetite whatever. After the calomel failed she tried Dr. Thacher's Liver & Blood Syrup. She felt better after taking three doses and she soon got entirely well. "I think Dr. Thacher's Liver and Blood Syrup is a wonderful medicine," she said, "and I am very thankful I tried it."

For nearly three-quarters of a century this sterling preparation has been an "old stand-by" in thousands of homes in treating rheumatism, dyspepsia, indigestion and other stomach and liver complaints. It is a powerful tonic and blood purifier and can be used with the utmost confidence.

Write Thacher Medicine Co., Chattanooga, Tenn. for a copy of "Thacher's Family Doctor," a book giving cause, symptoms and treatment of 47 common diseases.

EMPLOYE SPEAKS

"I've Gained Five Pounds on Tanlac and All My Troubles Are Gone."

"I've gained five pounds on Tanlac and all my troubles are gone," said Miss Mavit Ellis, a valued employe of the S. W. Bell Telephone Company, who resides at 608 Belknap street, Fort Worth, Tex.

"My health began to fail several months ago," she continued, "and before long I was in such a condition from indigestion and sick headaches that I hardly knew what to do. My appetite failed and it was an effort for me to eat even enough to keep me alive. Food didn't seem to give me proper nourishment and I grew so weak and rundown that I feared I couldn't hold out much longer. At times my head would ache until it seemed like it would burst and the pain was almost unbearable. I was going down hill so rapidly that it was only by forcing myself that I could stay on at my work. Nothing gave me any relief, and as several of my friends had taken Tanlac and told me what it had done for them, I decided to try it.

"It would take a long time for me to tell just how grateful I do feel for what Tanlac has done for me. I began to feel better right from the start. My appetite has come back to me and I can eat just anything I want and never have any trouble, those terribly headaches have disappeared altogether. I haven't a pain in my body and am as full of energy as if I'd never been sick at all. My work is a pleasure to me now and I am glad to recommend Tanlac, for it alone is responsible for my great improvement."

Tanlac is now sold exclusively in Gastonia by the Adams Drug Co.; in Bessemer City by the Horsley Drug Co.; in Cherryville by the Allen Drug Co.; in Worth by the Hardin Mfg. Co.; in Mt. Holly by the Holland Drug Co.; in Dallas by P. D. Summey & Co., and in Belmont by the Stowe-Saunders Drug Co.
