

Above, Not Against.
We may not be able to dissipate the forces which war against us, but we can strengthen the forces which range themselves for us. We may not be able to change the conditions in which we must live, but we can train ourselves to be more brave and patient in their endurance; to keep our spirits above them, instead of in constant irritation against them.

Controlling the Winds.
Controlling the winds is not yet an aviation triumph. If an aircraft starts from one point to another due east, and there is a wind blowing of 15 miles an hour northeast, that will clearly have to be taken into consideration, and the compass course altered (before ascending), according to the total distance of the journey.

Kauri Gum.
The kauri gum district of New Zealand covers an area of approximately 914,000 acres. From kauri gum (named after the kauri pine) is made the high-grade varnishes used for furniture and for automobiles. Since the discovery of the gum by an American sea captain in 1853, New Zealand has produced kauri to the value of \$92,000,000.

Felt His Importance.

Herbert was asked to hand the tools to his father, who was under the car trying to repair it. For this his father praised him, telling him he had been of great assistance. When they reached home and explained to his mother why they were late Herbert promptly added: "Yes, and if there hadn't been two of us men along we might not be here yet."

All Biblical Towns.

It was at Lydda, which was "nigh unto Joppa," that Peter restored Aeneas, "who had kept his bed eight years and was sick of the palsy," and it was, of course, in Joppa itself that Peter restored Tabitha to life. Here also he lodged for a time "with one Simon a tanner, whose house is by the seaside," and it was here that he saw the wonderful vision which taught him the universality of Christianity.

The Strong Withstand the Winter

Cold Better Than the Weak

You must have Health, Strength and Endurance to fight Cold, Grip and Influenza. When your blood is not in a healthy condition and does not circulate properly, your system is unable to withstand the Winter cold.

GROVE'S TASTELESS CHILL TONIC

Fortifies the System Against Cold, Grip and Influenza by Purifying and Enriching the Blood.

It contains the well-known tonic properties of Quinine and Iron in a form acceptable to the most delicate stomach, and is pleasant to take. You can soon feel its strengthening, invigorating effect. 50c.

Don't Prod Your Liver to Action

MR. Overcomes Biliousness, Constipation, Sick Headache, Queasiness, Griping or Pain. Guaranteed.

The organs of digestion, assimilation and elimination—the stomach, liver and bowels—are closely allied, and the proper action of any of these organs is largely dependent upon the correct functioning of all the others. "Whipping" your liver into action with calomel or forcing your bowels with irritating laxatives or strong cathartics is a great mistake. A better, safer plan is strengthening and toning the whole digestive and eliminative system with Nature's Remedy (NR Tablets), which not only brings immediate relief, but contains an lasting benefit. It acts on the stomach, liver, bowels and kidneys, improves digestion and assimilation, overcomes biliousness, corrects constipation and quickly relieves sick headache.

Get your system thoroughly cleaned and purified for once; stomach, liver and bowels working together in vigorous harmony, and you will not have to take medicine every day—just take one NR Tablet occasionally to keep your system in good condition and always feel your best. Remember it is easier and cheaper to keep well than it is to get well.

Get a 30c box and try it with the understanding that it must give you greater relief and benefit than any bowel or liver medicine you ever used or to pay, Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

Why Take Calomel?

Dr. Thacher's Liver & Blood Syrup will do all that calomel will do and without the "after effects."

Years ago, when people were bilious, when the liver got lazy and failed to do its work or the stomach was out of condition, calomel was the standby. By and by the use of calomel found that the "after effects" of taking the drug were as bad and more often worse than the ailment for which it was taken.

Dr. Thacher, in seeking a medicine to take the place of calomel—one that would do all the good that calomel would do, and yet leave none of its evil effects perfected Dr. Thacher's Liver & Blood Syrup. This was in 1852, and each year since has added to the confidence of those who have used it.

Miss Susie Brewer, of Chattanooga, Tenn., tried calomel. She was suffering with a very serious cold and griping and had no appetite whatever. After the calomel failed she tried Dr. Thacher's Liver & Blood Syrup. She felt better after taking three doses and she soon got entirely well. "I think Dr. Thacher's Liver and Blood Syrup is a wonderful medicine," she said, "and I am very thankful I tried it."

For nearly three quarters of a century this sterling preparation has been an "old stand-by" in thousands of homes in treating rheumatism, dyspepsia, liver-digestion and other stomach and liver complaints. It is a powerful tonic and blood purifier and can be used with the utmost confidence.

Write Thacher Medicine Co., Chattanooga, Tenn. for a copy of "Thacher's Family Doctor," a book giving cause, symptoms and treatment of 47 common diseases.
