GASTON'S MACHINE GUNNERS.

It is with a feeling of pleasure and of pride that The Gazette gives liberally of its space today to an article by Capt. R. G. Cherry of Company A, 115th Machine Gun Battalion, 30th Division...

It was with feelings of extraordinary pride that Gastonia watched Gregg Cherry, just launching out on a promising career as a member of the local bar, lay aside his law books, his prospects, his ambitions, and throw himself body and soul into the task of organizing and training a company of machine gunners.

These men are coming back some one of these days, pretty soon perhaps, and Gastonia will welcome them with open arms, as they will also old Company B, which was placed in the 105th Engineers and which did just as valiant fighting.

—Miss Mary Hildebrand, buyer for McNeely's, has returned from the North ern markets.

—Mr. J. Meech Smith and Dr. Ike Campbell, of Clover, S. C., were business visitors in the city yesterday.

TROUBLES LASTED FOR EIGHT YEARS

Mrs. Corbett Couldn't Get Up and Down Stairs Without Help — Picture of Health Now She Says.

"I not only gained sixteen pounds on Taulac but I have improved until I am in better health today than I have been in eight years," said Mrs. T. C. Corbett, 12 Ponders Avenue, Atlanta, Georgia.

"For the past eight years, I couldn't eat anything hardly without it soured on my stomach and formed gas that puffed me up and made me miserable for hours. My knees were so stiff I couldn't go up stairs by myself and when I lay down, I couldn't get up without help. I lost weight and got so feeble that I couldn't do any of my housework. I tried everything I could get hold of, and had about given up hope.

"Since I have taken two bottles of Taulac I have picked up and improved so that my friends say I am the picture of health and I feel like a different person. I can eat anything I want without having any trouble afterward, the backaches have disappeared and I can get around as well as anybody and nothing hurts me at all."

Taulac is now sold by good druggists everywhere.

WASHINGTON, Feb. 6.—President Wilson will be on his way back to Paris within a month from the time he arrives in America, about February 24th, unless an elective League of Nations is soundly endorsed in the meantime. It is learned from a reliable source today that the President's program is to deliver a series of addresses in different parts of the United States, taking the people into his confidence, explaining his interpretation of the peace terms and what may be expected of the peace conference. It is probable that his first address will be delivered in New York.
